A full and prompt attendance is requested. H. B. C.—The annual meeting of the Hillsborough Boating Club will be held at their rooms this (Monday) evening at 8 o'clock. As important business will be transacted, all members are respectfully requested to attend.

POLICE INSPECTION.—The regular monthly inspection of the Police Force took place this morning. We understand that the Magistrate explained the position the city is now in, as a result of the repeal of the Canada Temperance Act, and gave the officers particular instructions relating to their duty in reporting the number and location of places in which liquor is sold, and all otherwise disorderly houses, and the evidence necessary to secure a conviction in each case. CHURCH SERVICES.—The services in the Baptist Church are full of interest and largely attended, sometimes taxing the capacity of the audience room. Six have recently been added to the Church—four by baptism and two by letter. At the close of last evening's service the pastor extended the hand of fellowship to five, after which the Lord's Supper was dispensed to the largest number partaking at the communion for a long time.

HOME FOR INTERMENT.—The body of John P. Wickham, who died at Nassau, Bahamas Islands, on the 13th ult., arrived via the Capes on Saturday and was interred in the family plot at Summerside, yesterday. Mr. Wickham, who was for some time Principal of Queen Square School, had many friends in this city, who, with THE EXAMINER, heard of his early demise with regret.

TORONTO VS. GRITS.—The arrangements for the great Hockey Match in Summerside—Toronto vs. Grits—have all been made. This match will be played to-morrow night. A number of town people intend accompanying the players. Fares on the railway will be at a reduced rate. The proceeds of this match are to be devoted to the Springhill Relief Fund, and we trust that a large sum will be realized. POLICE COURT.—This morning the Magistrate gave written judgment in the case of John McQuaid, charged with violating the Canada Temperance Act, dismissing the summons on the ground that, although the offence was committed while the Act was in force, he could not now be convicted owing to the fact that the Act was repealed. Three drunks were also disposed of.

ARRESTS FOR DRUNKENNESS.—The police court records show that the arrests for drunkenness during the month of January, 1891, numbered 17, against 20 for the month of January, 1890; and the number of arrests for the same offence during the month of February, 1891, was 13, exactly the same as for the month of February, 1890. MEMORIAL SERVICE.—The children of our three Methodist Sunday Schools gathered in the large church yesterday afternoon to the number of a thousand. It was a pretty sight. Several of the young folks told, in their childish way, about that good man John Wesley, who died one hundred years ago, and in loving memory of whom they were met. Little Harry Sterna told how Wesley, when a boy, was reached out by one tall man standing on the shoulders of another. Master John Lewis read a sketch of the state of England in Wesley's time, showing the low ebb of religion and morals, and the apathy and carelessness from which he aroused the church. Masters Pickard and Tombs described Wesley's narrow escapes from shipwreck and mobs. Rev. Mr. Read occupied the chair. The whole service was impressive and must have brought home to the minds of many present that although God blesses his workmen the work goes on.

Poster at Fredericton. The Loyal Sentiment in New Brunswick.

ST. JOHN, March 2. Premier Fielding of Nova Scotia spoke at the Mechanics' Institute, St. John, Saturday night. St. John people resent this Nova Scotian interference in their affairs. Hon. Mr. Foster addressed an immense meeting in Fredericton City Hall on Saturday night. Many old-time Liberals were on the platform. At the close, Sir John Allen, Chief Justice of New Brunswick, and a life-long Liberal, proposed three cheers for Foster. Sir John, like others, cannot swallow annexation. A private letter from Sir John's intimate friends says the Government will have thirty-seven majority in the new House.

Success in the Murray Harbor District.

McDonald and McLean received an enthusiastic reception all over the Murray Harbor District at the meetings held last week. Great indignation is felt by the electors at Dr. McIntyre's action in Georgetown on nomination day. McIntyre has been afraid to face the music at Georgetown and Sturgeon, and Robertson dare not appear before the DeGros Marsh electors. People all over the country are becoming disgusted with the miserable arguments of McIntyre and Robertson, and the general opinion is that on Thursday next they will be "snowed under."

MEETING AT CAPE TRAVERSE. Strong for the Tunnel and for Howlan and Hunt.

SUMMERSIDE, March 2. The Grits got up a private meeting at Cape Traverse to hear Captain Jos. Read tell this rotten potatoe story. The Conservatives got wind of it and wired Summerside for some friends, which brought down Hon. D. Rogers and Mr. Macquarrie, barrister. The former gentlemen made a splendid speech on the trade question which he understands so well, and made a laughing stock of the frozen potatoe orator. McQuarrie very ably exposed the hypocrisy of the Grit party, and appealed to them to stand by the party who were willing to build the tunnel, and had no doubts of its feasibility and practicability. The audience who came to Cape Traverse to hear the Grits, and broke up with cheers for the tunnel, and Howlan and Hunt, leaving the captain and chairman as they marched out of the hall.

MEETING AT EGMONT BAY. Splendid Speech by Howlan.

SUMMERSIDE, March 2. Egmont Bay hall was packed on Saturday night. Addresses were made by Messrs. Blanchard, MacMillan, Hunt and Howlan and Hon. J. O. Arsenault. Howlan made his best speech during the campaign, making an eloquent appeal to the loyalty and patriotism of the French electors to stand by the constitution which gave them more rights than they could obtain under any other flag. He was loudly applauded by the large audience who rose to their feet and cheered over and over again as he sat down. Large desertions to the Government ranks will be made at this polling division. The meeting broke up with cheers for the tunnel, the candidates and Sir John Macdonald.

MEETING OF CITIZENS TO PROVIDE RELIEF FOR THE SUFFERERS.

A meeting of citizens was held in the City Council Chamber on Saturday afternoon, at three o'clock, to take into consideration a telegram received by Mayor Haviland from Mayor Hall, of Springhill, N. S., appealing for pecuniary assistance for the many families rendered destitute and helpless by the recent mining horror at that place. Mayor Haviland occupied the chair, and Mr. R. R. Fitzgerald acted as secretary. After the reading of the telegram from Springhill and some preliminary discussion, the following resolution, moved by Mr. Palmer and seconded by Senator Haythorne, was adopted: Resolved, That a subscription list be opened for the relief of the sufferers by the Springhill disaster. On motion of Mr. Morris, seconded by Mr. Fitzgerald, the following resolution was also carried: Resolved, That the St. John Fire Relief Fund Committee apply to the bank for the unappropriated balance of that fund and add it to the amount subscribed for the benefit of the Springhill sufferers. Moved by Mr. Fitzgerald and seconded by Mr. Cassidy: Resolved, That subscription lists be sent to the clergymen in charge of the different churches to obtain subscriptions from their congregations. The following executive committee was then appointed: Mayor Haviland, Judge Hensley, W. A. Weeks, R. R. Fitzgerald, James Ryne, Charles Palmer, Senator Haythorne, A. Kennedy, T. A. McLeod and Dr. McLeod. Mr. R. R. Fitzgerald was appointed treasurer. The meeting then adjourned.

A special meeting of the executive committee will be held this (Monday) afternoon at five o'clock. A full and punctual attendance is requested.
