# “ DUCDAME ”

It would seem appropriate to dispense with the formalities associated with the first article of the year before getting into the thrilling nitty-gritty of any issue. So Welcome back to all you Seniors, Juniors and Sophmores; and a hearty hello to all you Freshmen.

Every year the same problems arise: the Freshmen of UPEI are conspicuous by their absence at the social events. This is not normal since every where you go there are Freshmen. Freshie participation as a rule has been less than spectacular whether this is caused by poor event planning or by the Freshies and Freshettes being "chicken" is irrelevant as the fact remains that most people look back at their

Freshman year as one of the most boring of their life.

But this does not have to be so. As Freshmen it is up to you to make your own fortune. You can sit at home and be a vegetable in the true Freshie fashion. (as many of us did in the past), or you can get your bodies in gear and enjoy yourselves. The key is not to feel insecure because you don't know alot of people. Just relax and make yourself at home; if it takes a few brew to calm your nerves, then go ahead.

There is a veritable feast of things to do. There are the student union events, the newspaper, radio, varsity team, societies such as the Business society with Deep Sea Fishing and

Curling Fun Spiels, and there is the hottest organization on campus, the Ski Club with its 7 day debauchery excursions to Quebec City.

So if you did not make the first Pig be-

cause the tickets were sold out, make sure you make the next one. The name "Ducdame" is a Greek invocation to call fools into a circle.

Have a great Year!
