GYRO CLUB GREETES INTERNATIONAL PRESIDENT

The Gyro Club formula was advocated at the Charlottetown hotel Friday night by Gyro International President R.D. Brimacombe as a means of lessening international tensions. He was introduced to the Charlottetown Gyro Club by Michael MacDonald. Mr. Brimacombe pointed out that the purpose of the club is to extend friendship to as many people as come within the scope of any member's activities. He was thanked on behalf of the club by Dr. J. A. MacMillan.

Mr. and Mrs. Brimacombe were presented with a beautiful Island scene on behalf of the 56 club members. Their Maritime tour climaxes a five week continental journey from their home chapter in Vancouver which took them through much of Canada and the United States visiting most of the 120 branch clubs. Mr. Brimacombe reported that eight new clubs had been formed since May.

R.C.A.F. ASSOCIATION ELECTS OFFICERS

Mr. J. M. Larabee was elected president of the No. 201 (Confederation) Wing, members of the R.C.A.F. Association at a well attended annual meeting held last evening. Other officers include: vice-president, A. D. Seaman; secretary, D. A. Lecky; treasurer, W. S. MacLeod. Members of the executive are: J. Atkinson, J. Meredith, L. Arsenault, G. Rice, M. Currie, G. Ayers.

After the meeting adjourned, Mr. Frame entertained with an interesting display of sleight-of-hand. The meeting was presided over by the retiring president, J. H. Currie. LEFT Past President Currie congratulates new President Larabee. (Guardian Photo.)

Visit Of Committee To Educational Institutions

"There is no problem in education that better teachers cannot solve," Mr. L. T. Lowther, Principal at Queen Charlotte High School, told the Select Standing Committee on Education appointed by the Legislature this week when they visited the High School yesterday morning.

This view was partially concurred in by Rev. Edmund Roche who said that among the class at St. Dunstan's University taking teacher training courses he found that the relatively low salaries offered were not an especial deterrent. Though the College had many students in this class who came from other parts of Canada approximately 80 per cent were Islanders. Of these, he said, the great majority expressed a wish to teach and all said they would be willing to teach in this province.

TAKING HIGHER COURSES
Among those students are several already holding teaching licenses who are taking higher educational courses to improve their own teaching standards. These courses are taken voluntarily and do not apply as credits towards their Bachelor degrees in Arts or Science.

Father Roche, Dean of Studies, explained that the training of teachers would vastly increase the cost of university operation, but he felt that it would result in more better trained and better educated teachers entering the profession in the years to come. Answering questions of Committee members about causes of (Continued on page 13)

Holmans' Safe Driving Awards

Mr. Alan Holman, president of R. T. Holman Limited is pleased to announce the Safe Driving Award for Holman's Charlottetown Store. This award consists of a cheque for \$50.00 and is awarded to each driver, in the employ of the firm who has had "An accident free year". Of the drivers receiving this award Mr. George (Pud) Whitlock, Mr. Ben Bowerbank, and Mr. Louis Gaudet have received it annually for the past six years. Mr. Scott Walker, the other driver, has received the award for the past two years.

Mr. Holman on making these awards, complimented the driver and pointed out that practically all accidents are avoidable if care and common sense are used both in the operation and the parking of their vehicle. He urged on the other drivers that they make a determined effort to win this award for 1958.

IN MEMORIAM

SMITH—In memory of my father, Mr. Wilfred J. Smith, who departed from this life March 16, 1955.
In a graveyard softly sleeping,
Close beside a country road,
Lies the father we loved so dearly
Gone from us to his abode,
Sheltered in the Rock of Ages,
Anchored on the Golden Shore,
In the arms of Jesus
Rests my dear father forever
more.
Lovingly remembered by his
daughter Gertrude, and Family.

Eight Island Scouts Selected For Trip To World Jamboree

It was announced yesterday by R.C. Parent, Provincial Commissioner of the Boy Scouts Association, that eight Prince Edward Island Boy Scouts had been selected by the local jamboree committee to represent this Province at the 9th World Jamboree to be held at Sutton Coldfield, England. Thirty-five thousand Scouts from seventy-nine countries will gather there from August 1st to 12th, 1957 to celebrate the 100th anniversary of the birth of the founder of Scouting, Lord Baden-Powell of Gilwell, and the 50th anniversary of the first Boy Scout camp in history.

Scouts selected were: Scott Rogers, 3rd Charlottetown Troop; Colin McMillan, 6th Charlottetown Troop; David Rogers and Roger Craig, 9th Charlottetown Troop; Roscoe Pendleton, 1st Kensington Troop; Walter Bethel, John Roy and Frank Ellis, 1st Slemom Park Troop. Frank Ellis, formerly of the Greenwood Nova Scotia Troop will be attached to the Crow Patrol of the Nova Scotia contingent. The remainder of the Scouts listed will form the Owl Patrol of the Newfoundland Troop. One Leader will accompany this Patrol. To date he has not been chosen.

Prince Edward Island and New Brunswick Scouts will meet in Moncton on July 18th where a chartered Maritime Central Aircraft, DC4, will fly them to London England. They will leave England on the same aircraft on August 21st and arrive back in Moncton on August 22nd. During the pre and post Jamboree period in England over one thousand Canadian Scouts will be guests of the Scouts of Surrey. Scouts will also take part in organized tours during these periods.

One of the many highlights of the trip will be the visit to the Jamboree of Her Majesty, the Queen, accompanied by H.R.H. Prince Philip, on August third.

Mr. George V. Fraser, Supervisor of the P. E. I. Travel Bureau is very pleased with the response to the recent appeal, made by the Travel Bureau for volunteer fishing guides, for tourists. In the brief interval since the appeal was made by way of an advertisement in Island papers, fifteen volunteers have forwarded their names to the Travel Bureau. Many of them are well known sportsmen and highly regarded in the community. One wrote the Travel Bureau a very interesting letter stating that he was one of four partners in a by-pass pond. This pond had been constructed where no pond had existed for many years. The letter went on to say that the owners of the pond had from time to time invited tourists to enjoy the fishing, as well as many Island friends.

He has been a very small amount of adverse comment and one letter referred to some of the kickers as being "narrow in their views and forgetful of the fact that more Islanders had accepted the hospitality of the other provinces of Canada and the United States, proportionately, than any other province in Canada."

The letter wound up with this statement: "Many Islanders have not been satisfied with sharing the fishing privileges of other provinces; they have stayed in many of the provinces to take some of the best jobs available. We should be the last people in the world to grumble about a few visitors fishing trout in our ponds and streams."

Mr. Fraser did remark while looking over his correspondence, that he was a bit disappointed in the response from Prince County spent in playing Bridge and Auction. First and second prizes for Bridge went to Mrs. Hazel Henry and Mrs. Ruby Houle, and for Auction to Mrs. Lulu Nicholson and Mrs. Jean Crockett.

Arrangements for this enjoyable occasion were capably handled by Mrs. Pearl MacKay, Mrs. Lois Brown and Mrs. Ruth Enman. During the evening a gift was presented to Mrs. Helen MacEachern, who is leaving soon on an extended visit to Montreal.

Past Noble Grands Have Notable Banquet

The Annual Banquet of the Past Noble Grands' Club of Alpha Rebekah Lodge was held in the Blue Room of Old Spain Restaurant on Thursday, March 14th. Mrs. Ruby Houle, C.D.A. and Past President of Rebekah Assembly, offered grace, and forty-one members and two guests, Mrs. Dora Hooper, Noble Grand, and Mrs. Rita Ross, Vice-Grand of Alpha Lodge, sat down to an excellent meal prepared in Old Spain's customary good style.

After all had partaken of the good things provided, the regular monthly meeting was called to order by the President, Mrs. Jean Smith, and the usual routine business transacted. Miss Lillian Duchemin extended an invitation to the Club to meet at her home in April. The meeting adjourned and the remainder of the evening was

COLLECTS \$10,000 BET

NEW YORK (AP)—William Negley 43, San Antonio, Tex., oil man who left here recently for the Belgian Congo to try to win a \$10,000 bet by shooting an elephant with bow and arrow, returned Friday to collect his bet. "I shot two bull elephants," he said. Negley wagered \$1,000 against \$10,000 with William K. Carpenter Jr. of Wilmington, Del.

Response From Volunteer Fishing Guides Encouraging

Mr. George V. Fraser, Supervisor of the P. E. I. Travel Bureau is very pleased with the response to the recent appeal, made by the Travel Bureau for volunteer fishing guides, for tourists. In the brief interval since the appeal was made by way of an advertisement in Island papers, fifteen volunteers have forwarded their names to the Travel Bureau. Many of them are well known sportsmen and highly regarded in the community. One wrote the Travel Bureau a very interesting letter stating that he was one of four partners in a by-pass pond. This pond had been constructed where no pond had existed for many years. The letter went on to say that the owners of the pond had from time to time invited tourists to enjoy the fishing, as well as many Island friends.

The letter wound up with this statement: "Many Islanders have not been satisfied with sharing the fishing privileges of other provinces; they have stayed in many of the provinces to take some of the best jobs available. We should be the last people in the world to grumble about a few visitors fishing trout in our ponds and streams."

Mr. Fraser did remark while looking over his correspondence, that he was a bit disappointed in the response from Prince County

and from Kings County. However, he felt that the sportsmen from both these parts of the province would be heard from very soon and he believes that the volunteers will be at least 50 within the next two or three weeks.

16th March

Everybody loves it when the warmer weather comes. They sing about it: "Springtime in the Rockies". They get poetical about it: "O to be in England now that April's here."

The warmer weather means a lot for our clothes too. But it's also a time when a lot of damage can be done to clothes.

It's the time to put away heavy topcoats and the dark heavy suits. But if you just "put them away" a lot of harm can come to them. Little particles of dirt act like tiny saws on the fibres, weakening the material so that it may not stand up so well next winter.

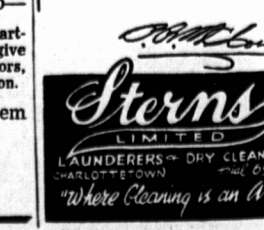

Stains, ones that may not be apparent now, can become "set" and darker so that they will be impossible to remove next winter.

It's pretty clear, then, that moth-proof the winter clothes the thing to do is to clean (and we're not going to be wearing 'em) for many months to come.

All this sounds pretty sombre, but it is vitally important. Spring, though, should be a happy time and it is made happier by the lighter and brighter clothes.

In addition to good cleaning, some of them may need their crispness restored with a good sizing. It will make them more resistant to soiling, too.

The warmer weather, then, is a time to take special care of our clothes—to prepare the new ones for wear and to prepare the old ones for storage.
