In Memoriam

CASELEY — In loving memory of my mother Mrs. E. M. Caseley who passed away Feb. 15, 1955.
Loving thoughts of one so dear
Often bring a silent tear,
Thoughts return to things long past
Time rolls on but memories last.
Fondly remembered by Beatrice and grandaughter Joyce.

MACLEOD — In loving memory of my daughter, Jean Winifred MacLeod, who departed this life Feb. 15th, 1944.
Not only on this day
But all the whole years through
I still keep that sweet memory
Winnie Dear of you.
Lovingly remembered by her Dad, Herbert H. MacLeod.

COLLINGS — In loving memory of Mr. and Mrs. John A. Collings, Sturgeon, who passed away February 15th 1950 and June 22nd, 1956.
Away on the beautiful hills of God.
By the valley of rest so fair,
Some time some day when
Our task is done,
We will meet our loved ones there.
Ever remembered by sons and daughters.

MacQUARRIE—In loving memory of our father, John MacQuarrie who passed away December 29th, 1938.
And our Mother, Angelena MacQuarrie who passed away February 16th, 1952.
Some time, some day,
Our eyes shall see
The ones we loved so well;
Some days their hands
Will clasp in ours
And never say farewell.
Gone but not forgotten by the family.

Cards Of Thanks

I wish to thank Drs. Beer, Downing and Smith, nurses, Mrs. Sawler, Miss Cameron, Mrs. McCaul, Mrs. Reggie Bradshaw, Deaconess Miss Mary A. MacKenzie, Rev. J. D. MacKay, nurses and staff of Prince County Hospital for their kindness to me, also to all those who sent flowers, messages of cheer and who in any way helped to make my stay in the hospital more pleasant.
MRS. W. P. CAMERON.

Links British Inflation With Trade Troubles

LONDON (CP)—Peter Horneycroft, president of the Board of Trade, Tuesday linked Britain's problem of inflation with her trade difficulties in Canada.

Questioned in the House of Commons on Anglo-Canadian trade, the minister said:

"The measures the government are taking to curb inflation should result in an expansion of exports to Canada and other markets."

Trade observers feel Britain's buoyant home market is drawing goods normally destined for foreign buyers. They say that a reduction in inflation would free more commodities for sale abroad, especially to the dollar area.

"What is needed to help ease our dollar problem," Thorneycroft said, "is that we should win a larger share of Canada's import market."

He said Britain's trade deficit last year with Canada was about £200,000,000.

S. A. Gov't Wins Vote

CAPETOWN (Reuters) — South Africa's Nationalist government Tuesday won a test vote on sweeping measures to reduce sharply the voting rights of persons of mixed blood and to shear the powers of the high courts.

During a joint session of both houses of Parliament, angry white women demonstrators walked out of the gallery when ordered to remove black sashes and black roses of "mourning" for the constitution. They left amid cries of "police state!"

A handful of minority labor party members also left the crowded chamber. Their leader, Alexander Hepple, branded the joint session "a packed parliament and a fraud," and said his followers will "have no further part in it."

The senators and representatives convened to give first reading to a bill to remove voters of mixed blood from common electoral rolls. Another bill would limit the rights of courts to overrule acts of Parliament.

The joint session approved the first reading of the legislation after rejecting by a vote of 170 to 65 a motion by United party leader Jacobus Strauss opposing it. Debate on second reading will start today.
