SPORT ECHOES

Wrestling Goes Ahead As The Aces Wait For A League

This boy Simard who wrestles out of Montreal is reputed to be even more exciting than Gentleman Jim Kelly, and you can watch it from us, who watched Gentleman Jim so through his amazing acrobatics, the Kelly boy can be recommended as an accelerator of the pulse-beat. If Simard who wrestled at Civic Stadium Friday night as good as we hardly wait to see him, and all you folks within traveling distance of Civic Stadium by foot, dogcart, limousine or airplane, you'd better be there.

SPECTACULAR  
The Fortia brothers, fine specimens of physical manhood, by the way, are also well worth watching. Their drop-kicking is spectacular. Either of these can drop-kick an opponent to the canvas, get up and drop his tag-team partner, (who, of course, is not really a partner, but there is occasionally) in less than time that it takes a man to get up from a knock-out. They will be opposed by two stalwarts called the Smith Brothers, whose abusers, we meanly bosom. Whether they're strong here bears to look like the Smith Brothers, of course, drop, fame, or whether they were getting too many Christmas neckties, we don't know, but rumor has it that they're smart wrestlers who have a lot of enthusiastic followers in North America.

Donovan & Spahn Lead In Games

NEW YORK (AP)—Dick Donovan and Warren Spahn of Milwaukee Braves, a pair of pitchers who have won 20 or more games, have won the best complete game in the National League in 1947. The 28-year-old Donovan completed 16 majors out of 28 starts for a 34.7 percentage loss in the American League. Spahn went the route 18 times in 21 starts. The stylish southpaw was the National League leader with a 3.14 figure.

What About Ferguson?

Sir—Sandy Ferguson was never a champion. Some persons might say he was never a great fighter. Yet everyone who knew him will tell you he was one of the most unique characters of the ring and one of Britain's most colorful figures. Most of the keen students of boxing will tell you that Sandy Ferguson was a much greater fighter than he was given credit for.

Another fight in 1905 that Sandy engaged in was with Marjorie Hart, an aspirant for the World's Heavyweight Championship. It is recorded in his ring record that he was the loser. The fight was a draw. The decision should have been the opinion of the ringside except that he should have had a draw at the worst.

Milwaukee Lets Coaches Go

MILWAUKEE Braves Saturday fired three of their four coaches. The assistant left is Bob Keeley, manager Fred Haney's bullpen coach and general handsmen. Dismissed were Connie Ryan, Charlie Root and Johnny Kiddle. Hired were Whitlow Wyatt, hired recently as pitching coach at Philadelphia Phillies, and John Fitzpatrick, a coach with Hollywood in the Pacific Coast League last season.

Demon Hanover Sold Monday

LEXINGTON, Ky. (AP)—Demon Hanover, 1948 Hamilton winner, was sold Monday to the Gaines of Lexington for \$50,000.

The seller was Robert Griffith, a lawyer, attorney and owner of Gay Acres Farm, Gaines, an 28-year-old horseman, said he purchased the boy son of Dean Hanover—Sorcerer—in a syndicate. Only four horses, all of them thoroughbreds, have ever been sold for more than \$50,000. They were Nascus Taylor, the Phoenix, and My Babe, a racer, who was sold for \$50,000 to Hanover Show Farms in 1942. The 1948 Hamilton winner in straight heats in 1948. He then went on to win 10 of 17 starts.
