

CURRENT NOTES.

The largest farm in the world is probably that of Samuel McKay of New South Wales. His land runs 700 miles in one direction and comprises 5,000,000 acres, and has been nearly all reclaimed from the desert.

In a recent breach of promise case in England, the jury adopted a rather novel method of getting at a just amount of damages to award the fair plaintiff. Each jurymen placed upon a slip of paper the amount he thought should be given, and when these several sums were added together the total was divided by twelve.

During the exhibition Sullivan told a Pioneer Press reporter that the coming man of the world is his brother. "My brother," said the champion, "will be a better man than I am or ever will be. He is only seventeen, and is a young Hercules. I am eight years older than he, and when I am played out he will be knocking the boys out sure. I think he will certainly make a good deal better man than I am, for he is about as good now."

London Truth has the following:—I must congratulate the Canadian Methodists upon their good sense in having dropped the word "obey" out of their marriage service. The idea of the obedience of a wife to a husband is an Oriental one, and is based upon a notion that wives are but little removed from the category of domestic slaves. Why a wife should obey a husband any more than a husband should obey a wife, I have never discovered. Matrimonial bliss is founded upon the give and take rule.

Captain Stone, the man who reared Maud S, says he does not think the performance of the gelding Frank the other day at New York, of a mile in 2.08 1/2, with a running mate such a wonderful one as to make him anxious about the position of Maud S, on the score of fame. He believes that with a good mate Maud S, can do the mile under two minutes, and that a first-class ahelote, by catching hold of the sulky could trail behind a trotter covering it in 2.30. Maud S, ought not to be slow about doing what Captain S, claims she is equal to for the reason that there has always been a leading doubt that Maud S, is as fast as reported.

"With all our boasted education, we have yet to utilize those lessons of self-knowledge and self-respect which should inspire each young boy and girl not to look forward with greedy eye to the possibility of becoming a great statesman or leader of fashion, or star but to search diligently for his or her capability, and to develop it, whatever it may be, in all earnestness, faithfulness, and loyalty. Both in home-life and in school-life our influence over the young should always be in this direction. It is not a depressing influence—on the contrary, it is ennobling and full of the brightest hope. It is the only path to happiness, for no one is ever so happy as when he is successfully engaged in doing that which he can do well. It is the only path to value, for assuredly the worth of an individual to society depends upon his being in the right place and doing his own appropriate work. It is the only path to national welfare, for just as the health and perfection of the body depend on each organ fulfilling its own function, so the health of the body-politic depends on each individual understanding his own powers and his limits, and developing the one without overstepping the other."

JOHN NEWSON. Ch'town, Jan. 2, 1883.—1y

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows:—

"I was afflicted, New York, May 16, 1882. MESSRS. J. C. AYER & Co., gentlemen: Last winter I was troubled with a most uncomfortable itching humor affecting more especially my ribs, which I held so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and uterine cough; my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SASSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, until it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of the SASSAPARILLA, which I recommend with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and, in all, less than two bottles. I place these facts at your service, hoping their publication may be of good use to others. Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SASSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened system.

Ayer's Sarsaparilla

cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Disorders, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from pure or corrupted blood and a low state of the system.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; price \$1, six bottles for \$5.

AYER'S CATHARTIC PILLS. Best Purgative Medicine

MRS. SOPHIA POTTER'S Bone Rheumatic Liniment

IT is a fact worth knowing that Mrs. Sophia Potter's Bone Rheumatic Liniment cannot be equalled for removing pain and soreness. It is no worthless trash, as so many suppose, simply because they have been imposed upon by others, but is positively the "King of Pain." Sore throat cannot stand before its power.

All we ask is a trial that you may be convinced of the truth of our statement. Our experience is that one bottle tried also sells many more.

See circular for particulars and testimonials, and try a bottle—it will not fail to do all that is promised.
