THE DAILY EXAMINER DECEMBER 27, 1882.

Editorial Notes.

The way to obtain the Fishing Bounty is explained by the advertisement published in THE EXAMINER to-day.

Mr. Osborne's letter—all the way from Regina—will be read with interest. Only to those for whom hard work has great attractions and who have some money, does Mr. Osborne hold out inducements to go out west.

A bubble has been pricked by the discharge of Westgate, the self accused Phoenix Park murderer. When the majority of people heard of his whereabouts, at the time of confessing complicity in the crime, they dubbed him a "crank."

Mr. W. S. Fielding, M. P. P., editor of the Halifax Herald, has been sworn in a member of the government of Nova Scotia. We have no doubt that Mr. Fielding will do credit to the position.

A School of Perjury.

The following extract from an United States paper, describes a condition of things not peculiar to that country. A few weeks ago, the Stipendiary Magistrate of this city, feelingly stated from the Bench, that the untruthfulness of sworn witnesses in the liquor cases some of them, personally, respectable men was evident, and disgraceful.

The saloon of this country is primarily a school of perjury. From the very day it opens it makes liars of men. You may say this is a strong charge. Indict a saloon man in this town for the violation of law. Your detectives tell you that he has persistently violated it. Bring him into court and put him on trial; subpoena from their houses in this city, twenty-five men, young and old, who have patronized him.

St. Paul's Concert and Readings.

A large audience gave attentive hearing to the readers and musicians in St. Paul's Schoolroom last night, at the Concert and Readings in aid of the funds of the Ladies Industrial Aid Society. Except that the darkness of the porch made the entrance of late comers noisy, and therefore somewhat distracting, good order was maintained throughout.

Foreign News.

A Berlin despatch says.—The bases of the understanding between Russia and the Vatican are the re-establishment of the Russian Embassy at the Vatican, the reinstatement of archbishops of Warsaw, new bishops to be appointed after an understanding between Russia and the Vatican, appointments to important livings to be submitted to the Russian Government, states of Russia to exercise a certain supervision over the seminaries, and the inmates to have liberty to return to the Catholic Church.

difficult selection requires more care in the blending. Perhaps this was not so successful as it might have been, but the solos were good, and the closing counter-harmony fairly effective. Altogether the concert was a success and the evening a pleasant one.

Civil Service Examinations.

SUCCESSFUL CANDIDATES AT CHARLOTTETOWN.

The following passed the Civil Service Examination recently held in this city:

Qualifying Examination.

John N. Robertson, Pownal. Charles Murphy, Summerside. Williston Brown, Charlottetown. James G. McKinnon, New Annan. Joseph C. McDonald, Lot 14. M. W. Murphy, Cherry Valley. Martin M. Martin, Brown's Creek. James E. Cox, Charlottetown.

Preliminary Examination.

William McNeil, Charlottetown.

Attempted Murder in Malpeque.

FURTHER PARTICULARS—THE DEADLY ASSAULT READING A BIBLE TO EASE HIS MIND.

A correspondent at Summerside furnishes the following particulars.—That part of Malpeque known as Prince Town, near Prince Town wharf, with the exception of two or three highly respectable families, is settled by a gang of people with very unenviable characters.

It appears there had been some altercation between Roderick Howell and William Wallace about fence poles that had been used to enclose some stacks of grain. Wallace was in the act of removing the poles when Howell came upon him with a loaded shot gun, which he fired at Wallace with deadly effect.

Wallace is a married man with some family. He married the widow of James Blackmore, a man who was drowned at Darnley a few years ago.

Wallace had been in the employ of Messrs. D. & P. McNutt, who give him an excellent character.

Howell is also a married man between sixty and seventy years of age. He is now in the Prince County Jail to await his trial in June next.

Your correspondent saw him in his cell to-day with a Bible on his knees, which he said he was reading to ease his mind.

The Burglary at Summerside.

The man arrested (as reported yesterday) was Alexander McNeill, of County Line, a blacksmith working with Mr. Harry P. Woods. The preliminary examination was held yesterday, before J. W. Howe, Esq., Stipendiary Magistrate. Mr. McKenzie prosecuted the case without the aid of counsel, and proved his ability as a lawyer to be little short of his skill as a master tailor and artist. Mr. McKenzie has recovered the stolen goods.

Personal—Gossip.

Rev. Father McGillivray, of Boisdale, N. S., is seriously ill of typhoid fever. A Leipzig despatch says that of twelve students who died last session at the university, one was killed in a duel, and six committed suicide.

At Brussels the trial of Leon and Armand Peltzer for the murder of William Bernays, a noted lawyer, concluded on the 23rd inst. Both were found guilty and sentenced to death. The case created a great sensation. Armand was criminally intimate with Mrs. Bernays, and it is believed persuaded his brother to murder Bernays. After sentence was pronounced Leon Peltzer said:—"I have what I deserve, but in the case of my brother the jury commit a judicial crime."

Rev. Dr. Benson, Bishop of Truro, who has accepted the Archbishopric of Canterbury, and thus becomes Primate of England is a native of Birmingham, where he commenced his education, going afterwards to Trinity College, Cambridge, of which he successively became Scholar and Fellow. He graduated B. A. in 1852, M. A. in 1855, B. D. in 1862 and D. D. in 1867. He was for some years an Assistant Master at Rugby, and was Head Master of Wellington College from its opening in 1858 down to 1872, when he was appointed a Canon Residentiary and Chancellor of Lincoln Cathedral, having been a Prebendary of that Cathedral for three years previously. He was for several years Examining Chaplain to the Bishop of Lincoln, and in December, 1876, was appointed on Lord Beaconsfield's recommendation to the newly founded See of Truro, to which he was consecrated in St. Paul's Cathedral in the following April. Dr. Benson has published several volumes of sermons, and is one of the contributors to the "Speaker's Commentary on the Bible." He married in 1859 the daughter of the Rev. William Sidgwick, of Skipton, Yorkshire.

A Berlin despatch states that the semi-official North German Gazette says nothing is known in Government circles supporting the interpretation that recent articles in the Cologne Gazette on the military equilibrium of Europe may have been intended as warning by Bismarck to certain anti-German elements in Austria. Full confidence is felt both in the present and future policy of Austria. The relations of Germany with Austria as well as with Russia rest upon the historical and political positions of the three empires, and the personal feelings of monarchs cannot be disturbed by newspaper discussions. The Gazette says that Bismarck has been for thirty years the strongest advocate in the whole of Germany for not only pacific, but friendly relations with Russia.

DURING the Week of Prayer, a Monday Prayer Meeting will be held in the Parlor of the Y. M. C. A., each day, from half-past twelve to half-past one o'clock.

THE steamer "M. A. Starr" sailed from Georgetown for Halifax at noon to-day, with a cargo of pork, potatoes, and oats. It is, we learn, the intention of Mrs. Fishwick to send either the "M. A. Starr" or "Edgar Stuart" another trip to the port of Georgetown, or of Charlottetown, if the weather permits.

PERSONS in want of Spectacles or Eyeglasses will remember that Mr. B. Laurance, the eminent English Oculist, will only remain here until Saturday, when he leaves for Summerside. Mr. Laurance's Spectacles are really first-class, and we would heartily recommend our Spectacle-wearing citizens to give him a call, at C. D. Rankin's Drug Store, and be suited, before he leaves town.

THE enterprise of Fishwick Express Company, in again sending a steamer to a port in this Province, is to be commended. Mrs. Fishwick sees there are large quantities of produce awaiting shipment to Halifax, and though the season is late and winter navigation of the Gulf is perilous, she does not hesitate to risk her steamer to accommodate the Island patrons of her line.

THE NEW ARCHBISHOP.—Rev. Dr. C. O'Brien has received official information from Rome confirming his appointment to the vacant Archbishopric of Halifax diocese. The mourning in which the throne in St. Mary's Cathedral has been dressed since the death of Archbishop Hannan has now been removed and the consecration of Dr. O'Brien will likely take place early in the new year.—Halifax Chronicle, Dec. 24.

SCOTT ACT.—At the Stipendiary Magistrate's Court this forenoon, John Shea, on complaint of James Curtis, Esq., Inspector of Licenses, was fined \$50 and costs for a breach of the Canada Temperance Act. The case of C. Benoit, charged with a breach of the Act, was dismissed for want of evidence. The fine of Mrs. Priddell, Crapaud, for a breach of the act, should be \$100 instead of \$50 as previously stated.

The man Wallace, shot by Howell, at Princeton, continues in a critical condition. Last night he appeared to have a change for the better, but the doctors are still of opinion he cannot survive. Howell, who is now quietly reposing, says the shooting of Wallace by him was a mistake—"he shot the wrong man"—and while he leisurely reads his Bible to soothe his troubled spirit, he declares his willingness to pay the penalty of his crime, sooner or later, by imprisonment or by hanging.

Murray Harbor Notes.

On the 18th inst., the County Court was held at Murray River for this district. It was presided over by Judge Reddin, who is much respected by all for his patience and justice. Much business was done, and there was a large attendance.

On the 19th inst., a Sabbath School Concert and Christmas Tree was given by the Methodist Congregation at White Sands. The church was beautifully decorated by the ladies. The singing was excellent, and the recitations by the children were very good. There was a very large audience, who seemed to enjoy themselves well.

On the 22nd inst., a Sabbath School Concert was given by the children in connection with the Bible Christian Church. There was a good attendance. The scholars presented the late superintendent of the school with a Bible and address. A suitable reply was made by Mr. W. Hughes. A pleasant time was spent by all.
