IN MEMORIAM

ROBERT DOUGLAS MUNN

The people of Murray River and vicinity were recently saddened to hear of the sudden and untimely death of Robert Douglas Munn which occurred at his home in Murray River on January 12th in his 26th year.

Prior to his death, "Bobby" was employed by the firm of D. M. MacKinnon for the past 10 years. During that time he had built up a host of friends who both loved and respected him. He was an ardent follower of sport and during the past summer was a member of the Morell ball team of which he was highly esteemed.

He leaves to mourn a sorrowing mother and father, Mr. and Mrs. Earl Munn of Murray River; one sister, Peggy, at home and presently employed with the Canadian Bank of Commerce; four brothers, Melvin, residing in Saint John, N. B.; Russell, at home, and employed with Johnston Motors Ltd.; Curtis, in the Navy serving in Korean waters, and Billie, at home attending school.

The funeral, a short service at home, thence to the Church of Scotland was largely attended and many and beautiful were the floral tributes sent by his many friends and relatives. The service was conducted by Rev. D.W. MacPherson, who gave a very comforting message from Nahum 1:7, "The Lord is good, a stronghold in the day of trouble." The hymns sung were "The Lord is my Shepherd" and "Unto the Hills".

Pall bearers were: Messrs. John Cook, George Ferguson, Herman Martin, Basil MacLeod, Clifford Keenan, and Dr. M. L. Bonnell. Interment took place in the Murray River Cemetery.

Robbery Baffles Montreal Police

MONTREAL, (CP) — Montreal police said Sunday night they are "baffled" by a safe-cracking that netted thieves an estimated $75,000 worth of rings, bracelets, and diamonds Saturday.

The jewelry was stolen from the fifth-floor offices of Diamond Industries, Ltd., in downtown Montreal. Police said they had no idea how the bandits got in.

"There was no sign of anyone getting in by the roof," a detective said, "and all the doors were found locked after the burglary."

The thieves forced a safe with a crowbar and left an iron bar and a set of burglary tools behind.
