JOHNS-MANVILLE DON'T GAMBLE ON HOME INSULATION

Just any insulation won't do a completely satisfactory job. For maximum comfort and fuel savings, insist on the BEST. Johns-Manville's Longfibre Superfelt Rock Wool Batt with its many advantages insures a perfect insulating job. This outstanding J-M Batt is strong, tough and firmly felted. Unlike ordinary batts, J-M Longfibre Rock Wool Batts fit snugly between the joists and rafters. They won't sag or settle. They provide a thick, fire-proof blanket of insulation with no voids or thin spots through which heat can flow.

OUTLAWS SEGREGATION

WASHINGTON, June 5 (AP)—The U. S. Supreme Court today outlawed segregation of negroes in railway dining cars. By an 8-0 vote the high tribunal declared such segregation violates a section of the Interstate Commerce Act which prohibits "any undue or unreasonable prejudice" to any person using the railroads.

Clubs, and he gave the opening key-note address on Saturday evening. He proved to be a most inspiring speaker.

The Sunday morning session at the Y.M.C.A. opened with a worship service conducted by Rev. James Davison, local Club Chaplain. Forums and discussion groups followed during the morning, including a report by Mr. James McConnell, former General Secretary of the Charlottetown Y.M.C.A. Mr. McConnell spoke on his work with the Maritime Boys Work Extension Committee, a work which has been well supported by Y's Mens Clubs.

Sunday Luncheon was held at the Y.M.C.A. and members heard an eloquent message from Mr. J. Duckworth, Secretary of the Halifax Y.M.C.A., who spoke on the subject: "Our Spiritual Heritage". Further business periods were held Sunday afternoon. Dr. Ernest Bell of the local club, and an international director, reported that his committee on stamps had turned over \$1,500 to the Bishop Fund. This fund is raised by Y's Mens clubs by sending in used stamps, and the sales account for this splendid total. The money is used to bring European and other delegates from a distance to the International Convention held each year.

Sunday dinner was held at the Charlottetown Hotel, and members heard a very interesting address from Brigadier W.W. Reid, D.S.O., who spoke on wartime reminiscences. A presentation to Mr. and Mrs. Henry Grimes was made by the local club, the present being a suitable picture of an island scene. This was followed by a church service at the Y.M.C.A. which was attended by well over 200 delegates and friends. This was conducted by Y's Men members, Rev. M. Dunbar and Rev. Jas. Davison. Mr. Henry Grimes showed a large number of lovely coloured slides of Mexico, which is the location of the 1950 International convention. Mr. and Mrs. O.K. Presby will be the local club delegates to this international gathering. The evening closed with a social period with refreshments served by the Menettes.

The closing sessions were held on Monday, commencing at 9:00 a.m. A forum and discussion on Boys' Work was held under the chairmanship of Don Hills of Halifax, assisted by Nelson McEwen of Saint John. The final luncheon was held at the Y.M.C.A. at noon, when awards were presented, and new officers installed by Past District Governor Ralph MacLean. The Bennett trophy for excellence in Club program and reporting was won by Saint John Club.

The World Outlook Trophy was captured by Fredericton Club, the Bulletin Trophy for the best club bulletin was also won by Saint John, and the Stamp Trophy for turning in the most stamps was won by Halifax. The District Regional Secretary, Roger Rand of Yarmouth, thanked the outgoing officers. He was himself honoured with a suitable presentation for outstanding contributions made to Y's Mens work during the past two years. A pleasing interlude during the conference was the sale by auction of a cup and saucer, which resulted in a donation of \$150.00 to the Manitoba Flood Relief Fund.

Officers Elected

Newly elected officers were as follows: Regional Director, Alf Reynolds of Sydney, District Governor, Charles Mercer of Summerside, and Charles McIlven of Saint John. An invitation for the 1951 District Convention was extended by Moncton Club and was accepted. Fred Gamble, General Secretary of Charlottetown Y.M.C.A. officially closed the conference with prayer.

The wives of visiting delegates familiarly known as Y's Menettes, held several special functions, organized by the Charlottetown Menettes, who proved to be excellent hostesses to over 50 visitors. Mrs. Neil D. MacLean was in charge of this part of the conference program assisted by a large number of local Menettes. All lady delegates were entertained at a luncheon on government

Observes 50th Anniversary Of Ordination

Special services were held at Trinity Church on Sunday, commemorating the 50th anniversary of the ordination of Rev. H. C. Rice, B.A., D.D.

Both morning and evening services were very well attended and were conducted by Rev. H. E. D. Ashford, M.A., M.B.E. Rev. Ashford was assisted by the Rev. E. S. Weeks, B.A., B.D., of Bedouque, and the Rev. G. Ayers of Summerside, both supernumerated ministers.

Dr. Rice, who is visiting minister of Trinity, expressed his pleasure in celebrating his anniversary with the congregation of Trinity and Rev. Mr. Ashford. He spoke of being Mr. Ashford's pastor in Newcastle, N. B., many years ago, and stated that it was a great pleasure to be associated with him in the work of Trinity United Church. He also referred to the presence of Mr. Weeks and Mr. Ayers, and commented on the many pleasant associations he had experienced with these two gentlemen. Dr. Rice spoke of the contributions made by Mrs. Rice to his work in the ministry, and wished to associate her with himself in the observance of the anniversary.

Sermons, both morning and evening, were given by Dr. Rice, who chose as his morning text, John II and 28, "The Master is here, and call for Thee". This was the same text which Dr. Rice had used for his first sermon, many years ago.

The morning sermon dwelled on the intimacy of Christ with the people in the daily experiences of life. At the conclusion of his sermon, Dr. Rice stated that if he were to have the opportunity of living life again, he could choose no other than the joy of life in the ministry.

At the evening service, Dr. G. D. Steel assisted, and referred to his long acquaintance with Dr. Rice. It was very fitting that Dr. Steel should be present to assist in the anniversary service, as it was Dr. Steel's father who ordained Dr. Rice in Moncton.

The subject of the evening sermon was "Looking Forward", which very aptly describes Dr. Rice's viewpoint on life. He is a consummate optimist, and has no sympathy with prognosticators of dismal vision who are always predicting dire calamities for the future. "If I was to venture any guess," he said "I would say that the world is just beginning."

Music of the day was of a high order under the direction of Professor A. R. Kendall. Solos were sung by Mr. Lorain McLellan and Miss Kaye McEachern, and two anthems were given by the choir. After the evening service, a reception was held in the social hall of the Church. Mr. Fulton Pierce presided, and Dr. Steel read a beautifully illuminated address which was presented to Dr. Rice. After a few well chosen words, Dr. Lydard Shaw presented Dr. and Mrs. Rice with a voucher for return tickets to Richmond, Indiana, in order that they might visit their daughter, Mrs. Carlton L. Page. The voucher was accompanied by a substantial purse. A beautiful mixed bouquet was presented to Mrs. Rice by Miss Bonita Smallman, after which refreshments were served, and the guests received by Dr. and Mrs. Rice.

Sunday at Cavendish, and on Monday at the Charlottetown Hotel. They were also present with the male delegates at the two evening dinners on Saturday and Sunday. Those who remained in the city Monday evening were entertained by the local club with a dinner at Sandy's Restaurant. Resolutions of thanks and appreciation were rendered to the Y's Menettes and to the Ladies' Auxiliary of the Y.M.C.A. by the conference, and the local Y.M.C.A. Board and staff were also thanked by the conference, scores of whom took the opportunity to tour the local building, which proved to be well suited for the entertainment of this conference, which was the largest event of its kind yet held in the new Y.M.C.A. Dr. Ray Barrett, vice-president of the Charlottetown club was the efficient secretary for the whole conference period.

HALIFAX, June 2.—New markets for Maritime seafoods farther afield than have been accessible up to the present time are being developed by the Canadian National Express, through research and experiments being conducted by the company. F. N. Wiggins, general manager of express for the system, told news men today.

"We have been making tests for some time to improve our production service and the Maritimes with its large production of fish and other perishable commodities will greatly benefit from their results," said Mr. Wiggins, who arrived here Wednesday on another leg of an inspection tour of the Company's facilities in the Maritimes, accompanied by R. A. Gordon, superintendent of the Atlantic Division, Moncton. A new idea for handling small, less-than-carload perishable express shipments under refrigeration has been successfully tried, he stated. This new development would expedite the handling of such packages and in many cases would create new business for Maritime firms that wasn't possible before. "We are placing the first over-iced express refrigerator cars in Maritime service," said Mr. Wiggins, "and expect that the complete initial order of 100 will be completed next month. These new cars, a type which the Canadian National pioneered in America, will reduce the cost to shippers of perishable traffic and permit the carriage of shipments much longer distances, than heretofore was possible."

The new cars were longer, he said and permitted them to handle loads of approximately forty tons. There was no need to reopen the car once it was sealed until it reached its destination. Halifax was one of the most important terminals in all Canada, said Mr. Wiggins. In fact, the volume of express traffic handled by the company from that point was greater even than during the peak period of the war. He expected business this year to at least equal that of last year.

Successful Kinsmen Carnival Concludes

Over two thousand were in attendance at the closing night of the Kinsmen Carnival last Saturday evening.

The highlight of the evening was the drawing for the five prizes including the Chevrolet Sedan. Mr. George Wood, Field Secretary of Canadian Institute of the Blind, made the draw. Mr. George Hurry of Winslow was the winner of a Green watch. The three "Fruit Pantry" prizes of \$60, \$40 and \$25 were won by Mr. Everett Wakeland, Mr. Jack Middleton, and Mr. Frank Orford respectively. The lucky winner of the Chevrolet car was Mr. Roger Whynot, a well known Canadian middleweight boxer.

Dr. L. I. Duffy addressed the attending public officially closing the carnival. He thanked all those who had helped to make the carnival a success and he expressed his gratitude to the great numbers who attended the three nights of the worthy drive. Dr. Duffy also pointed out that the returns of the carnival would be used in the coming year to further the work of the Kinsmen Club in helping the young folk of Charlottetown.

Ordination At Fort Augustus

Rev. Allan F. MacDonald, Glenfinnan, was ordained to the Holy Priesthood Sunday by Most Rev. James Boyle, Bishop of Charlottetown at St. Patrick's Church, Fort Augustus. A large congregation attended the ordination ceremony at 10 o'clock mass.

His Excellency Bishop Boyle offered Mass assisted by Rev. G. A. MacDonald and Rev. William Simpson of St. Dunstan's University. Father MacDonald was assisted by Rev. J. A. Sullivan of St. Dunstan's. Rev. W. McCordie was master of ceremonies.

Rev. George A. MacDonald preached the ordination sermon, on the vocation of the priesthood. He congratulated the parents and family of the young priest.

His Excellency spoke to the congregation on the need of priest and congratulated the family of the newly ordained and also the parishioners on having another of their members enter the priesthood.

Present in the sanctuary were: Rt. Rev. Rev. V. MacKenzie, Rev. W. V. MacDonald, Rev. George A. MacDonald, Rev. George MacDonaid, St. Margaret's, Rev. Wm. Simpson, Rev. J. A. Sullivan, Rev. O. Sharkey, Rev. J. A. Sullivan, Rev. Louis Callaghan, and Rev. W. McCordie.

Father MacDonald will offer his first Solemn Mass in St. Patrick's Church, Fort Augustus next Sunday.

Seeking To Improve CNE Refrigeration Service For Maritimes

Will Celebrate Diamond Jubilee

The 50th anniversary of the ordination to the priesthood of the Very Rev. A. A. Macaulay, parish priest at St. Peter's Bay occurred yesterday. He will celebrate this memorable jubilee on Tuesday, July 11.

The oldest priest in the Charlottetown diocese, Monsignor MacAulay was ordained in 1890 after graduating from St. Dunstan's University in 1887. For the past 37 years he has been pastor of his native parish, St. Peter's Bay.

A brilliant student, his scholarly interests have been chiefly in theology, literature and history. For some years he was a teacher at St. Dunstan's University.

During his years in the priesthood he has held pastoral charges in Morell and Hope River, in addition to those of his present parish. He was also secretary to the late Bishop MacIntyre.

During his period at St. Dunstan's University he introduced the game of English rugby to the campus of that institution. He has long been a member of the Board of Governors of the College and is its oldest priest-alumnus.

guide communicated with each other by walkie-talkies and with army search headquarters at Chateau Bigot.

Brig. J. V. Allard, commanding officer Eastern Quebec Military District, is directing the army work in co-operation with Provincial Police headed by Lt. Martin Healy.

Residents in the vicinity of Chateau Bigot said black bears have been seen in previous years in the district's woods but none have been spotted recently.

There have been no reports of previous attacks on people by bears in the area, police said.

1,000 Aid Search

Volunteers from municipalities surrounding Chateau Bigot and from Quebec, joined the search, bringing the total of searchers late today to about 1,000. Some Quebec firms sent sound trucks with announcers constantly crying "Nicole, Nicole". The trucks were driven through back country farm roads and wood-countries lanes.

One searcher, Pierre Vezina, who joined the search Saturday night, said he believed it unlikely that Nicole will be found alive. He said the woods were too thick for a three-year-old to survive more than a few hours.

An airplane operated by Quebec Aero Club flew over the area in the hope of finding tracks left by Nicole.

The plane maintained radio communications with ground army patrols. Every foot of a five mile square area around Chateau Bigot where Nicole was visiting when she disappeared has been searched, Lt. Realy said.

Man Questioned

Possibility of foul play in the case was discounted by police following questioning of an unidentified man early today. Reports said the man was questioned on his actions Saturday afternoon.

Nicole was last seen playing in the rear of L. D. Breton's home at Chateau Bigot where she was visiting with an older sister, Jeannine, 17.

With her was Nicole Bilodau, a neighbor's girl about Nicole's age, who said she last child was into the woods. Nicole's tricycle was found near the Breton house.

Life Insurance Company Official On Visit Here

"I have found the people of the Maritimes more friendly than any others I have ever met, and that includes the people in Western Canada with their reputation for hospitality," stated Mr. G. P. Thomson, Assistant General Manager and Joint Actuary of the Excelsior Life Insurance Company, Toronto last night, as he commented on the amiability of different peoples.

Mr. Thomson arrived in Charlottetown Sunday on one of the laps of a Maritime tour he is making. He is visiting Mr. Stewart Lives, District Manager of Excelsior Company for P. E. I. and is accompanied by Mr. D. S. K. Skinner, C.L.U. of Saint John, Provincial Manager for New Brunswick.

Although he spells his name Thomson he states he is no relation to Jimmy Thomson, famed defenseman of the Toronto Maple Leafs. He is a pretty fair sportsman, however, as attested by the fact that he caught seven trout yesterday morning "and the biggest one got away." He also caught a good sun and wind burn.

His trip to the Maritimes is occasioned by the celebration of the 60th anniversary of the founding of the Excelsior Company. On a good will tour with short stopovers, he will leave here tomorrow.

Mr. Skinner also has some good will from P. E. I. He has just finished an insurance competition in which he won the Eastern Canadian Shield through great deal of assistance from this Province.

patchwork quilt had been quilted since last meeting at the home of Mrs. Alex Chappell. Lunch collection amounted to \$1.90.

An address was read to Mrs. Cornelia McKinnon who had moved to Summerside by Mrs. James Harris and a presentation of a tablecloth and eight napkins was made by Mrs. Ray Harris. Mrs. McKinnon graciously expressed her thanks. A wall mirror was later presented to Mrs. Collin McDonald who had also moved to Summerside but was unable to be present. A bountiful lunch including ice cream was served by the hostess and committee in charge. Mrs. Reginald Compton invited members to her home for the June meeting.

HAMILTON W. I.

Mrs. Preston Ramsay was hostess to the Hamilton W. I. on Tuesday evening May 2nd. The president conducted the meeting which opened with the creed. Sick committee had no report. Finance committee had no report.

Correspondence was read. Salvation Army. It was decided to canvass the district as customary. Mrs. James M. Ramsay, Mrs. David Ramsay, Mrs. James A. Ramsay and Thersa Bryenton acting as canvassers. A letter was read regarding an offer on yarn, but due to the lateness in the season the matter was dropped.

Messages of thanks for fruit were received. It was moved and seconded that Mrs. Neil Simpson and Mrs. William Ramsay be a committee to see that a paper on education is prepared for the district convention.

An appointed committee reported from a recent meeting held about enlarging the hall and that the men thought it would be best to enlarge the kitchen and stage 14 feet instead of 16 feet. The difference of 2 feet being too great an expense for the advantage it would give, as heavier materials would be required. It was moved by Mrs. James A. Ramsay and seconded by Mrs. James M. Ramsay that \$50.00 bond be given to the hall finance committee. Bill for one box of fruit was presented.

It was moved and seconded that the Institute remember all sick and shut-ins this month. Collection amounted to \$2.61. The patches were taken off the apron which went the rounds of the district, the total of \$9.00 was received from these patches. \$1.40 was received for capsules. \$4.65 was taken in from an auction held after the meeting.

Ferry Service May Be Delayed

OTTAWA, June 5—(CP)—Start of a new ferry service between Nova Scotia and Maine may be delayed until 1952, Transport Minister Chevrier today advised T. A. M. Kirk (L—Digby-Yarmouth) in the Commons.

"Every effort will be made to place the vessel in operation in 1951," the Minister said in a written reply to questions. "But delays in building and delivery of materials may prevent the operation of the vessel until the opening of the 1952 season."

Employment On Increase In U. S.

WASHINGTON, June 5—(AP)—More than a million new jobs opened up in the United States in May, giving the country its biggest employment
