Week of Prayer Services At S'side

The Week of Prayer services at Summerside were addressed each night by **Kenneth T. Norris, Ph.B., B.D.**, of the Church of Christ, Montague.

The sermons delivered were a series of expositions of five of Paul's shorter epistles. Speaking on the Epistle to the Galatians on Monday evening, the speaker emphasized the fact that this book is the "Magna Charta" of the Church, which once and for all, releases Christians from the bondage of the law, and Judaism.

On Tuesday evening, the Epistle to the Ephesians was studied. This great epistle sets forth the heavenly calling of the church and the consequent earthly conduct of the church. Because of its predestined calling to heavenly glory, the Church of the Lord Jesus Christ should live in and keep the unity of the spirit of God and walk wisely, worthy of its eternal vocation.

The Epistle to the Philippians, as set forth Wednesday night, is the "outpouring of love of the founder of the Philippian church to the most affectionate, faithful, and self forgetful of congregations." It is an exhortation to possess the mind of Christ in complete humbleness before God. In this epistle, the great apostle reveals his highest aspirations to know Christ "and the power of His resurrection, and the fellowship of His sufferings, being made conformable unto his death; if by any means I might attain unto the resurrection of the dead."

On Thursday evening the speaker developed the main thought of the Epistle to the Colossians. In this epistle Paul reveals in the glorious Christ and His glorious Church. Jesus Christ, the visible image of the invisible God, is the glorious head of His glorious body, the Church, which is composed of the redeemed from all races and nations.

Because they are members of this body of Christ, the preacher emphasized that all Christians should "seek these things which are above . . . set your affection on things above, not on the things on the earth. For ye are dead, and your life is hid with Christ in God.

The concluding message of the series, delivered on Friday night, dwelt on the teachings as set forth in the Epistles to the Thessalonians. The burden of Paul's message in these epistles is concerning the second coming of Jesus Christ. In this great event is centred all the Christians' hope and aspirations.

The services during the week were well attended and the church choirs led the congregations in the hymns of praise, also rendering special music. On Monday evening at the Church of Christ, the anthem "The Lord Is Born" was sung. On Tuesday evening at the Baptist Church, Mr. J. H. Leuty sang "Jesus For Today"; on Wednesday evening at Trinity United special organ music was rendered. On Thursday and Friday evenings at the Presbyterian Church, the anthems "Praise Thy God O Zion", "Psalm of Praise" and "Fairest Lord Jesus" were sung.—S

—**SKATING** Borden Rink this afternoon 1 'til 3.

—**ARRIVES FOR FUNERAL** — Mr. Willard Sheriff arrived in Summerside from Glace Bay, N.S., by automobile on Friday to attend the funeral of his aunt, Mrs. G. W. Phillips, which takes place today. —S.

—**S'SIDE. BAPTIST W. M. S.**— The W. M. S. of the Summerside Baptist Church held its January meeting on Tuesday afternoon at the Parsonage with the president, Mrs. Jack MacLeod, conducting the devotional service on the theme "Faith". The opening hymn "My Faith Looks Up to Thee" was followed by the invocation and prayer in unison. A program on the life and progress of the Africans, from early times to the present day, was presented by Mrs. C. H. Stewart, Mrs. Wilfred Inman, Mrs. Robert Palmer and Mrs. W. A. Harper. Prayer by the president closed the meeting, after which a social hour was enjoyed when the hostesses, Mrs. Harper and daughter, Miss Beth Harper, served delicious refreshments. S

Personals

—Mr. J. Loring Rayner who has been a patient in the Prince County Hospital for the past two weeks is now convalescing at his home in Summerside. S

—Mr. Gregory Gavin, B.Sc., returned by plane to Montreal after spending a week with his mother, Mrs. J. Wilfred Gavin at Tignish. Mr. Gavin is employed as chemical inspector for the Dept. of National Defence, and is a graduate of St. Dunstan's University.

Companies Merge For Gas Pipeline

OTTAWA, (CP) — The largest corporate merger in Canadian history soon will begin construction of a $300,000,000 natural gas pipeline from Alberta to eastern Canada, longest single pipe in the world.

Trade Minister Howe Friday announced the merger of the two companies competing for the lucrative franchise to carry Alberta gas east, virtually assuring a construction start some time this year on the 2,240-mile line reaching through Ontario and into Quebec.

The two companies will amalgamate as Trans-Canada Pipe Lines Ltd., the name of the firm originally seeking an all-Canadian franchise from Alberta as far east as Montreal.

A 50-50 interest in this company will be given Western Pipe Lines, whose opposing proposition was to carry Alberta gas to Winnipeg and then divert south to the Minneapolis Minn., market.

The two projects will be unified under the terms of the merger, laid down by the Alberta government a month ago as its main provision for the release of gas for sale outside Alberta to the east. Gas will be made available both for eastern Canada and Minnesota, though Ontario and Quebec will get preference.

Daughter Of Burglar Battles For Life Following Operation

MONTREAL (CP) — The seven-year-old daughter of a confessed burglar battled for her life in hospital Wednesday after a delicate four-hour brain operation.

Lisette Mailhot was injured Tuesday when she was struck by a flying piece of rock from a dynamite blast. The accident occurred only a few hours after her father confesed to taking part in a $1,000 burglary and was ordered held in Bordeaux jail until Friday for sentence.

Civic officials attempted to free Paul-Andre Mailhot temporarily to go to his daughter's bedside but were thwarted by a jail rule which states that there must be a death in the family before a prisoner can be released. The only other alternative would to be to release the prisoner on parole, but Judge Eugene Lafontaine, who heard Mailhot's guilty plea, said he "categorically refused" to sign the release.

Dr. H. P. Crevier, who operated on Lisette, said she is in a semi-coma and will be unable to talk or to recognize anyone for several weeks. He said, however, that he is optimistic, that the child will survive.

A 100-year-old lighthouse erected on Fastnet rock, off County Cork, Ireland is visible for 18 miles.

S'side High Notes

By Diane MacQuarrie

We are all back in school after about two weeks' holidays. I hope everyone enjoyed themselves. The Christmas formal which was held December 22, set the ball rolling for festive activities. The mild weather, however, has literally dampened many plans for ice sports. The Kinsmen rink was open a number of times during the holidays.

• • •

Bowling was carried on twice during vacation. On December 30, the results were as follows: Margaret Jane McInnis, high single girl bowler with 214, and Margaret Shaw had high three with 592. John Campbell led the boys with 315, and Don Cameron had the highest total with 679. Ideal Dairy was best team with 2873. January 6, the league bowled again with Mary Thompson capturing dual honors with single score of 250 and high three of 652. John Campbell also led in both instances for boys with 274, and 701. White Star Laundry had high total of 3118.

• • •

Sea Cadet Corps is in formation in Summerside. Boys interested have convened and entrance blanks are still available.

• • •

A boys' curling league has been formed. The teams are picked and posted on the school bulletin board. This is one sport which should really "take" among the students of Summerside, because it may be played on schedule since the curling rink has artificial ice That many of the players are Scottish will probably be a matter in favor of this Scottish game.

Briton Wins From Russians In Chess Matches

By RONALD WILLIAMS

HASTINGS, England, (Reuters)- A 44-year-old British foreign ministry official Friday shook the sober world of chess—and caused some disappointment in Russia—by beating two Soviet chess masters in the same day.

Charles Alexander beat the renowned David Bronstein, Soviet grand master, in a marathon 14-hour, 120-move game in the championship tournament at the Hastings international chess congress.

This was the second blow to Soviet pride. Earlier Alexander had vanquished Bronstein's compatroit, Alexander Tolush.

It was hard to say at the end who were more stunned—the Russians, who have dominated post-war chess, or the Britons, who treat their chess modestly.

N.H.L. Head

Continued from page 6

ers" in the league "and not try to create publicity for himself at the expense of a good fellow like Geoffrion simply because he is French-Canadian.

The Rocket delivered himself of a few other things, too, and the article caused Campbell to call on managing director Frank Selke of Canadiens Friday afternoon.

After the meeting, Campbell said he had asked what the club management "is going to do about it."

He said the "primary responsibility" rests with the management "as to whether they feel it proper for players to abuse the titular head of the league."

"If it has the approval of the management of the club, it is an intolerable situation and I want to know the club's position . . .

"If the club takes no action, it can have no objection to any action I might take."

To Consider Action

Campbell said whatever this might be, he would have to "take under advisement."

Campbell said he has no desire to get into controversies with individual players; that he has certain functions of office to discharge "without interference by people employed in the league."

Asked what he thought of Richard's right to criticize in the column, Campbell said: "If a player is willing to prostitute his talents for a few hundred dollars he is at least short-sighted."

Selke commented only briefly. "I realize our responsibilities," he said. "I will talk with Richard but I don't expect to have any statement on the matter until some time next week."

Bigger Than Individual

Earliest reactions to the affair came from Florida and New York.

Reached by telephone in Florida, managing director Conn Smythe of Toronto Maple Leafs said: "We'll see how Mr. Campbell handles this one. Hockey is a pretty big game, and no single individual is bigger than the sport. I imagine that's how this will be handled."

Frank Boucher, manager of New York Rangers, commented:

"It is an amazing statement for a hockey player to make. I wouldn't want to make any other comment at this time. I assume the president will have to deal with it."

SEARCH FOR ACTORS

LONDON, (CP) — Cecil Clark, artistic director of the Stratford, Ont., Shakespeare festival, returns to Canada by air today to begin a three-week search for actors and actresses for next summer's productions. Clark living in London since the fall, said he has not yet found a British actress to play the leading feminine roles opposite British film actor James Mason in the three plays for 1954.

Fox cubs take 18 months to grow to full size and strength and their average life is 13 years

Annual Meeting Of Borden Branch Canadian Legion

The annual meeting of Borden branch No. 10 Canadian Legion was held in the Legion Hall last night with president J. J. MacIsaac in the chair.

Reports from different committees were given, followed by election of officers as follows: honorary president, Rev. Reginald MacDonald; president, J. J. MacIsaac re-elected; first vice - president, Lloyd Clark; second vice - president, Arthur Sherren; secretary treasurer, Emery Richard; sgt.-at-arms, Jack Hanlan; security officer, Reginald Rodgers; chaplain, Rev. R. MacDonald; members of executive, Stanley Howatt, Jack Darrach, Gordon Jay, Kenneth Flavelle, Wilbert Muttart, Donald MacDonald, David MacLeod, William Chahoon.

Chairmen of standing committees: Legion canteen, Wilbert Muttart; rink canteen, Donald MacDonald; ways and means, Gordon Jay; entertainment, Kenneth Flavelle; house, David MacLeod; rink, Stanley Howatt; membership, Arthur Sherren; employment, Jack Darrach.

A short talk was given on the activities of the other branches in this zone by Donald MacDonald a zone ralley to be held in the near future.

Reginald Rodgers spoke briefly of the splendid work accomplished during the past year.

A vote of thanks was rendered to the officers.

It was decided that during the coming year the Legion canteen be open on Monday, Wednesday and Saturday from 8 until 10:30 p.m., on motion the meeting adjourned.

RCAF Enrollments Show Increase In P.E.I. Area

The RCAF Recruiting Unit at Summerside has reported a slight increase in enrolments over 1952, approximately 200 recruits having been accepted in the past year. Once again, enrolments for Groundcrew predominated, but a satisfactory level was reached for Non-Flying List Commissioned Appointments, and Airwomen enrolments were at approximately the same figure. The number of aircrew applications were disappointing, as it was expected there would be some improvement in this regard, but actual results were well under the 1952 figures.

This is a very worthwhile field for young men between the ages of 17 and 25 who are single, possess the equivalent of Junior Matriculation or better, and are in good physical condition. Expert instruction and training can be given in all phases of Aircrew training, and the young man who eventually wins his wings as a Pilot, Navigator, or Radio Officer can look forward to an interesting and varied career, where adventure, comradeship, and broadening horizons play ever-important roles.

It is hoped that more young men in the Province will take advantage of the career opportunities offered by the RCAF in the Aircrew field in 1954, especially since the emphasis has been placed on jet aircraft and squadrons for home defence and overseas NATO commitments in England, France, and Germany.

The Mobile Recruiting Unit visited such centres as Charlottetown, Montague, Souris, Alberton, O'Leary, Tignish, Georgetown, and Murray River, quite frequently during the past year, and will attempt to maintain or increase this figure in 1954. Charlottetown will continue to be visited on a regular schedule on Tuesdays and Wednesdays of each week, weather and road conditions permitting. These mobile visits will provide additional services to all applicants who are interested in a career in the RCAF, but are unable to travel to Summerside for initial information and processing.

Recruits originated from practically every centre of P.E.I., in 1953, embracing such localities as Egmont Bay, High Bank, Mount Carmel, Wellington, Hunter River, North Rustico, and Kinkora, as well as the larger centres mentioned above. This cross-section of the youth of P.E.I., were posted to either 2 Manning Depot at St. Johns P.Q. or Personnel Selection Unit at London, Ontario for selection as Groundcrew tradesmen or Aircrew and Non-Flying List Officers. Upon successful completion of this initial processing they will then embark on various training courses in the RCAF (Regular).

All in all, 1953 was a very successful year for the Summerside Recruiting Unit, and indications are that an even better year is forthcoming in 1954.

Alberton Expects First Skate Today

—The manager of the Alberton skating rink, Mr. Harvey Hutt, expects to have ice in shape for the first skate of the season today Saturday, and a large crowd is expected to enjoy the opening of the winter activities in the rink. The early cold weather enabled a good depth of ice to be built up which withstood the recent mild weather very well and the present extremely frosty temperatures will permit several floods to be put on in a short time.

The Regals hockey team are lining up their players for the first practice which is planned for Monday evening. Flooding at the curling rink has also been resumed and the first games are planned for Monday night.

Varied Reaction To Proposals Of U. S. Commission

OTTAWA, (CP)-Top government economists Friday were both heartened and disappointed by reported proposed draft recommendations of the United States Randal commission.

They were heartened by the suggested elimination of the restrictive 1933 "Buy American" Act and the possible boost in presidential tariff-cutting powers.

But they were keenly disappointed at the possibility that the so-called "peril point" and escape clauses in American trade and tariff agreements may be retained.

Under the escape clauses, the U. S. could withdraw tariff concessions if they unduly harmed domestic industry. The "peril point" places a minimum tariff-protection level for domestic industry, preventing President Eisenhower from reducing tariffs below that point.

The Randal commission has been set up by the president to appraise American foreign trade policy. Washington reports are that the commission will complete its report Monday.

It is felt here that Mr. Eisenhower will fully support recommendations which will boost world trade and strengthen the economic base of the Western Allies.

But it will be up to Congress to decide how far the U. S. will go in opening its doors to goods from other countries. Congress has previously shown signs of favoring protectionism and there is fear here the president will have a tough time getting congressional support.

Roy Campanella Chosen For Award

NEW YORK, (AP)—Catcher Roy Campanella of Brooklyn Dodgers Thursday was chosen for one of the six awards given by the sports lodge of B'Nai Brith for "high principle and achievement in sports" during 1953.

Sport Echoes From Prince County

Rumor has it that there are negotiations afoot to organize a hockey league with St. Dunstan's, P. W. C., Parkdale, and Summerside participating. This would certainly be good news for Summerside hockey fans who would be able to see the home games of the Aces in the Raceway Stadium, in that event, instead of travelling to Bedeque rink to get a glimpse of the new team.

• • •

Lippy Gaudet believes in piling up a good reserve of ice for a rainy day, and his foresight served him good stead during the recent prolonged thaw. If he hadn't, his Kinsmen rink would have been ready for the rabbits by now. Another day's mild weather might have licked Lippy at that, but as it happened, he had a good foundation of ice to build on and the kiddies of Summerside have been assured of a quick comeback to their winter playground.

• • •

Mrs. Gertie Cahill, whose spouse, Charlie, was Summerside's only contribution to the N.H.L., is anxious to get back a scrap book of Charlie's activities in the hockey world, they lent this book to someone, but can't recall who that someone is. A hockey fan, an admirer of Charlie, borrowed the book, and it is still out on loan. Mrs. Cahill naturally values it highly and would be delighted to get it back. So bring it in, like a good fellow, whoever you are.

• • •

Maurice Richard's verbal socks to prexy Campbell's jaw in his column recently may cost the Rocket more in money and time lost then Geffrion's stick-swinging cost the brilliant but hot-headed "Boom Boom". The old saw that "sticks . . . will break my bones, but names will never hurt me" will probably not apply when president Clarence Campbell hands down his decision on Richard's blasts.

Islanders In

Continued from page 6

the Islanders played with a man advantage. **Roger** had to be hot in middle frame to hold the Miners to one goal.

The Miners played without **Kenny Watson** who has been having more than his share of injuries. That's his penalty for reporting late. His muscles can't stand the strenuous going in this circuit.

Robert was again brilliant for Islanders. He played about 15 minutes in the first period. In the first six and a half minutes he rested 30 seconds. **Claude** has 35 points in 17 games.

The Islanders defense kept the dangerous **Tommy Fyles** out of the scoring zone most of the time. **Fyles** had one or two good chances in the second period but **Bessette** beat him. **Hughie Campbell** played his first game as a defenseman here while team captain **Bob** Cooper moved up to the forward line.

Orin Carver makes it a habit of scoring the first goal in the second period. This is the "money goal". Last night's game helped **"Cousin Harry's** health. He was sick last week but didn't go to the hospital. The Islanders play in Halifax tonight. The Cape Breton teams are in Glace Bay.

Lineups:

Glace Bay: Goal, Hicks; defence: Whyte, Treen, Campbell; forwards: Cooper, Miller, Brown, Connelly, Rochford, Fyles, Needham, Lumley, Leyte.

Charlottetown: Goal: Bessette; defence: Gustaveson, McLaughlin, Blackburn, Gray; forwards: Whitlock, Carver, Saindon, Robert, Gignac, Ritchie, Palladino.

Referee: George O'Donohue; linesmen: Art Perry, Johnny Squarebriggs.

SUMMARY

First Period

1—Glace Bay, Miller 6:29
2—Charlottetown, Saindon (Carver, Gray) 11:27
3—Charlottetown, Whitlock (Gignac, McLaughlin) 12:07
4—Charlottetown, Whitlock (Palladino) 12:21
5—Charlottetown, Robert (Carver) 13:33
6—Charlottetown, Carver (Robert, Saindon) 18:25

Penalties: Gignac 3:51; Campbell 12:15, Gustaveson 19:15.

Second Period

7—Charlottetown, Carver (Saindon, Robert) 17:35
8—Glace Bay, Lumley 19:26

Penalties: Robert 10:35; Gignac 18:30, Leyte 18:30.

Third Period

Bonus Rookies Sign With Detroit

DETROIT, (AP) — Detroit Tigers bonus rookies Bob Miller and Reno Bertoia signed 1954 contracts Thursday bringing the total to three players secured.

Miller, a left-handed pitcher from Chicago had a 1-2 record with Detroit last season. Bertoia of Windsor, Ont., saw little service. Both were signed last season. Outfielder Steve Souchock, who finished last season with a .302 average, signed Wednesday.

Lancasters Scheduled To Leave On Tour Sunday

—Weather permitting, two Lancaster aircraft of Central Navigation School, Summerside, will take off on Sunday morning, for a tour of the Eastern and Southern United States. This will be the sixth annual tour of U.S.A.F. bases and it is designed to acquaint the students and staff with the latest developments in navigation below the border.

The first leg of the long journey will be from Prince Edward Island to the naval air base station on the Patuxtant River in Maryland. Before the three-week tour is completed, the aircraft will visit bases in Virginia, Ohio, Florida, Texas, and California, a distance of 2900 miles.

Wing Commander H A. Forbes, D.F.C., will command the operation with Squadron Leader J. F. Corrigan, D.F.C., as deputy in charge of programming and visits. Flight Lieutenant L. V. Ehman will be deputy in charge of aircraft and crews.

In March the specialist navigation course will make a tour of bases in England. In April they will move to a northern base for a series of flights over the Canadian Arctic.

—S.

Revives Child When Heart Stops During Operation

—In a dramatic moment, the skill and certain knowledge of what he was doing enabled a Summerside surgeon to restore life to a two-year-old child whose heart had stopped beating while undergoing a minor operation to his lip in Prince County Hospital on Wednesday.

When the heart stopped, in what was an extremely rare occurance under the circumstances prevailing at the time, the boy would normally be considered dead.

The surgeon, working with all possible haste, made a chest incision, placed his hands in the chest cavity and began to gently massage the child's heart which began to respond about thirty seconds later.

It is estimated that less than 2¼ minutes elapsed from the time that the heart stopped until signs of life were again evident through the skillful efforts of the surgeon.

When the heart started to beat again breathing and normal body operations also resumed.

Authorities concerned declined to release the name of the surgeon or patient. S.
