Hard Workers

Many hard working people keep more money in the bank than they need for current expenses. By so doing they are making their dollars work for them—but not nearly as hard as if they bought the New Government of Canada Bonds which pay much better interest.

There is no safer place to keep money—and you can get cash quickly when you want it.

New Issue

Government of Canada

2 1/2% Bonds

Due: June 15th, 1968

Callable at 100 on or after June 15th, 1967

Denominations: \$500, \$1,000

Price: 99.50 and accrued interest

Note Carefully:

If you own First Victory Bonds—

The Government has called First Victory Loan Bonds for redemption on June 15th. Interest stops on that date so be sure to arrange to cash your bonds and reinvest in the New Canada Bonds. Prompt reinvestment avoids loss of interest.
