

# KIDNEY ACIDS

## Rob your Rest..

Many people never seem to get a good night's rest. They turn and toss—blame it on "nerves"—when it may be their kidneys. Healthy kidneys filter poisons and excess acids from the blood. If they fail and impurities stay in the system—disturbed rest often follows. If you don't rest well get and use DODD'S KIDNEY PILLS. DODD'S help the kidneys so that you can rest better—and feel better.

Opening lead—king of clubs.

Helen Sobel is generally regarded as the best of all the women bridge players in the United States. She has won more important championships than almost anyone you can name, and next week will be representing America in the world championship match against Italy.

Mrs. Sobel is a technician of the first order, cool as a cucumber, and a powerful antagonist. We offer today, as a sample of her style, a hand she played as South in the finals of the Vanderbilt Team-of-Four Championship in 1953.

When the South of the opposite team played this hand at the slam contract, the opening club lead was won with ace, the king and ace of spades were played, and the jack of diamonds, led. West played the nine (to indicate a doubleton) and East did not take the jack.

East won the next diamond lead and returned a club. This was ruffed by declarer, but eventually a

### The Truce

In mutual fear most quarrels cease. And this prepares the way for peace.

—Old Mother Nature

Quarrels are never pleasant to see or hear, but they are especially unpleasant when they come between members of the same family. Reddy Fox and his cousin, Gray Fox, have never been friendly. Of the two Reddy is a little the smarter. Because of this he has been inclined to look down on his gray cousin. Just now Cousin Gray was looking down on Reddy. This wasn't just a state of mind. He was actually looking down on his red-coated cousin for Cousin Gray was up in a tree.

### CHARTS LOST

PARIS (Reuters)—The Paris evening newspaper *France Soir* said Saturday Egyptian authorities were showing where mines were in the Suez Canal. This loss was one of the main reasons for the delay in starting work to clear the blocked canal, the paper said.

### FIRE UNDER CONTROL

VALLEYVIEW, Alta. (CP)—An oil well fire burning out of control for nearly a week was put out Saturday after destroying about 1,000 barrels of oil and 1,000,000 cu. feet of natural gas daily. During the six days, nearly \$2,000 a day was spent in efforts to bring the fire under control.
