## Sour

Stomach, sometimes called waterbrash, and burning pain, distress, nausea, dyspepsia, are cured by Hood's Sarsaparilla. This it accomplishes because with its wonderful power as a blood purifier, Hood's Sarsaparilla gently tones and strengthens the stomach and digestive organs, invigorates the liver, creates an appetite, gives refreshing sleep, and raises the health tone. In cases of dyspepsia and indigestion it seems to have "a magic touch."

"For over 12 years I suffered from sour

with severe pains across my shoulders, and great distress. I had violent nausea which would leave me very weak and faint, difficult to get my breath. These spells came oftener and more severe. I did not receive any lasting benefit from physicians, but found such happy effects from a trial of Hood's Sarsaparilla, that I took several bottles and mean to always keep it in the house. I am now able to do all my own work, which for six years I have been unable to do. My husband and son have also been greatly benefited by Hood's Sarsaparilla — for pains in the back, and after the grip. I gladly recommend this grand blood medicine." MRS. SPECIAL DESPATCHES TO THE EXAMINER

### SIR CHARLES INTERVIEWED

### Strong Conservative Feeling in Ontario

### Sir Charles Hopeful and Confident.

TORONTO, June 16.

"Are you satisfied with the campaign so far?" Sir Charles was asked by your correspondent.

"I have every reason to be," replied Sir Charles. "My whole campaign from start to finish has been a series of the most remarkable demonstrations I ever knew. The demonstration in London the other night was one of the most splendid ever seen in Canada, and it has been the same wherever I have gone. The enthusiasm of the people where I have been lately surpasses anything before known, although I travelled the same territory with Sir John A. Macdonald. The feeling of the people all over the country is that the battle is already won, as I also believe myself we will have a large majority on June 23.

Sir Charles further spoke with the utmost hopefulness of what the result of the fight would be in Quebec and the Maritime Provinces.

### LIBERAL LEADERS AT MONTREAL

### Losing Hope and Confidence.

### Waning Enthusiasm of the Opposition.

MONTREAL, June 16.

Messrs. Laurier and Mowat spoke here last night. Mr. Laurier's voice would not enable him to speak more than a quarter of an hour, and the audience was exclusively French. The people were asking what good the Ontario Premier could do the Liberal cause. He, in fact, could not be heard by three-quarters of those present, and half of those who did hear him did not understand five words he uttered.

There is certainly a lack of enthusiasm about Mr. Laurier since his return from Ontario. Before the grit leader went west he told the reporters that he was sure of a government defeat. But to-day he merely says that he has a great deal of confidence in the success of his party. He told his friends that the Liberals had yet a great deal of work to do in the province of Quebec and in the Maritime Provinces.

### Tragedy in a Bank.

NEW YORK, June 16.

President Geo. W. Wyckoff, of the Bank of New Amsterdam, in this city, was shot by Charles Clark, a crank, in the corridor of the bank building yesterday. Clark then shot himself. Neither is expected to recover.
