TAKE Home a Gift from HOLMAN'S! And what better gift could you take than a piece of the new ROYAL DOULTON EARTHENWARE? You'll find these in the China Departments of Both Holman Stores—Charlottetown and Summerside.

TO Spice your Wardrobe with a flavor for Summer! The answer to that would be (if you are economically minded) SEPARATES from the 5 and 10 Department. I took a peek at the display of smart little BLOUSES in sizes 12 to 20 and made in cunning styles; they're priced Only 1.98 and 2.98.

FOR a mere 23 cents you can get a whole Canadian Quart of delicious, nourishing ORANGE JUICE in the Grocery Department. "Real Gold" California ORANGE BASE—a concentrated Orange Juice with water, sugar, citric acid and oil of Orange added, just needs the addition of the right amount of cold water added to make up the quart of wonderful juice.

WE'RE Not Foolin'! The Men's Wear Department has received the most outstanding shipment of MEN'S SPORT SHIRTS we've literally ever seen! The colors, the materials, the styles and the whole set up are definitely attractive and masculine.
