Is it Another Fraud?

We are constantly receiving inquiries from all parts of the country, asking. "Is this true?" "Will you do what you claim?" or "Is this another humbug?" We are not basing our claim for public patronage upon new and unestablished articles for which there is little or no positive evidence of value—but upon old standards of merit, one of which has been in use over eighty years, generation after generation of families in the last four score years have vouched for it. We ask no one to take our word as a guarantee of value—we have many letters on file in our office from people who have used and sold our goods in years gone by, telling of results as wonderful as any known. We should take pride in showing them to anyone interested That simple remedy, Johnson's Anodyne Liniment, has probably saved more lives and afforded more relief to the suffering than any other known remedy. It is used and recommended by all classses of people—the high and the low, the rich and the poor, the educated and the ignorant. All who become acquainted with it, experimentally, are amazed at its wonderful power, and are loud in its praise ever after. It is marvelous how many different complaints it will cure or relieve. Its strong point lies in the fact that it acts quickly and effectually. This whole page would not suffice to enumerate one-quarter of the diseases, ailments—the broken, splintered and mutilated limbs; bent and stiffened limbs; jams, bruises, old sores, ugly cuts, burns, scalds, etc., which this Anodyne Liniment will positively alleviate or cure. What is the trifling cost of a bottle or a half-dozen of this Anodyne, compared with the worth of a human life? Lose not a moment but let every family be supplied. It is used as much internally as externally, many do not know this. No matter how well you know this medicine it will pay you to send to I. S. Johnson & Co., Boston, Mass., for a pamphlet, free, telling how to use the liniment economically. A teaspoonful properly used will often do more good than a half-bottle as some people use it.

Scott's Emulsion of Cod Liver Oil and Hypophosphites

Dr. Martin Miles Stanton, Bury Bucks, London England, says: "I have prescribed Scott's Emulsion, and taken it myself. It is palitable, efficient, and can be tolerated by almost anyone, especially where cod liver oil itself cannot be borne. Sold by all Druggists, 50c. and $1.00.
