SPECIAL DESPATCHES TO THE EXAMINER.

THE SLOW POISONING CASE.

Marshal Cameron's Movements.

MRS. WEEKS STILL ILL.

Will Return When Her Health Permits.

ST. JOHN, N. B., Feb 6.

Yesterday morning City Marshal Cameron, of Charlottetown, waited on Police Magistrate Ritchie and presented a warrant for the arrest of Mrs. Weeks. The document, on the genuineness of the same being established, was endorsed by the magistrate. Marshal Cameron did not present his warrant of arrest yesterday, as he considered it would not be advisable to trouble Mrs. Weeks in her present condition. He has not yet seen her, and has only had a few minutes conversation with her sister, Mrs. Thompson. The latter is aware that Marshal Cameron has a warrant for Mrs. Weeks' arrest, and communicated the fact to her sister last evening.

A *Sun* reporter endeavored to obtain an interview with Mrs. Thompson, but that lady declined to say anything, as her sister was so ill that she could not absent herself from her bedside.

J. R. Armstrong, who has been retained for Mrs. Weeks, said yesterday that she was ready to return to Charlottetown just as soon as her health warranted.

Dr McLaren is in attendance on Mrs. Weeks, and last evening he reported her slightly better.

Marshal Cameron will remain in the city until Mrs. Weeks has recovered and is able to return.

ANOTHER DESPATCH.

ST. JOHN, Feb 5.

Mrs. Weeks, of Charlottetown, is still unable to leave her bed in the Dufferin Hotel, and her sister, Mrs. Thompson, of Moncton, is attending on her. City Marshal Cameron had his warrant for the arrest of Mrs. Weeks endorsed by Police Magistrate Ritchie to-day, but when it will be executed is hard to say, as she is very ill; and while the doctor reports her a little better this evening, she is a very sick woman.

DOMINION PARLIAMENT

Summary of Proceedings.

OTTAWA, Feb 5.

In the Commons to-day, Mr. Purcell introduced his bill to protect laborers employed by railroad contractors from loss of wages.

In answer to Mr. Edgar, Hon, Mr Bowell said there had been no representation since the close of last session respecting the Bridgewater seizure, no settlement of the owners' claims for damages, and no amount paid by Canada in this connection.

Mr. McIntyre moved for correspondence having reference to the prevention of taking mackerel by means of purse seins and gill nets within the territorial waters of Canada. He complained that the use of these devices had caused a dearth of mackerel, and that they were largely used by United States fishermen.

Mr. Flynn spoke in the same strain.

Hon. Mr. Tupper said the causes of complaint had come to his attention, and he instituted an inquiry into the matter. It was worthy of remembrance, in this connection, that on one occasion before the introduction of purse seines, mackerel had disappeared, but that the next year they were present in large numbers.

Mr. Wilson, of Elgin, moved that the Franchise Act be repealed, and made a speech roundly abusing the measure.

Mr. Laurier spoke in support of the motion, and declared that not one good word could be said for the act.

Sir Hector Langevin, who was leading the House in the absence of Sir John Macdonald, made a vigorous defence of the act.

Mr. Patterson, of Brant, followed in support of Wilson's motion, and concluded at 6 o'clock, when the Speaker left the chair.

After recess, private bills being in order, and none of the members in charge being prepared to proceed, the House adjourned without transacting any business.

Destroyed by Fire.

VANCOUVER, B. C., Feb. 5.

The government reduction works were completely destroyed by fire this morning. Loss $25,000. The works were established in the centre of Cariboo mining district by the local government last summer, for the purpose of testing British Columbia ores, were completed in November, and the operations were very successful. Its destruction by fire is a severe blow to the mining prospects.

Dominion Rifle Association

OTTAWA, Feb. 5.

The annual meeting of the Dominion Rifle Association was held to-day. The Governor-General was present and delivered a short address. Mr. Kirkpatrick, M. P., was re-elected President, Senator Botsford Vice-President for New Brunswick, General Laurie Vice-President for Nova Scotia, and Senator Haythorne for P. E. Island.

More Ironclads.

LONDON, Feb. 5.

Russia has ordered two large ironclads and frigates to be built in England, and to be provided with the biggest engines and heaviest Krupp guns. Four of the greatest firms in Europe estimated for the contract, but the Czar insisted that the ships should be built in England.

Weather Bulletin.

TORONTO, Feb. 6.—10 a. m.

For Additional Sewers.

HALIFAX, Feb. 5.

The Board of Health to-day resolved to apply to the Legislature for authority to borrow $400,000 to construct additional sewers and for authority to demolish all the uninhabited houses which owners neglect to keep in suitable repair and sanitary condition.

THE SIDEWALKS.—Our sidewalks and streets are just now in a very slippery condition. In some places walking is very dangerous, and a little ashes, judiciously distributed, would help the pedestrian a good deal. "A word to the wise is sufficient."

SALVAGE CORPS.—At the regular annual meeting of the Royal Salvage Corps, held at their rooms last evening, the following officers were elected for the ensuing year: Captain, R. F. Dawson; 1st Lieutenant, James McEachern; 2nd do, R. S. Farquharson; 3rd do, H. Large; Secretary, J. C. Millford.

WELL DONE.—The members of the Salvage Corps are busily engaged fitting up their room in the new City Building in splendid style. Already the floor has been carpeted, the windows curtained, and pictures hung about the room. To-day painters are hard at work beautifying the place. When the work is completed, and all the furniture is in, the Corps will have a room that will be creditable alike to themselves and the Province.

Mr. H. S. Pethick, of the Bank of Nova Scotia, who has been located in Moncton for some time as teller, left last night for St. Stephen, where he takes a position as accountant. Previous to his departure Mr. Pethick, who was very well liked by all with whom he came in contact in Moncton, was entertained at an oyster supper at Tennant's. There were many expressions of regret for Mr. Pethick's departure and wishes for his future prosperity. Mr. Pethick's place here is taken by Mr. Borden.—*Times.*
