

Dominion Steamer Stanley.

THE Winter Mail Steamer Stanley will lay up on FRIDAY, the 13th inst., to clean Boilers. She will most probably resume work about the 20th inst., and continue until opening of navigation.

feb10-21 a jour li A. LORD, Agent.

PUBLIC NOTICE.

IN FUTURE the Government Steamer "Stanley" will run during the winter months between Charlottetown and Pictou who she will admit of her making a return trip each day, commencing on the 1st December.

If, however, the Company's boats cannot keep up daily communication between the Island and the mainland before the 1st December, the steamer "Stanley" will commence running earlier than the 1st December, so as to keep up daily communication.

When the steamer "Stanley" cannot make return trips between Charlottetown and Pictou, she will then run between Pictou and Georgetown and make daily trips, if possible.

As soon as the "Stanley" begins making a return trip between the mainland and the Island in the early part of the year, the Lechost Service at the Capes will be discontinued, so that as far as possible a daily mail each way will be conveyed between the mainland and the Island during the winter.

The "Stanley" will remain on the route until the 1st May in each year, and will continue longer than that date if the Company's boats are not able to keep up daily communication with the Island.
