CASTORIA
Castoria is Dr. Samuel Pitcher's prescription for Infants
and Children. It contains neither Opium, Morphine nor
other Narcotic substance. It is a harmless substitute
for Paregoric, Drops, Soothing Syrup, and Castor Oil.
It is Pleasant. Its guarantee is thirty years' use by
Millions of Mothers. Castoria destroys Worms and allays
feverishness. Castoria prevents vomiting Sour Curd,
cures Diarrhoea and Wind Colic. Castoria relieves
teething troubles, cures constipation and flatulency.
Castoria assimilates the food, regulates the stomach
and bowels, giving healthy and natural sleep. Cas-
toria is the Children's Panacea—the Mother's Friend.

CASTORIA
Castoria is an excellent medicine for children.
Mothers have repeatedly told me of its
good effect upon their children.
Dr. G. C. Osmond,
Lowell, Mass.

CASTORIA
Castoria is the best remedy for children of
which I am acquainted. I hope this day is not
far distant when mothers will consider the real
interest of their children, and use Castoria in-
stead of the various quack nostrums which are
destroying their loved ones, by forcing opium,
morphine, soothing syrup and other harmful
agents down their throats, thereby sending
them to premature graves.

FOOTBALL IN THE STATES.
College football in the States is not play
for infants. In the Harvard-Pennsylvania
match at Philadelphia on Thanksgiving
Day several of the players were carried
off the field on stretchers. Broken noses
and ragged ears were so common as to ex-
cite little remark, and blood was scattered
over the plain. They "warmed the lean
over" with their gore, and when the
meeting was over the players were a sight
to see, yet the restrictions upon prize
fighting in the State of Pennsylvania are
a terror to brutal sports. College football
in the States may be a trial of strength,
but the violence which is permitted is de-
grading and must arouse the worst pas-
sions of the participants. Canadian col-
leges could give the Americans lessons in
scientific football.

ENDORSES DR. ROSE.
A Quebec Physician who Corroborates Dr.
Rose's Opinion.
PorteLanck, Dec. 3.—The letter of Dr. A.
G. McCornick, of Richmond, Que., testifying
to his complete and permanent cure
from Bright's Disease by Dodd's Kidney
Pills, has been read with much interest
here, supporting as it does the recent let-
ter of Dr. E. A. Rose, of this place, who
was cured of Diabetes by the use of these
pills. Of course no further corroboration
of the curative qualities of Dodd's Kidney
Pills was required other than the testimony
of Dr. Rose, but it is a satisfaction to
know that other medical men are able to
join the Dr. in testifying to the worth of
the pills from personal trial.

No one need pity you if you die of
consumption, without having tried
Miller's Emulsion of Cod Liver Oil, the
kind that cures coughs, colds,
bronchitis and all pulmonary diseases.
Every bottle warranted. No oily taste like
others. In big bottles, 50c and \$1.00, at
druggists.

Nervous debility, general debility, then
consumption; step by step, that's the way
they go. Take a course of Hawker's nerve
and stomach tonic, the greatest nerve and
stomach invigorator, blood builder, appetizer
and digestive and ever discovered, ere you,
too, reach the final step.

Ellie—Mamma, when I'm grown up,
if I don't marry anybody, shall I be

Mamma—Yes, dear.

Mamma—Yes, darling.

is going to do with me."—Washington

Testing His Honesty.
Your druggist is honest if when you ask
him for a bottle of Scott's Emulsion he
gives you just what you ask for. He knows
this is the best form in which to take Cod

Mr. P.—At a stag party, my dear.

"MAKE HENS LAY."
Such is the caption of an advertisement
that appears not only in the local, but
many leading agricultural papers, and
which suggests the propriety of a few
thoughts upon the subject. It may be laid
down as a rule that most people indulge
in raising poultry not for the pleasure it
gives, but for the profit that is realized
from the same, which must come from
young chicks or eggs, and since the chicks
must come from the eggs, the real profit
may be traced to egg production, so the
advice given in these words is of vital con-
sequence to the poultry raiser. "The
advertisement referred to recommends
Sheridan's Condition Powder to make
make hens lay, and so do we," says Mr. A.
F. Hunter, poultry editor of Farm-Poultry.
The hen to lay prolifically must be in perfect
health, must be in condition, and here is
based the true theory of the value of
Sheridan's Condition Powder—it promotes
the general good health of the fowl, gently
quieting digestion, and stimulating all
the various organs of the body as well as
the ovaries, to perform their functions.
At this season of the year the use of Sheri-
dan's Condition Powder is very valuable
for laying hens and young pullets. By its
use now they will get to laying earlier than
the price for eggs is very high. I. S. John-
son & Co., Boston, Mass., the only makers
of Sheridan's Powder, will send for 50
cents two 25 cent packs, five packs for
\$1.00; or for \$1.20 one large two pound
can of Powder, postpaid; six cans \$5.00,
express prepaid. Sample copy of the best
poultry magazine free.
