Jansen Dumps Dodgers Into N. L. Third Spot As Giants Wallop Brooks

(Canadian Press) Brooklyn Dodgers have been beating Larry Jansen consistently for two seasons but they failed to get to him last night and that was fatal to their hold on the National League leadership.

Jansen, New York Giant right-hander, dumped the Dodgers into third place as the New Yorkers hammered out a 10-3 win for him. His consecutive scoreless inning streak was stopped by Larry went on to win his eighth game of the season.

Philadelphia Phillies rapped only three hits at Boston but made the most of two of them, whipped the Braves 3-2 and took over the leadership, with St. Louis in second place.

One Philly hit was Dick Sisler's two-run homer which just dropped into the right field bull pen. The first Quaker safety was a run-scoring double by Andy Semick.

At Pittsburgh, Cincinnati Reds poured it on the hapless Pirates 8-3 before an apathetic crowd of 13,500. Herm Wehmeier got credit for his fifth National League victory of the year although he gave way to Ewell Blackwell in the seventh. Grady Hatton had a two-run homer for the Reds in the fourth.

Committee Named At Hockey Meeting

At a meeting of some thirty or forty interested hockey enthusiasts held at the City Hall last evening, presided over by Major T. B. Rogers, a three-man nominating committee was appointed to draft up a slate of officers who will formulate the executive and committees that will govern Charlottetown's hockey entry in the Maritime Senior Hockey League next winter.

The following are those selected for the nominating committee: Messrs. E. D. Reid, B. M. Sears and William "Bill" Brown.

The nominating committee will present their slate of officers to a mass meeting of all ticket holders (those who have pledged for holding seats) and any other interested citizens, to be held at the Canadian Legion Hall on Tuesday, July 4th at 7:30.

The meeting will be held as an organizational meeting of the Charlottetown Senior Hockey Club, and all ticket holders will have the opportunity of voting on the nominating committee's suggestions or to nominate other possible office holders from the floor.

Speaking to the meeting as the presiding chairman, Major Rogers stated that "this was intended to be our organizational meeting, but owing to the fact that such a small representation of the large number of ticket holders are present, I feel that it is our duty to postpone this meeting to a later date, in order that we may have a bigger representative body here to vote on these highly important appointments." His suggestion was approved by the meeting and the date was set for July 4th.

A "Community Project"

Continuing, Major Rogers said "this is a community project. The fact that so many names of subscribers have been received in the drive, proves that the public want to see Big Four hockey back in this Province. But we must get them to come to these meetings so that everyone will have a say in who is to govern our team and club business. We want the best; and the only way we can do that is have everybody interested, here at our next meeting. Otherwise," he stated, "the whole project may fall through, despite the successful reception we have had to date."

The meeting also decided to continue the drive to obtain subscribers for the limited number of remaining holding tickets, and that a complete and final count will be made for the organizational meeting, and definite decisions made as to the Club's future policy in regard to entry into the M.S.H.L.

A meeting was called for the City Hall tonight at 7:30 for all divisional commanders, team captains and workers, to finalize plans and distribute tickets for the final drive for subscribers.

An important point concerning the drive was brought out by one of the canvassers at last night's meeting. He stated that many subscribers, particularly married men, were only subscribing for one holding seat, and he suggested that all canvassers inform the subscriber that one signature means only one seat, and that if they wish to make provision for their wives or families, they should subscribe for the number of persons to be accommodated for a single game. The holding seats are transferable he stated, but if two people want to attend the same game together, they should have two holding seats.

The meeting fully endorsed this suggestion.

Nine Greats Elected To Hockey Hall Of Fame

KINGSTON, Ont., June 27—(CP)—The days of seven-min hockey and 60-minute men were recalled by old-timers tonight with entry into hockey's International Hall of Fame of nine greats of two generations ago.

Four of today's nominees—the total now is 36—didn't live to bask in the honor.

Emotion-choked Newsy Lalonde, a tricky, calculating smoothie of the ice and lacrosse lanes in the early 1900's and now a mellow 62-year-old in Montreal, represented "No, it can't be so," when told of the news. He thought it "great" that his name should be inscribed with other immortals of Canada's national winter sport.

And Newsy echoed the sentiments of others admitted into the Hall today—Vancouver's Frank Patrick and Silas (Sis) Griffiths and Montreal's Joe Malone and Mike Grant. Other all-time greats honored, and now dead, were Allan (Scotty) Davidson, Charles Graham Drinkwater, George Richardson and Harry J. Trihey.

The nine join other all-time greats whose contribution to hockey, either as a player or builder of the game, ranged over a period dating from the 1890's to a few years ago. The list includes: Fred (Cyclone) Taylor, Frank Nighbor, Lester Patrick, Howie Morenz, Eddie Shore, Hobart (Hobby) Baker, Hod Stuart, Eddie Gerard, Charlie (Chuck) Gardner, Aurel Joliat, Georges Veziina and many others.

Probably the best known on the latest list is Lalonde, the one-time printer's devil whose scrap-book reads like a big-league record list. He averaged about 25 goals a season in the old National Hockey Association in the days when 16 games comprised a season.

Frank Patrick, younger brother of Lester, is noted for his rule-changing contributions. He "fathered" the forward passing, unlimited substitution, numbering of players, artificial ice and the present N. H. L. play-off system.

Joe Malone said to have had one of the hardest shots of any professional, captained the Stanley Cup champion Quebec Bulldogs of 1911-12 and 1912-13. St. Gertrude, a 66-year-old advertising executive, was a forward with Kenora Thistles when the club won the Stanley Cup in 1907 and later was an outstanding defenseman with Vancouver Maroons and Millionaires. Griffiths retired from the game in 1919.

Drinkwater and Grant, both amateurs, played all their hockey with Quebec clubs.

Scotty Davidson, killed in action in the First World War, captained the Toronto team which won the National Hockey Association title and Stanley Cup in 1913-14, while Richardson and Trihey played all their hockey—amateur—in the east.

Richardson was with Queen's University and Kingston Frontenacs and Trihey played for Montreal Shamrocks from 1897 to 1903.

C. and B. Meet Falcons Tonight In Game Here

Summerside Curran and Briggs baseballs will be trying for their fourth straight victory in Island Physical Fitness Baseball League scheduled competition when they tangle with second-place Mentz's Falcons at Memorial Field at 5:30 this evening.

It will be the first meeting of the season between the two entries in the four-team Island loop, and is a game that has been raising much speculation as to who will come out on top the winner.

The Falcons have won their last two starts against the Charlottetown Abbie nine 3-0 and 3-2 but took a 4-1 defeat from R. C. A. F. Royals in their league opening tilt on June 7th, while the C and B boys have taken all three of their scheduled tilts this season, clipping Abbie by a 4-2 count and taking Royals into camp twice by scores of 8-1 and 8-3 respectively.

These statistics should tend to make the teams fairly evenly matched with possibly a slight edge in favor of C and B, but anything can happen in a ball game, and today will tell the tale as to whether or not the Falcons will deadlock the series leadership, or see the Summerside aggregation bounce to the fore with a commanding two-game advantage.

A second Island League tilt will also take place at the Western Capital at the same time, when the Abbies will be battling for their first series win in four starts against the R.C.A.F. Royals who will be seeking for a victory that can give them a possible tie for second place in the league race and their second win of the season in four starts.

The Western game is also expected to pack plenty of action into it for attending Summerside ball fans.

Allan Ogilvie, youthful professional at New Glasgow made a three on the ninth, the only such score in the two day tournament. The professional class, with four competing in the final day was won by Walker, with a score of 154 Wolf MacPherson, Moncton, was right on his heels with 155.

Maurice (Mousie) Dowling of Charlottetown won the second prize for low gross score. There were 72 golfers entered in the two-day event.

Vic Juniors Win 8-2 From Kinsmen To Take Over Top Spot In League

The Vic Juniors last night broke a two-way tie for first place with the Knights in the City Junior League when they walloped the Kinsmen 8-2 on the Memorial Field diamond. A light drizzle that turned into a heavy shower forced the game to be called in the top half of the seventh frame with the Kinsmen at bat. The weather kept the fans away from the park and the stands were empty.

Dividing their eight runs into two innings, the second and fifth, the Vics walked off the field with the win that gave them the lead in the league race. In the second inning George Howatt opened with a single, Gump Gillis walked and Hennessey popped to the catcher. Junior MacLeod singled to fill the ground ball to the mound to force Howatt at the plate. Cliff Ready batted his first hit of the game to score two runs for the winners. McCallum followed with another two-run single with Pineau grounding out to end the inning.

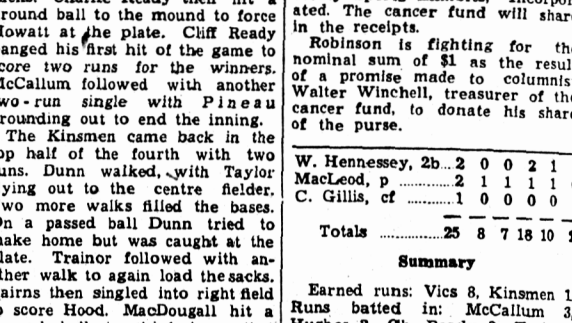

The Kinsmen came back in the top half of the fourth with two runs. Dunn walked, with Taylor flying out to the centre fielder. Two more walks filled the bases. On a passed ball Dunn tried to make home but was caught at the plate. Trainor followed with another walk to again load the sacks. Cairns then singled into right field to score Hood. MacDougall hit a ground ball to third base that went for an error and Coyle scored. Purcell flied to left to end the uprising.

Cliff Ready opened the fifth with a double for the winners. McCallum followed with a triple, scoring Ready. Pineau was walked and then Art Hughes whacked another triple for two more runs. Hughes scored minutes later when Howatt hit a ground ball to the shortstop. That ended the scoring for the game.

Junior MacLeod started on the mound for the winners and pitched four innings before being relieved by Gump Gillis. MacLeod gave up two runs, two hits, walked eight, hit another and whiffed two batters. Gillis was nicked for three hits while walking two and striking out one. Clinty Taylor went the distance for the Kinsmen allowing seven hits, walking four, hitting one and sending four batters back via the strikeout route.

Four batters each had two hits, Cliff Ready and Arnold McCallum of the winners and Jackie Cairns and Taylor of the losers.
