'Big Jim's' Swim

IT'S HARD to understand how a man can be ridiculed for years because he has some big ideas, and yet be credited a great contributor to the welfare of his province when his dreams finally come true.

Take Jim Pendergast. Since boyhood this hardiest of all Islanders, dreamed of having a contest to see who could be the fastest to swim the rugged nine-mile Northumberland Strait. Years ago they called his dream impractical. More recently, until last July in fact, his idea was laughed at.

They don't laugh at "Big Jim" anymore though. Last July 27 the aging Islander's dream came true. Nine swimmers entered the choppy Stait at 9.10 that morning. John LaCoursiere, a week before third place finisher in the Atlantic City marathon, pulled himself from the water seven hours, 10 minutes later, the winner. The only other person to finish, John Starrett of Natick, made it in 10 hours, 35 minutes.

Although only two persons finished, the day was a great success. Thousands of persons turned out to celebrate the swim and "Borden Day", and the swim received nation wide coverage. For his efforts "Big Jim Pendergast was named "Islander of the Year."

Jim is taking a side-row seat this year, but the swim is scheduled to come off August 1.

La Coursiere Coming Back

LAST YEAR'S winner, LaCoursiere will return to defend his title and has promised to bring some top notch talent with him.

Competing for the $3,000 in prize monies this year will likely be such notables as Claudia MacPherson, last year English channel conquerer; Herman Willeveise, last year winner of the 24-mile Lake St. Jean swim; and Greta Anderson, CNE winner two years ago.

Indications are that the Island will be represented by Dave Biggar, "Turk" Arsenault, Morgan Mitchell and Helen Carragher. There will probably be a prize for the best performance by an Islander.

This year's monies will be handed out in the following manner: 1st—$2,500; 2nd—$1,500; 3rd.—$600; 4th—$300; 5th,—$100. The swim begins at 9 a.m. from near the Tormentine pier. Those finishing must swim between the CNR pier and Fisherman's wharf, on the Borden side.

The organizing committee consists of Jim MacCormack, chairman; Alan Ostway, director of power boats; Arnett Bell, recording and accommodation and Jim Pendergast, promotion and liaison. Borden Mayor Gilbert Bell is honorary chairman.

Off The Cuff

SUMMERSIDE'S softball league had its opening Monday night with a double-header featuring one good game and one mismatched game. Enman's edged the RCAF 3-2 but Coastal Movers whipped Inman Plumbing 22-3. We hope Inman's can come up with a few additional players and pull even with the other three clubs. If Inman's are beaten that badly in their next few games it would be unfair that all of the other three teams transfer a player or two to the plumbmen. League balance is very important . . . . . BERNIE GEOFFRION made a smart move by retiring while he still had the respect of the fans and NHL players. Undoubtedly, he was scared of being shipped to Boston or possibly Toronto. That Toronto shift would be an awful fate for a Montreal star. . . . . Minnesota won a free game from Los Angeles Monday night as CAMILO PASCUAL tossed a four-hitter. TONY OLIVA hit his 10th homer . . . . . The Charlottetown Senior Softball League is getting a lot of opposition from the five team Commercial League this season. Several former senior players have shown up with Commercial teams in recent games. Competiting in Maritime Senior "B" ranks when the playoffs come around, the City boys will consist of BIS Shamrocks, National Park, Barry's Lions, and Main Brace. . . . . The Summerside Town Baseball League has called for a practice at Q.E. Park, 6 o'clock tonight.

Bankers Trounce Mounties 24-11

The bankers walloped the RCMP 28-11 in Charlottetown Commercial League action last night. The bankers were ahead 9-1 at the end of two innings and the outcome of the hit was never threatened from this point on.

Gordon Arsenault was the winning pitcher, and he only gave up seven hits. Sweet of the Mounties was tagged with the loss as he gave up a total of 24 hits.

'IKE' IN PREPARATION

Former President Eisenhower, right, playing a benefit golf match for the Heart Fund, is greeted at Merion Golf club at Ardmore, Pa., by his partner, Arnold Palmer, second from left, and the pair he and Palmer will oppose. They are Ray Bolger, left, dancer-comedian, showing Eisenhower his putter, and Golf veteran Jimmy Demeret. It will be the first time Eisenhower ever played a round of golf open to the general public. When Bolger showed Eisenhower the putter, Ike remarked: "I steal all the putters I can."

Major League Baseball Action

CHICAGO (AP) — Casey Stengel, humorous manager of the New York Mets, was beside himself following his club's 19-1 victory over the Chicago Cubs Tuesday.

"Well, I supposed most of the club owners will be trying to contact men now to get my players," Stengel said with a laugh.

Before the game, Stengel was moaning the only player any other club was seriously desiring in a trade was pitcher Al Jackson.

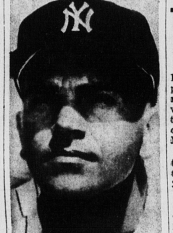
"Who knows," said Stengel, "Ed Short general manager of the Chicago White Sox might want to get Charlie Smith back. It'll cost him a little more than we paid for him."

The Mets recently purchased Smith from the White Sox. Smith had three hits including the game's only home run.

YANKS NIP INDIANS

NEW YORK (AP) — Bobby Richardson rapped a base hit through the drawn-in Cleveland infield in the ninth inning giving the New York Yankees a 3-2 victory over the Indians Tuesday night.

After Clete Boyer bunted him to second, pinch hitter Tony Kubek drew an intentional walk.



BOBBY RICHARDSON

Phil Linz singled but Howard was held at third base. After the Indian infield pulled in for a play at the plate, Richardson singled past Max Alvis to drive in Howard.

Earlier Richardson had belted two two-out triples but was stranded when Indian starter Mudcat Grant retired Roger Maris in the fifth on a grounder and in the seventh on a pop fly.

Pete Mikkelsen relieved Whitey Ford in the ninth inning after the Yankee starter allowed one-out singles to John Roamno and Jerry Kindall. The rookie right-hander got Woody Held on a bouncer and then retired Grant on a line drive to Tom Tresh.

SOX DOWN SENATORS

BOSTON (AP) — Ed Bressoud's run-producing single in the ninth inning gave the Boston Red Sox a 3-2 victory over Washington Tuesday night.

The Red Sox got started in the ninth when pitcher Earl Wilson led off with a walk. Dalton Jones' single sent him to third and Bressoud's single snapped the 2-2 tie.

Jim King hit for the cycle for the Senators, collecting a single, double, triple and homer in four trips to the plate. His solo homer — his fifth of the season—tied the score 2-2 in the sixth.

King doubled home Chuck Hinton, who had singled in the first inning. In the third, the Senators outfielder singled, but was thrown out at second trying to stretch it. King completed the cycle by clouting a triple with two out in the eighth inning.

PIRATES, PHILLIES

PITTSBURGH (AP) — The Pittsburgh Pirates scored 10 runs in the first two innings Tuesday night — four on Jim Pagliaroni's grand slam homer —and routed National League leading Philadelphia 13-4.

The Pirates shelled southpaw Chris Short and reliever Dallas Green for six hits and five runs in the first. Manny Mota homered for the only earned run.

A second run scored on Bobby Wine's wild throw with two away, and the error opened the gates for three more runs. Don Clendenon and Bill Mazeroski and pitcher Vern Law followed with singles before the side was retired.

In the second, Robert Clemente tripled and Gene Freese doubled him home with another Pirate run. Green then gave up two more walks, loading the bases for Pagliaroni.

COLTS TOP BRAVES

MILWAUKEE (AP) — Houston's Dick Farrell became the majors' first seven-game winner Tuesday night, limiting Milwaukee to four hits in the Colts' 4-2 victory.

Farrell, who has lost on, once struck out 11 in stopping the Braves, who had cracked 43 hits in winning their last three games against St. Louis.

The Colts backed Farrell's pitching with an 11-hit attack, led by Mike White, who collected a double and three singles in raising his average to .395.

Al Spangler led off the game with his first homer of the season. The Colts added another tally in the third and two more in the fifth on Rusty Staub's triple in handing Milwaukee starter Tony Cloninger his fourth defeat in seven decisions.

Eisenhower Steals The Show

ARDMORE, Pa. (AP)—Gen. Dwight D. Eisenhower stole the play and the gallery from partner Arnold Palmer Tuesday in winning a charity golf exhibition from Jimmy Demaret and dancer Ray Bolger over the Merion Golf Club course.

The Eisenhower - Palmer team, playing par golf, trounced their opponents 3 and 2.

With the match over at the 16th, officials asked Palmer if the match should continue the last two meaningless holes.

"It's up to the general," the four - time Masters champion said.

The former president, tanned and fit for his 73 years, turned to an aide who said, "I think it would be better if we leave, general."

"Ah, let's go on and play it out," Eisenhower said. Then he proceeded to the 17th hole where he ran in a 40-foot putt over two rolls for a birdie deuce.

"You're great, Ike," some of the crowd yelled.

The fabulous putt on the 17th was just one of a half - dozen key shots turned in by the spry former president whose golf up to now has been a classified secret.

Possible Umpire Strike

CHICAGO (AP) — —The National League Umpires Association served an ultimatum Tuesday that if the baseball umpires do not receive a pension increase by July 3 the group may be forced to go on strike.

The announcement was made by attorney John J. Reynolds of Chicago, who represents the organization. The association comprises 20 umpires.

Eighteen of the umpires met with Reynolds in Chicago Monday and drafted a letter which was sent to Warren Giles, president of the National League, and to each of the clubs.

S'side Track Committee Facing Billeting Problem

"Our big concern right now is billets", said Charles Ballem, secretary of the organizing committee for the Eastern Canada age class track and field championships meet that will be held in Summerside July 24 and 25. This was the second meeting regarding the sticky problems confronting the committee in preparation for one of the biggest meets in Canada.

Indeed the problem of billeting is great as 300 athletes have to be accommodated. Despite the fact that billeting forms have been printed and distributed in the surrounding Summerside area with little success the one possibly big hope lies in the possibility of publishing billeting forms in local newspapers for two consecutive days in an effort to house the athletes from various parts of Canada.

Naturally, since the age class meet will begin on Friday July 24, a tentative official opening has been scheduled at 3 p.m. that afternoon with opening addresses to be made by prominent dignitaries.

Billeting is not the only problem. The question of officials, publicity releases and name stars remain to be solved; but officiating appears to be straightening out. Meet director, Dave Boswell has estimated 30 officials and approximately 23 other minor officials will be necessary to carry out an efficient track meet. As far as publicity releases are concerned the only thing that can be done is wait and see what name athletes are actually coming and then the organizing committee will act accordingly. Even the CBC have been contacted for coverage of this track meet but then again the question of what 'names' are going to be competing will have to be considered for any serious commitment by the CBC.

Discus thrower Bob Simmons of Charlottetown and pole vaulter Alf Groom both top ranking Canadian performers will be performing; but they need some one to compete against.

The best bets, but nothing definite, appear to come from the possibility of discus thrower Dave Steen of British Columbia for Simmons and a vaulter from the United States to match Groom but no name has been mentioned.

If Simmons and Groom get the competitors it will aid them in their preparation for their Olympic trials in St. Lamberts Quebec in August.

New York Mets Blast Cubs 19-1

CHICAGO (AP) — The New York Mets, establishing career highs in hits and runs, overwhelmed the Chicago Cubs 19-1 Tuesday, pounding six hurlers for 23 hits, including a home run by Charlie Smith.

Dick Smith cracked a double, triple and three singles to become the first player in Met history to collect five hits in one game. Charlie Smith batted in five runs.

Given this unusual support, Jack Fisher went the route with a four-hitter for his second victory. It was the right-hander's first complete game since he went nine innings for the San Francisco Giants on May 3, 1963. Since then he had gone 16 incomplete games.

Bob Buhl, the Cub's starter, lasted less than an inning. The Mets roped him for four runs and handed him his second victory in six decisions.

Joe Christopher's triple scored two runs in the second and he came home on a passed ball.

The Mets added two more runs in the fifth, four in the eighth, and closed their scoring with six against Don Elston in the ninth.

The previous highs for the league tailenders were 16 hits, reached several times, and 14 runs in a 14-5 victory over Houston, July 5, 1963.

Commercial Loop Softball Action

SUMMERSIDE — Wardangels handed the Bank of Commerce a 16-5 hammering in commercial league softball action at Queen Elizabeth Park last night. This was the second straight win for the Wardangels, giving them a perfect record.

The Wardangels are now on top of the league; one half game ahead of Johnston's Sheet Metal Workers.

Jim MacFarlane hurling for Wardangles was belted for 20 hits, including a home run by Commerce shortstop Ken Gunn and a 3 for 3 plate performance by Donnie Sheen; but allowed the Bankers only the five runs.

Commerce pitcher, Fred Jardine was also raked hard, although not as heavily as MacFarlane, permitting 11 safeties.

Jim Rogers had a perfect night for Wardangels going 3 for 3 and Clayton Ward, from the same team pounded out 3 hits in 4 trips.

Glenn Roberts On Injured List

CHARLOTTE, N.C. (AP) — Glenn (Fireball) Roberts remained in critical but conscious condition Tuesday, more than 48 hours after receiving severe burns over most of his body in a three-car pile-up in the World 600 stock car race.

About 20 per cent of his body was burned, over 90 per cent receiving third-degree burns, in a fiery crash that knocked the 33 - year - old Daytona Beach, Fla., driver out of the 600-mile race at Charlotte Motor Speedway Sunday in the opening minutes.
