NOT MORE THAN FIVE CENTS

1,000,000 IN ESTIMATES

Statement On Ferries Is Promised For Today

John Baldwin Denies Vacationland Favored

By RICHARD J. GYN. OTTAWA — (Special) Transport Minister George Hees will make an important statement today on major changes in Prince Edward Island's ferry service.

Use the \$800,000 for extensive repairs and renovations to existing ferries. Also tabled in the supplementary estimates were \$76,000 for a final payment on the Lord Selkirk and \$125,000 for reconditioning of the Scotia II.

that no release on ferry service would be made until the report on the causeway was ready for publication.

A \$1,000,000 item for auto ferries plying between Nova Scotia and Prince Edward Island and New Brunswick and P.E.I., appeared among transport department items.

This included \$75,000 for an auto ferry for service between Wood Islands, P.E.I., and Caribou, N.S., and \$800,000 for a ferry between Cape Tormentine, N.B., and Borden, P.E.I. The ferry Scotia II on the P.E.I. carry ferry service will be reconditioned and refitted at an estimated cost of \$125,000.

The announcement had been expected Monday evening but a last minute check by the Guardian's Ottawa correspondent disclosed that Government officials here working late into the night to prepare a detailed statement to be made the next day.

Informants report the government is giving strong consideration to purchasing a new ferry. But at last report it appeared no final decision had been made.

The issue was touched off by the discovery in supplementary estimates of an item of \$800,000 under the heading: "construction or acquisition of ferry vessels and equipment; auto-ferry vessel for service between Cape Tormentine, N.B., and Borden, P.E.I."

Supplementary estimates are additional expenses the Government will undertake during the year ending March 31, 1960 and are in addition to those announced at the start of the fiscal year.

Delegates from 12 nations are attending, and Poland has sent an observer.

NEW MEMBER? If a Polish fishing fleet should be sent to the Atlantic, Mr. MacLean said, he hoped the Polish government would join the commission.

The Northwest Atlantic fishery was a valuable natural resource which could supply much of the protein food supply needed by commission member-countries.

Canada, Denmark, France, Iceland, Italy, Norway, Portugal, Spain, West Germany, Russia, Britain and the United States are members.

Buy a new ferry to operate alongside the Abegweit and Prince Edward Island. Word is that this is the most likely possibility, but nothing is definite at

Mr. MacLean said modern technological developments in the fishing field can do great things for mankind, but if not controlled and managed wisely could become so efficient that fish resources could be wiped out.

Mr. MacLean spoke at the opening here of the ninth annual meeting of the International Commission for the Northwest Atlantic Fisheries, an organization of technical experts interested in conserving the fish resources of the Atlantic.

Students Are Chosen For Stratford Festival

Four Prince Edward Island high school students have been chosen to represent the province at the Stratford festival on July 23 to 25, it was learned last night. They are Harry Callaghan from St. Dunstan's, Miss Brenda Large, Prince of Wales College; Janet Campbell, Montague High School and Anne Ramsay, Kensington High School.

Mr. Callaghan is the son of Mr. and Mrs. J. Pius Callaghan, 66 Bayfield Street, Charlottetown. Miss Large is the daughter of Mr. and Mrs. Robert F. Large, 54 Fitzroy Street, Charlottetown. Miss Campbell is the daughter of Leonard Campbell, Montague and the late Mrs. Campbell. Miss Ramsay is the daughter of Mr. and Mrs. William Ramsay, Hamilton.

The students were chosen for scholastic ability and for their proven interest in drama and music.

They will go to the Stratford festival as guests of the Canada Council. They will travel on the Canada Council train and will be chaperoned. They will have their expenses paid by the council with the exception of pocket money.

At Stratford they will see the Shakespeare plays "Othello" and "As You Like It" and the Offenbach opera "Orpheus in the Underworld".

The selection was made by Malcolm MacKenzie director of a committee consisting of education, Rev. Dr. R.G. Ellsworth, representing the Rector of St. Dunstan's University; Dr. Frank MacKinnon, principal of Prince of Wales College; Mrs. Leslie Ramsay, C.D.A. of Indian River, president of the Prince Edward Island Drama Festival Association, and Neil A. Matheson, Southport, president of the Prince Edward Island Musical Festival Association.

NASSAU THREAT

David Wright, program director for radio station CHOW, Wexford, Ont., claims he was anonymously threatened during a three-day stay in Nassau while doing a story about the re-opening of the Sir Harry Oakes murder case. He was in the office of Cyril Stevenson, Bahaman politician who is seeking to reopen the case, at the time the telephone threats were made.

Minister Opens Fisheries Show

MONTREAL (CP) — The International Commission for the Northwest Atlantic fisheries began a week-long meeting here Monday with technical experts from 13 countries gathered to discuss developments in conservation and fishing techniques.

Hon. J. Angus MacLean, Canada's minister of fisheries, opened the convention's first session.

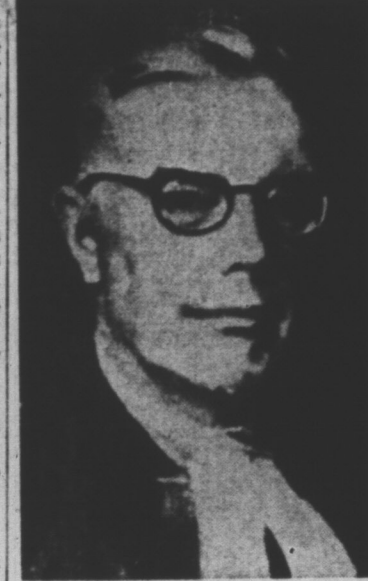

Mr. MacLean said the commission was responsible for obtaining scientific and statistical information needed to ensure that the fisheries continue to produce.

Island Scholar Is Oxford Dean

Dr. Cuthbert Aikman Simpson, formerly of Charlottetown, has become the first Canadian to be appointed dean of a college of Oxford University. His appointment as dean of Christ Church Cathedral and dean of that college will take effect October 1, 1959.

Dr. Simpson, a son of the late Canon Simpson of St. Peter's Cathedral, Charlottetown, was born and received his early education at Charlottetown. He went to King's College, Windsor, Nova Scotia, in 1911 from where after graduating in Arts and Divinity he joined the Canadian Army Pay Corps serving from 1916 to 1919. In the latter year he went as a Rhodes Scholar to Christ Church Oxford for three years.

Dr. Simpson returned to Canada in 1922 and served for five years as Rector of St. Albans Church, Woodside, N.S. He was then appointed to the staff of the General Theological Seminary in New York where he remained until 1954 and until his appointment as Regius Professor

DEAN C. A. SIMPSON of Hebrew and a Canon of Christ Church, Oxford. Dean-elect Simpson received his Doctorate of Theology from (Continued on page 2 col. 2)

OLD NEGRO IS 104 YEARS

TAMPA, Fla., (AP) — Things have a way of happening late in life for James Williams, a spry Negro who was born a slave.

Williams married for the first time when he was 60, took his first drink of whisky to celebrate his 77th birthday, and now has started to school. He says he will be 105 on Aug. 31.

Williams enrolled in a twice-a-week night class at Blake Center. "All I want to do is learn to read and write," he said. "By the time I get on to that I'll be ready to die, anyway."

SUMMERSIDE BUREAU OF THE GUARDIAN The 45th graduation exercises of the Prince County Hospital

School of Nursing were held last evening in Civic Auditorium with 14 nurses receiving their diplomas and pins in impressive ceremonies presided over by Judge W.E. Darby, chairman of the hospital board of trustees.

Dr. W.E. Callaghan delivered the address to the graduates during which he told them they were graduating from a nursing school equal to the best, and that they could go forth with the knowledge and conviction they were well qualified to take their place in any hospital in any province in Canada or in the United States.

The valedictory was delivered by Miss Ivy Pauline Myers of the Hospital Ladies Auxiliary and Dr. Callaghan, while the diplomas and pins were presented by Judge Darby and Miss M. Collicutt, director of the school of nursing.

PRIZES GIVEN Elizabeth Joan Brookins received the prize for the highest marks in bedside nursing; general proficiency, (1) Doris Blair Andrew (2) Dorothy Alberta Clark. The prize for the professional growth and development, Barbara Ruth MacDonald; highest aggregate (1) Clara Ann Found (2) Ivy Pauline Myers (3) Doris Blair Andrew. Highest aggregate (second and third year) Dorothy Alberta Clark. Many of

the prizes were donated by the medical staff.

The invocation and benediction were pronounced by Rev. C.R. Webber, minister of Trinity United Church the professional was played by Gabriel Chasson who was the recipient of a gift during the ceremonies presented on behalf of the nurses glue club.

GRADUATES Doris Blair Andrew, New Glasgow. Elizabeth Joan Brookins, Kensington. Dorothy Alberta Clark, Summerside. Clara Ann Found, Ellerslie. Mary Eileen Gaudet, Summerside. Myrna Ann Hancock, Summerside. Barbara Ruth MacDonald, O'Leary. Shirley Thelma MacKinnon, Hebron, P.E.I. Shirley Elizabeth Mann, Irish-town. Ivy Pauline Myers, St. Lawrence. Sylvia Catherine Patterson, Moncton, N.B. Edith Reta Muriel Poole, Summerside. Dolores Madelyn Smith, Wolfville, N.S. Ethel Erma Susan White, Summerside.

Several of the injured were reported suffering from burns and sulphur poisoning caused when a slope, a large underground room which had been mined out and

walled off several years ago, collapsed with a roar.

Thirty-five miners were trapped at the 1,200-foot level by fiery gases. All were brought to the surface, including the dead, by gas mask-wearing rescue workers.

The mine, owned by the Inland Steel Company, is at nearby Mineral Hill.

MARITIME TRANSPORTATION COMMISSION

Preparing for their annual meeting this morning, the members of the executive board of the Maritimes Transportation Commission held an executive

meeting at the Charlottetown Hotel last evening. The annual meeting will also be held at the hotel. Among those attending the meeting last evening were, left

to right, seated, A. Gordon Cooper, Halifax; A. Murray MacKay, Halifax, chairman of the commission; E.D. Reid, Charlottetown, vice-chairman for P.E.I.; Stand-

ing, Howard A. Mann, Moncton, executive manager of commission; Arthur Johnson, St. John's, Nfld.; and E. Graham Rogers, Charlottetown.

Northland Shipping Trips Start At Ch'town June 22

The Northland shipping service which include Prince Edward Island as one of its calling points will definitely begin from Halifax June 22. The 450 ton MV Fayette will arrive at Charlottetown on June 22. She will load a general cargo for Goose Bay.

This announcement made yesterday by APEC President, Dr. Frank MacKinnon carried with it a stern warning that Island producers and shippers, if they do not take advantage of the service in this first call, may not have the second opportunity to use it.

Dr. MacKinnon said, "I am very anxious that our Island producers and shippers will fill this ship on its first trip to capacity. Much will depend upon the success of this first trip if the service is to be continued."

FIURE PROSPECTS "In selling to Goose Bay," said Dr. MacKinnon, "We should consider—not only the market for the moment—but for the future demands of these northern communities. By establishing good contacts now, we will be insuring for the years to come."

"We have the products and the purchasers at Goose Bay are most anxious to do business with us," Dr. MacKinnon said.

He stated that APEC has been in close touch with purchasers at Goose Bay and with the offices of the department of defence production at Ottawa, Halifax and Saint John.

Dr. MacKinnon said the provincial department of trade and industry has been most helpful in the project and will be glad to furnish any information, particularly in regard to freight rates.

Stolen Plane Is Shot Down

SAN JOSE, Costa Rica (AP) — A stolen twin-engine plane of Costa Rican Airline carrying a group of Nicaraguan revolutionaries was shot down Monday over Nicaragua, the Costa Rican government announced.

The number of persons aboard the C-46 was not known, but Nicaraguan revolutionary sources here said as many as 50 persons were on the plane. These sources said they were flying in to fight the regime of Nicaraguan President Luis Somoza.

The Costa Rican government said it was informed of the shooting down of the plane, near Matagalpa, Nicaragua, by the Nicaraguan government.

Long's Trouble Is Being Sought

GALVESTON, Tex. (AP) — A medical spokesman said Monday doctors are trying to determine "what specific psychiatric problem, if any" is troubling Louisiana Governor Earl K. Long.

In cautious statements, Dr. John B. Truslow said "every attempt is being made to achieve his co-operation with continuing studies." The statement indicated without specifically saying so that the governor is resisting care.

The governor flew here Saturday from Louisiana's capitol of Baton Rouge and was placed in the hospital's psychiatric clinic under care of Dr. Titus Harris, internationally known psychiatrist.

The trip followed Long's tantrum-like outbursts before the Louisiana Legislature.

Labor Nominated Arthur Roberts

OTTAWA (CP) — An Ottawa man was nominated by railway labor for the recent appointment to the Unemployment Insurance Commission, the Commons was told Monday.

He was Arthur J. Roberts, 52, a member of the Brotherhood of Maintenance of Way Employees and chairman of the Ontario legislative committee of the International Rail Brotherhoods.

Mr. Roberts was proposed by the joint legislative committee of the brotherhoods. The appointment went to Alistair F. MacArthur of Toronto, Canadian head of the Office Workers' Union.

The Canadian Labor Congress—which had submitted three other nominees to Labor Minister Starr—protested the MacArthur appointment. The rail brotherhoods said later they had no quarrel with Mr. MacArthur's appointment.
