

Dodgers, Chicago Cubs Battle To 1-All Tie In Game Called By Rain

(By The Canadian Press)

Righthander Billy Loes of the Brooklyn Dodgers struck out five batters in succession against the Chicago Cubs last night, two short of the modern major league record, as the two clubs played to a 1-1 tie.

The game was called because of rain with the Cubs at bat in the seventh inning. It will be replayed at a later date.

After the first two batters singled in the first inning, Loes fanned the side and got the first two men in the second inning on strikes. His performance almost equaled that of Ben Wade, another Dodger righthander, who struck out six Pittsburgh Pirates in succession Saturday.

The result, left the Brooks tied with the New York Giants for the National Baseball League leadership. Turk Lown, for the Cubs, didn't give Brooklyn a hit until the fifth inning.

The St. Louis-Philadelphia game was rained out. In the only other National game, Sal Maglie of the Giants made it seven in a row for 1952 and 10 in a row over a two-year stretch as he hurled the New Yorkers to a 4-0 shutout victory over Pittsburgh Pirates.

Maglie hasn't lost a National League game since last Sept. 13, when he bowled to the Cardinals in St. Louis 6-4.

Maglie allowed seven scattered hits, all singles, walked only one and fanned six to run his league-leading total to 42 strikeouts.

It was the veteran righthander's second shutout of the year. He blanked Brooklyn 6-0 April 20. Maglie has allowed seven earned runs in 62 innings for an average of 1.02.

Third baseman Bobby Thomson supplied the batting power for the winners, driving in all four Giants runs with a double and two singles to pace an eight-hit attack on Howie Pollet, Bob Friend and Ted Wilks.

Manager Lou Boudreau's sharp-finding oldtimers barreled through for the second straight day to give Boston Red Sox a 3-2 American League victory over Detroit Tigers. The victory, credited to rookie Bill Henry, lifted the Red Sox into a virtual second-place American League tie with Washington. It was the league's only scheduled game.

Veterans Walt Dropp and Clyde Volmer drove in the winning runs in the seventh inning with outfield flies. And Ellis Kinder and Mel Parrnell, two more veterans, came in to save Henry when the Tigers started rapping the ball.

Sparked by shortstop Vern Stephens, the Boston infield ripped off four double plays.

Slade-Pompee To Fight In London

LONDON, May 19 (AP)—Jimmy Slade of New York was signed today to meet Yolande Pompee, unbeaten Trinidad light heavyweight, in a 10-round bout at London's White City Stadium June 10.

This will be the main supporting fight on a card topped by a British light heavyweight title bout between champion Don Cockell and Randy Turpin, former world middleweight champion.

Plan N. S. Senior Tennis Tourney

HALIFAX, May 19 (CP)—The 1952 Nova Scotia senior tennis tournament will be held at Saint John Georges Lawn Tennis Club, Dartmouth, Aug. 4-9, it was decided at an executive meeting of the N. S. Lawn Tennis Association here during the weekend.

The tentative date of the Nova Scotia junior meet was set for July 21. Venue of the tournament will be announced later.

An extra event was added to this year's senior tournament. It is a men's intermediate singles open only to Nova Scotians. The age limit for this event is over 18 and under 23 on Jan. 1. This event, it is hoped, will assist players who have passed from junior ranks and are not yet up to the standard of seniors.

Bernie Creighton, Halifax, was elected secretary-treasurer to take the place of Mrs. Hazel Baxter, Sydney, who resigned.

Attending were Roy Semple, Sydney, president of the N. S. L. T. A.; Mrs. Elizabeth Zink, Liverpool; Foster Cox, Truro; Mrs. R. J. Conrod, Margaret Calder, Bev. Piers, Hal Liqueuse, Billy Pope and David Pigot, all of Halifax.

Sport Echoes From Prince County

We were profoundly shocked to hear of the tragic death of the Islanders' redoubtable defenceman, Johnny Dutnack. Hockey fans will not soon forget Johnny's spirited rushes up the ice in the Charlottetown Forum. He was a fearless hockey player, and a crowd pleaser at all times.

The Summerside Curran & Briggs Juniors held a very enthusiastic practice over the weekend with Bob Schurman in charge. All teams will have had at least one practice by the time this reaches print, as the Holman Intermediates, the last to take off the winter wraps, get into action at the Recreation Grounds Monday night.

Many more boys signified their intention to play in the "Little League" than can be looked after by the four sponsoring clubs, Kinsmen, Y's Men, Rotary and Legion. Four teams could not handle more than about 70 boys, and it is reported more than twice that number want to play. It is hoped that all the kids will be accommodated.

The Ladies Softball League will get under way on May 24th, when the Lippy Gaudet coached "Aeneas' Cubs" take on their old rivals, the PMQ's of the airport. It is reported that the Better Halves are stronger than ever this year, but Lippy is confident his team is the best in the circuit. Those who throw cold water on a league more quickly than one of the teams acting as doormat for the others to trample on. It is much better that they stay out of the League than that.

The official cards for signing ball players to the various clubs are expected to arrive in Summerside Wednesday. There will probably be no grab fest here when the signing starts. The juniors have priority rights to boys in their age group, and the R. C. A. F. are restricted to their personnel, which no other team can raid. It is possible the C & H management may turn over a few juniors to the Holman team, which is expected to be a little short of material this summer.

Enthusiasm continues to grow for the new "Mayor Wedge" scheme to build a new indoor rink in Summerside. When eight ladies of the town forming the "Oxio Club", which has been organized exclusively to help the hospital, take up a collection among themselves for the new venture, that is a definite sign that our citizens are solidly behind the scheme.

Major League Baseball Attendance Holds Up

By Jack Hand

NEW YORK, May 19 (AP)—Despite a staggering total of 39 postponements due to the cold and rainy spring, major league baseball attendance is running parallel to the 1951 figures.

The total for both leagues is 2,676,687 for 205 home dates through Sunday as compared to 2,685,266 for dates at this time last spring.

Figured on a per game basis the majors are drawing 13,056 every day they open the gates this season as compared to 13,070 a year ago.

Hardest hit by the chill, damp weather are the New York Giants and Boston Braves. The Giants were washed out of two Sunday dates and an entire series with Brooklyn. Boston hasn't been able to get in a home Sunday yet with three straight postponements.

Consequently the Giant attendance is way down and the Braves are struggling along with an average of only 4,361 a home date and 39,156 total for their first nine Braves Field dates.

The St. Louis Browns show a startling 300 per cent jump from 3,734 to 10,647 average on the strength of the vastly-improved team fielded by Rogers Hornsby and their sensational early start. The Chicago White Sox also show a healthy increase.

Nine of the 16 clubs are down in attendance including the world champion New York Yankees with a 20,241 average, a drop of 2,000.

"Bud" Poile Signs Contract With Edmonton

EDMONTON, May 19 (CP)—Norman (Bud) Poile, a former National Hockey League player, has signed a contract as playing-coach of Edmonton Flyers of the Western Hockey League.

Manager Jim Paul announced today that the 28-year-old Poile will coach the professional Flyers and at the same time fill in at the centre ice position.

Poile, who played with every team in the N.H.L. except Montreal Canadiens, coached Glace Bay Miners to fourth place in the six-team Maritime Major League last season. The year before he guided Tulsa Oilers in the defunct United States Hockey League.

He is a native of Fort William. Poile succeeds Doug McCall, a former Detroit Red Wing defenceman, as playing-coach of Flyers.

Kid Gavilan Wins Decision

PROVIDENCE, R.I., May 19 (AP)—World welterweight boxing champion Kid Gavilan won an unanimous 10-round decision tonight over the veteran Ralph Zannelli of Providence in a rugged bout that drew a record ring gate for Rhode Island.

The Cuban Kid weighed 153 1/2 and Zannelli—New England welter and middleweight titlist—came in at 147 1/2 for their non-title bout.

Gavilan was much too speedy for the 36-year-old veteran of 16 years in the ring, but Zannelli made a good fight of it and rocked the champ in the fourth round with a left hook to the head.

The Cuban kidlet used the bolo punch freely throughout but his best work was a left hook. He worked on Zannelli's body all the way and at the finish the Rhode Islander's back was a red mass of cuts and bruises and his right eye was swollen. There were no knockdowns.

It is a two-man, best ball round-robin affair and guarantees prize money for all contestants.

Others invited, in addition to Snead, include Lloyd Mangrum, Cary Middlecoff, Jack Burke, Jr., Jim Ferris, Jimmy Demaret, Ed (Porky) Oliver, Clayton Heafner, Doug Ford, Marty Furgol, Robert (Skec) Riegel and Byron Nelson.

BEAUMONT, Tex., May 19 (AP)—Gold Star Mildred (Babe) Didrickson Zaharias, the world's greatest woman athlete, underwent an operation here today. Earlier today Dr. W. E. Tatum, Babe's family physician, said the operation was for hernia. He said it was not unusual and she should be out of the hospital in a week or 10 days.

Newcombe, who has a kidney ailment, was inducted into the army on Feb. 28. Newcombe served briefly in the navy during World War II and was discharged for medical reasons.

Canadian Exports Jump In March

OTTAWA, May 19 (CP)—Canada's exports, maintaining unprecedented buoyancy, jumped to \$358,500,000 in March, pushing the total for the first three months of 1952 to a peak of \$1,000,000,000, the Bureau of Statistics reported today.

With imports lagging behind the big exports push, Canada scored a \$31,500,000 credit balance during March and built up a total three-month favorable balance of \$83,900,000, compared with a deficit of \$124,200,000 in the same period a year ago.

Exports during March increased by \$64,500,000 from \$294,000,000 a year ago and in the three-month period swelled by \$90,000,000 from \$319,600,000.

Purchases from all countries during March slipped to \$327,000,000 from \$342,500,000 last year and in the three-month period eased to \$916,100,000 from \$943,900,000.

Though the United States was still Canada's top customer, the report indicated that Canada obtained her trade surplus only through favorable balances with countries other than the U. S.

Exports to the United States during March slipped to \$188,700,000 from \$193,300,000, but gained slightly in the three months to \$551,600,000 from \$538,600,000.

Imports from the U. S., however, rose to \$253,500,000 from \$245,700,000 during March and \$894,000,000 from \$878,100,000 in the three months.

This produced a deficit of \$64,700,000 for March, up from \$62,400,000 last year, raising the to-

instalment plan.

The storekeeper or finance corporation can take these notes to the banks and get a loan on them to continue operations.

Usual Curbs

From now on most loans will be governed by the regular banking regulations and the money supply. Lifting of the curbs for example, is not likely to spark any sudden upswing in the total volume outstanding.

Many of the banks have lent as much money as they have available for such business. In other cases the demand for loans is not extremely heavy.

With the curb on bank credit lifted federal attention swung to another anti-inflation measure, deferred depreciation, and there were indications this would be suspended within a month.

Under these restrictions, certain types of industry considered non-essential cannot get the regular depreciation allowances for tax purposes for four years after they put up new capital assets or expand their old business.

Yoshiro Shirai Brings Japan First Boxing Title

By JOHN FUJII

TOKYO, Tuesday, May 20 (AP)—Yoshiro Shirai, a stilled counter-puncher with a rapier left, has brought Japan its first world boxing title, wrestling the fly-weight crown from aging Dado Marino of Honolulu.

It was close but the decision last night was unanimous. The 42,000 who paid to see Japan's first world championship fight roared their approval. Both fighters broke into tears as the referee raised Shirai's hand.

Marino, the 35-year-old Honolulu beer salesman, just did manage to make the 112-pound limit. The strain and the years told during the fast 15 rounds and he was a tired boy at the finish. Shirai weighed 111.

As he had in two non-title battles in which he and Shirai divided victories, Marino forced the fighting.

The fight was fairly even in the first few rounds. But the 26-year-old Shirai, a Japanese soldier during the war, methodically built up points.

Neither boxer scored a knockdown, but Shirai came close in the 11th and 12th rounds when he staggered Marino with left hooks and whistling rights.

Marino came out strong in the 13th and 14th rounds, trying for a knockout.

Shirai's manager, Dr. Alvin Cahn of Chicago, warned him not to try to slug it out with the dynamiting Marino. In the 15th, however, both fighters tried for a knockout, but neither could land a solid blow.

The courageous rally gave Marino the last three rounds. The three Japanese officials gave six rounds to Shirai, four to Marino, with five even.

Acquaintances swarmed into the ring and congratulated the happily weeping Shirai. It was a half-hour before a path could be cleared to his dressing room.

Shirai, who stands five feet, six inches, is the first Japanese to win a world title in the 30 years Japan has engaged in the sport.

Detroit Tigers Heading For Cellar Record

DETROIT, May 19 (AP)—Manager Red Rolfe and his Detroit Tigers face this sickening thought:

If the last-place Tigers keep losing at their present rate, they could finish almost as far out of the pennant race as any club in American League history.

They're the only major league team that never finished in last place and naturally they'd hate to start with one of the worst tail-end finishes.

The Bengals, after yesterday's 7-4 loss to the Boston Red Sox, now trail first-place Cleveland by 11 games.

Rolfe's club has played 27 games. If his team continues to drop 11 additional games behind the leader for every 27 played, the team would finish 68 games out of first place. That would almost shame the unwanted record of the 1908 tail enders from St. Louis who ended up 64 1-2 games behind the winning New York Yankees.
