Nous avons eu le plaisir, ces jours derniers, d'examiner, au couvent de Tignish, les différents ouvrages à l'aiguille, exécutés dans le cours de l'année par les jeunes demoiselles de cette institution. L'exposition, ce qui est beaucoup dire, est même supérieure à celle de l'an dernier et fait honneur aux Dames du convent et à leurs élèves. Nous n'entreprendrons pas d'établir aucune différence dans l'exécution des ouvrages, vu qu'il serait très difficile, pour ne pas dire impossible, de savoir à qui décerner la palme parmi une si grande et belle variété d'objets d'une si remarquable beauté et confectionnés avec tant de goût. Qu'il suffise de dire, cette année, comme nous l'avons annoncé les années précédentes, que le convent est l'école par excellence que doit fréquenter la jeune fille qui aspire à la position qui fait la femme modèle.

Une tragédie qui pourrait bien avoir des suites funestes a eu lieu lundi soir à Glengarry, Lot 7. Un homme Monaghan avait été condamné à l'amende pour avoir vendu des boissons en violation du Scott Act. Lundi, le constable McDougall accompagné du constable Green et d'autre constable se sont rendus chez Monaghan pour le faire prisonnier. Monaghan s'est mis sur la défensive et s'armant d'une hache il a frappé McDougall au visage, lui faisant une entaille profonde au front, lui coupant le nez et lui labourant une joue. Pas encore satisfait il a frappé McDougall à l'épaule lui infligeant une blessure grave. De suite on envoya quérir deux médecins à O'Leary qui trouvèrent l'état de McDougall si critique qu'ils furent obligés de le mettre sous le chloroforme pour adoucir ces souffrances.

The managers of Riverside Park, Tignish, intend holding a race meeting on July the 5th. Arrangements made show that this will be one of the best trotting meetings of the season. The reputation of the Riverside Park managers, for honest dealing is well known and we have no hesitation in saying that on this occasion, the public will be more than satisfied. Already there are several well known trotters entered in the different classes, promising a most exciting race. See posters for particulars.

A MOTHER'S VALUABLE ASSISTANT

Home Occupations for Little Children

By KATHERINE BEEBE.

16mo, 144 pages; bound in linen, gilt top.

Hundreds of Hints on How to

Make the Little Folks Happy

Lists of Stories, Songs and Plays

Invaluable to Mothers and Nurses

In this book the Kindergarten offers to the Home suggestions for the occupation of little children with simple materials. The author does not presuppose a kindergarten training on the part of the mother, nor an ideal environment. She simply takes for granted the child's ceaseless activity and the mother's desire to furnish him with material and opportunity for development.

The occupations here considered are of three kinds. The first are those which require the active participation of an older person; the second, those for which only occasional direction or assistance is necessary; the third, those in which the child can engage by himself.

FROM THE NEW YORK WORLD.

"Home Occupations will be welcomed by weary mothers, for it is very clever and full of hints and suggestions they can carry out."

FROM THE PHILADELPHIA PRESS.

"Home Occupations should be read by all mothers, and all other people who have the care and training of infant minds."

One of the remarkable features of the book is the extent to which home-made materials and home-made contrivances are brought into play. Cedar blocks, sand, clay, boxes, scissors, paste, paper, pencils, beads, garden tools, flowers, fruits, black boards, and nearly everything called into requisition by Miss Beebe's methods, are within easy reach of most of those into whose hands her book will fall."

FROM THE BOOKSELLER.

"Home Occupations for Little Children, by Katherine Beebe, a well-known kindergarten, of Evanston, Ill., will be welcomed by many mothers, who will find it full of valuable suggestions to aid in rearing their little ones. Many cross and disagreeable children will be speedily restored to good nature if their mother or nurse knew enough to guide the immature mind to some pleasant occupation without too great interference with its own freedom."

FROM THE KINDERGARTEN MAGAZINE.

"Any mother with the problem of restless little people to lead into the paths of happiness and usefulness, can find much assistance in Miss Beebe's little book, and would do well to avail herself of its thoughtful suggestions."

ASTOUNDING BUT TRUE!

Niagara Falls

Engraved on Steel after the Famous Painting by CHARLES GRAHAM, America's Leading Scenic Artist.

There are only a few copies of this magnificent art work left and you will be fortunate indeed if you secure one.

This cut illustrates but very faintly the magnificence of the original.

The above reproduction is less than one-fiftieth the actual size; the engraved surface being 4 1/2 x 6 1/2 inches, printed on heavy plate paper for framing. Actual size of picture 4 1/2 x 27 inches. The publishers' price is \$25.00, unframed, and that is what a copy would cost you in the art stores. It is a work that would grace the walls of the most palatial mansion in the land.

The subject is treated in a masterly manner, the grand curve of the Horseshoe in the foreground leading the eye up to the tumbling, raging rapids above, and the broad expanse of river beyond, with the islands in the middle distance and the face of the farther curve of the Horseshoe, as well as the great white wall of the American Fall, partially obscured by the foaming rising spray which is handled lightly with fine effect. In the great amphitheatre below the falls are seen the boiling waters, strongly and effectively depicted, and the two staunch little steamers that make their tours under the constant showers of spray. Never before has this subject been handled by an artist with equal force and impressive dignity, combined with deep, thorough feeling and delicacy of touch.—The Railway Age.
