BRACKLEY W. L.

The July meeting of Brackley W. L. was held at the home of the president, Mrs. Leslie Prosz. Two members answered roll call. Two visitors were present. One new member, Mrs. Merrill Miller, joined the institute.

It was decided not to hold a meeting in August. Reports of committees were heard. New committees were appointed. It was decided to hold an ice cream festival, the date of which to be set later. Committees for the festival were appointed.

The group membership for the Drama Festival Association was paid as this association was originally sponsored by the Women's Institute. It was felt all institutes should support it. Mrs. Guy Pierce stated the work on the school grounds had been completed. Playground equipment is to be purchased.

Modern living conditions are responsible for most of the sneezing, puffing, nose blowing and coughing we hear.

The Lithuanian bride-elect not only fills her own hope chest, but also prepares one for her fiancé. After the marriage she presents the groom with at least one complete outfit, made by her own hands.

In Puritan days in the New England states, the bride was married in her birthday suit. Why? So that her husband could not be held responsible for debts contracted by her prior to her marriage.
