

Ways of Advertising.

The Handbill - litereth the vestibule, but the Newspaper talketh with every member of the family. The Circular - if sealed, deceiveth for a moment, but the Newspaper is read and hearkened unto. The Wayside Sign - tempteth the small boy and the robin-hunter, but the Newspaper rideth in the pocket of the passer-by. The Sandwich Sign - man is sometimes in sight - he minglith with the crowd at the windows of the Newspaper Advertiser. The Sign Fence - stretcheth far across the meadow, yet, as the railway traveller is engrossed in his Newspaper. Wherefore, the use of the Newspaper is the beginning of Advertising wisdom. When interested as to What Use? What Paper? What Price? Consult "THE DAILY EXAMINER."

A Pleasing Sence

Of health and strength renewed and of ease and comfort follows the use of Syrup of Figs, as it acts in harmony with nature to effectually cleanse the system when coarsened or bilious. For sale in 25c bottles by all leading druggists.

GETTING ANXIOUS - The Chatham World says: We haven't heard of any engagements, as the result of the exercises of leap year privileges, but we know several bachelors who are waiting to be asked. One man claims to have already promised to be a brother to three, the right one having failed to ask him. There are bashful bachelors in town who may never get married if they are not proposed to during the year. Don't delay, girls.

The originator of Estey's Emulsion spent several years of his life in perfecting this preparation. Not a bottle of it was put on the market until he was satisfied that it was the best ever introduced for the cure of coughs, colds, bronchitis and all wasting diseases. Thousands of bottles have been sold, and he has never heard a complaint regarding it.

And don't forget - it is now fashionably rendered: "And do not permit the impression to be obliterated from the cells of your recollection."

The New Toilet Cream - Philodermis owes its immense success to the fact that it is radically different from any preparation in the market. It is a bland and soothing liquid, nicely perfumed, and when applied to the hands and face produces a delicious sense of coolness and comfort, creating also a sweet curative action. It is entirely free from the sticky quality of glycerine and the greasy nature of sulphur soap or cold cream. To those who are unable to use glycerine, from its irritating effect, Philodermis is a necessity. The use of it will have a beautiful complexion. It is as luscious as milk. Sold by druggists everywhere. Price 25 cents.

An embryo poet, who is certainly a close observer of human nature, remarks: "Time marches on with the slow, measured tread of a man working by the day."

On Dec. 31st the merchants and others will be making out their accounts and will expect payment of them. For this particular kind of billianness there is nothing like the hard cash; but for ordinary billianness, Estey's Pills are the great remedy. For 25 cents you can buy a box at your nearest drug store.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr
