HAVE A GUESS.

Oh, wheelmen, all take my advice,
And don't forget, be sure
To take a look at the famous "Bike"
In PROWSE'S well-known Store.

The handsome Brantford Bicycle
That in their window's shown
Is as good as any in Charlottetown,
And it may be your own.

A jar in which are cents galore
Is placed where all can see;
Guess how many cents the jar contains
And the "Bike" your own will be.

Be wise, make all your purchases
At PROWSE'S Clothing Store;
Each purchase, on that Bicycle,
Will give you one chance more.

Their Carpets, Hats and Furnishings,
And all, in fact, they keep,
Compared with others in the town
Are more than quite as cheap.

APRIL ANNOUNCEMENTS!

We have pleasure in calling your attention to the following forthcoming publications:—

Ready April 6th.—Canadian Edition of "THE HOOSIER SCHOOLMASTER," by Edward Eggleston. Cloth, 90 cents; Paper, 50 cents. This edition is from the same plates as the American edition, which has sold in Canada at $1.50.

Ready April 10th.—"THE STICKIT MINISTER AND SOME COMMON MEN," by S. R. Crockett. Cloth, $1.25. S. R. Crockett is the new literary luminary who is at present possessing the mind of the English public. "The Stickit Minister" has already passed into the fifth edition.

Ready April 14th.—"WANTED," by Mrs. G. R. Alden ("Pansy"). Cloth, 70c. A new "Pansy" book is always sure of a market.

Ready April 19th.—"THE RAIDERS," being some passages in the life of John Faa, Lord and Earl of Little Egypt. Crockett's New Book. Cloth, $1.25. Of the English edition of this book, 3,000 copies were sold previous to publication. In "The Stickit Minister" Crockett appears as a "new Barrie"; in "The Raiders" he is a "second Stevenson"—so say the critics. This latter story reminds the reader strongly of Blackmore's "Lorna Doone." We can pay it no stronger compliment.

The prize winners in the Bazaar Co's. Room Paper (Problem) competition are: 1st, H. E. Sterns, Hillsborough St. 2nd, Geo. W. McLeod, Fitzroy Street; 3rd, R. E. Smith, Great George Street.

They show that a 16 yard roll contains 74 square feet.
" " 12 " " 63 "
Difference in favor of the 16 yard roll, 11 "
or 1584 square inches.
That the number of 16 yard rolls required, $8\frac{34}{37}$
" " 12 " " $10\frac{10}{21}$
Difference in cost at 60c. per roll, $93\frac{113}{259}$c.

or that if they had to buy whole rolls, the difference would be still greater, it taking, of 16 yard rolls, 9; of 12 yard rolls, 11. The difference then would be $1.20 in favor of 16 yard paper.

☞ Note that the difference, 93c., is correct, as we do sell a portion of a roll.

It is not hard to see from the above that the difference in the two rolls is considerable. Therefore we repeat: "Do not imagine you are getting a DOUBLE roll of English Paper"; it has only 12 yards., 1584 square inches less than a double.

We justly claim to lead in the Wall Paper business—sell 16 yards for a double roll—have the very latest American and Canadian Paper. We will sell any portion of a roll or take back any that is left. Prices away down.

A Beautiful Gown.

It is a frequent experience with ladies that when the dress is bought with care, and made with taste, some indefinable thing is lacking to give it the perfect touch of beauty. It is the supplying of this that has made

universally esteemed. Priestley's Black Dress Goods, made in Henriettas, Crape Cloths, etc., are such a cunning and effective blend of silk and wool that when the dress is made it drapes in perfect gracefulness, giving to the figure that charm without which the costliest dress that Worth ever made is a mere distress.

KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 75c. bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

LETTERS TO THE EDITOR.

THE LAWYERS AND DOCTORS.

SIR,—Since our new Government are, like the Scribes and Pharisees of old, "binding heavy burdens grievous to be borne, and laying them on men's shoulders," and are taxing the living and the dead, why should the lawyers and the doctors be suffered to escape? Let a law be passed imposing an annual license for practicing these professions, and we will soon have fewer *briefless* barristers meddling with and muddling the laws of this country and attempting to patch them up, until they become like the roofs of the houses in Nantucket, as described by Hawthorne, "shingled, shangled, shongled, shingled."

TAXPAYER.

AN ENGLISH CLERGYMAN.

Makes a Statement on a Subject of Universal Interest.

The Rev. Alexander Gordon, M. A., Falkland Road, Egremont, in Cheshire, England, has made public the following statement, which will be read with special interest in Canada: "I have used Hawker's nerve and stomach tonic on two occasions and found that it admirably serves its purpose. At one of these times I was run down through overwork, and the tonic—two bottles—renewed me, giving tone to the whole system. I can thoroughly recommend this medicine to any similarly placed." Hawker's nerve and stomach tonic is a perfect nerve restorer and invigorator, and blood and flesh-builder, as well as a valuable stomach tonic and aid to digestion. It is a certain cure when faithfully used for all diseases arising from nerve exhaustion, weakned or impaired digestion, or an impoverished or impure condition of the blood, such as nervousness, weakness, nervous headache, sleeplessness, neuralgia loss of appetite, dyspepsia, hysteria, and the prostrating effects of la grippe or any nerve weakness of heart or brain arising from worry, overstrain of mind or body or excesses of any nature. Hawker's nerve and stomach tonic is manufactured by the Hawker Medicine Co., St. John, N. B. Canada, and can be obtained from all druggists and dealers. Price fifty cents a bottle or six bottles for $2.50.

AN AFRICAN TRAVELLER.

Restored to Health by the Use of Hawker's Balsam

The following is copied from the Manchester, England, Times:

Capt. John Lawrence Walsh, who has temporarily returned from Assinie and Grand Bussam, Africa, writes under date of Feb. 2nd, 1894: "I have much pleasure in certifying that I was entirely cured of a severe attack of bronchitis by one bottle of Hawker's balsam of tolu and wild cherry. I have just arrived from Africa, and the change to an English climate caused me to contract a terrible cold, ending in bronchitis. I lost my voice for several days, but have been completely restored by using one bottle. I can recommend it highly." This testimony is of great value, showing as it does how colds resulting from change of climate or sudden change in the whether in any particular locality may be quickly cured. Hawker's balsam of tolu and wild cherry is equally efficacious in all throat and lung troubles. It is particularly valuable in families where there are children, for the little ones love it and it releives a cough or cold at once. No household can afford to be without this greatest of remedies for these troubles. Hawker's balsam of tolu aed wild cherry is manufactured by the Hawker Medicine Co., St. John, N. B., Canada, and is sold by all druggists at twenty-five and fifty cents a bottle.

In connection with the above, we note that a pioneer shipment of the Hawker remedies; to South Africa, has been made by the S. S. Volta sailing from Liverpool, Eng., on Feb. 16th, 1894.

AFTER TYPHOID FEVER.

Harvey Neff has Kidney Diserse, which Doctors could not cure—Dodd's Kidney Pills Restored him to Perfect Health.

Port Colborne, April 9—In March, 1893, Harvey H. Neff of this place had a bad attack of typhoid fever. Good nursing and medical attendance brought him round but the attack left him a victim of kidney disease. This the doctors failed to cure, but Dodd's Kidney Pills, the infallible remedy, did the same good work in this case as in all others and Mr. Neff is well to-day. Dodd's was the first kidney remedy in pill form ever offered the public. Its wonderful curing in all forms of kidney disease has led to the introduction of numerous cheap and worthless imitations. Purchasers, for their own safety, should insist in getting Dodd's Kidney Pills. Sold in large boxes: price fifty cents or six boxes for $2.50. To be had of all dealers.

"Papa," asked Tommy Goodman, "who was Cain's wife?" "Caroline," said the Rev. Mr. Goodman, after an ominous pause addressing his wife, "will you bring me my heaviest slipper and leave the room? There is going to be a trial for heresy right here and now."

In the Spring

Nearly everybody needs a good medicine. The impurities which have accumulated in the blood durin the cold months must be expelled, or when the mild days come, and the effect of bracing air is lost, the body is liable to be overcome by debility or some serious disease. The remarkable success achieved by Hood's Sarsaparilla, and the many words of praise it has received, make it worthy your confidence. We ask you to give this medicine a trial. We are sure it will do you good. Read the testimonials published in behalf of Hood's Sarsaparilla, all from reliable, grateful people. They tell the story.

The most palatable preparation of Cod Liver Oil in the world is Miller's Emulsion and is now being taken by invalids with astonishing success. Miller's is "the kind that cures" coughs, colds, bronchitis and all throat and lung troubles. Every bottle warranted. No oily taste like others in big bottles, 50c. and $1,00, at druggists.

Personal experience will prove that Hawkers Tolu and Wild Cherry Balsam is the best Cough Cure.

But, sir, she said in what has been called a tone of scorn, I do not wish to know you!

Priestley's Cravenettes may be had in all the newest fabrics. Absolutely rain-repelling they are not to be distinguished from the same goods not waterproofed. This is their great merit. Cravenette includes serges and all dress fabrics. They are perfectly porous, non-odorous, and they never change in appearance. These are merits which no other waterproofing process has been able to demonstrate. They are rolled on "The Varnished Board" like all Priestley's dress goods.

After the Grip

No Strength, No Ambition

Hood's Sarsaparilla Gave Perfect Health.

The following letter is from a well-known merchant tailor of St. George, N. B.:

"C. I. Hood & Co., Lowell, Mass.:

"Gentlemen—I am glad to say that Hood's Sarsaparilla and Hood's Pills have done me a great deal of good. I had a severe attack of the grip in the winter, and after getting over the fever I did not seem to gather strength, and had no ambition. Hood's Sarsaparilla proved to be just what I needed. The results were very satisfactory, and I recommend this medicine to all who are afflicted with rheumatism or other

afflictions caused by poison and poor blood. I always keep Hood's Sarsaparilla in my house and use it when I need a tonic. We also keep Hood's Pills on hand and think highly of them."

J. W. DYKEMAN, St. George, New Brunswick.

Hood's Pills are purely vegetable, and do not purge, pain or gripe. Sold by all druggists.

After a careful examination of

Skoda's German Soap,

I find it composed of ingredients of a chemically pure and healing nature. It cannot be too highly recommended, both for medicinal and toilet use. Take and

perfectly pure and possessing high healing qualities. It can be used with perfect safety on the most delicate skin, and is an excellent ointment for general every-day use.

Mr. Baymore, whose picture appears above, and who for many years, was engaged in the manufacture of toilet soaps, writes, under date of Feb. 4, 94: "I am surprised at its soft and purifying qualities. It is pure, unadulterated, and free from alkali, which most soaps contain."

Miss Alice L. Welton, a graduate of the Victoria General Hospital Training School for Nurses, Halifax, N. S., says: "Truly Skoda's Soap is soft as velvet and pure as gold. It makes the skin soft, white and beautiful."
