RULES AND REGULATIONS.

NOTICE is hereby given, that in pursuance of resolutions passed by the Committee, the following alterations and amendments have been made in the Rules of the Society, viz:— SPURCE TIMBER will be allowed for first foothooks and amidships, to an extent not exceeding one-half the length of the keel, in ships of the 6 years' grade. And for outsidings planking "from first foothook heads to light mark" in ships of the 6 years' grade; also for "shelf-pieces, clumps, and lower deck waterway" in ships of the 5 years' grade.

TABLE A will be amended accordingly. SECTIONS 39 and 62, requiring ships, the length of which exceeds six times their extreme breadth, to be fitted with a rider keelson or a pair of sister keelsons, has been amended as follows, viz:— "If a rider keelson be adopted, it is to be fastened with a through bolt (of the size required in Table D for keelson bolts) in every frame; or, if the owner prefers it, every intermediate bolt may be short, passing only through the main and rider keelsons." And such short intermediate bolts may be of iron in ships claiming an additional period for copper or yellow metal fastenings, under the Rules, Sec. 46. It has also been made a rule that in all cases in which a rider keelson is fitted, it must be fastened as prescribed above, irrespective of the relative dimensions of the ship.

The Committee have instructed their surveyors to satisfy themselves of the efficiency of the caulking in the cases of new ships, by having pieces cut out of the bottom, as the only means of ascertaining with certainty this important point.

And to obviate the evils arising from grain-out and knotty treenails (the Committee considering that in all cases they should be made from cleft timber), the surveyors have also been instructed to object to the use of such treenails.

By order of the Committee, GEORGE B. SEYFANG, Secretary.

A new, speedy, and most successful mode of treating Spermatorrhoea, Nervous Debility, and all Urino-Genital Diseases. Seventy Engravings. Price 1s. through all Booksellers, or post free from the Author for 14 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excess, infectious climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invid; observations on Marriage, the prevention and removal of certain disqualifications; rules for self-treatment, &c. By WALTER DE ROOS, M.D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c. &c. &c. 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 1 till 4, Sunday excepted. Great Britain street; Edinburgh, Robinson, 11, Green-side; Glasgow, Love, Bookseller, and by all the Agents. From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c. have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidently be safely extended. Dr. De R. refers with pride to the numerous cases he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration. Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

THE GREAT EUROPEAN REMEDY FOR NERVOUSNESS, RELAXATION AND EXHAUSTION. Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' GUTTE VIRE, or LIFE DROPS, are the great remedy for Spasmodic, Nervous, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c. are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when every thing else had failed, and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 15s. and four times the quantity at 3s. per bottle, of the Agents below. The £5 packages containing twelve 15s quantities, (by which £1 12s are saved), will be sent from the establishment only, on receipt of the amount per draft on a London house or otherwise. CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honourable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

PAINS IN THE BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, DISEASE OF THE KIDNEYS AND BLADDER, STRIC TURE, &c. DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effectually remove copious uric acids, and all such dangerous morbid matter as utterly failed. 2s 9d, 4s 6d, 12s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners-street, Oxford-street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent. Many there are who, from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense. Sold at Langley's Drug Store, Hollis-street, Nova Scotia; by Hazard, Charlottetown, Prince Edward Island; Ward, News Office, Sydney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Hulse & Nephew, Agents, Treacher & Co, Poonah and Karachi; Smith & Co, Scinde; Dodsworth & Co, Clark, Romer & Co, and Gawin & Co, Colombo and Candy; Lyman & Co, Montreal; Pestonjee & Co, J. Military Square, Bombay; R. Ross, Laboratory, Falmouth, and Lawton, Advertiser Office, Antigua; Haylock, Belize, Honduras; West, Palmer & Co, Kingston, Canada; Strickland & Co, Mobile, Alabama; Stampa, Constantinople; Paisley & Fryer, 384, George-street Sydney, and Ford, Chemist, Swanston-street, Melbourne, Australia. Agents in proceeding any of the above, enclose the amount by draft or otherwise to 10, Berners-street, Oxford-street, London, and they will be sent securely packed per return July 7, 1858.

HEALTH will, in all cases, follow the use of Radway's R. R. Remedies. There are none so quick or disease-dissolving, so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Renovating Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure.

These remedies consist of Radway's Ready Relief; Radway's Renovating Resolvent; Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. Yet there are other diseases wherein their combined medicinal properties are required; and when thus used, if there is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

The Great Ambassador of Health! TO ALL MANKIND.

HOLLOWAY'S PILLS.

A BOON TO THE SICK!

The want of a sterling medicinal preparation to meet the many "ills that flesh is heir to," and one entirely free from minerals and other deleterious particles, was severely felt till this all powerful medicine was ushered into the world. Holloway's invaluable Pills have become the Household remedy of all nations. Their attribute is to prevent as well as to cure. They attack the root of the complaint, and thus by removing the hidden cause of disease, re-invigorate and restore the drooping energies of the system, assisting nature in her task of vital and functional reformation.

INDIGESTION.

The great scourge of this country, as well as of all hot climates and marshy districts, yields quickly to a course of these invaluable Pills, and the digestive organs are restored to their proper tone, and fevers of all kinds avoided. It matters not in what shape this derangement exhibits itself, Holloway's searching and unerring remedy expels it from the patient's system.

GENERAL DEBILITY.

From whatever cause, Lowness of Spirits, and all other signs of a diseased liver, or of a general disorganization of the system, vanish under the eradicating influence of this powerful and most searching remedy, which in warm and relaxing climates act like a charm.

FEMALES

Should lose no time in trying a few doses of this regulating and renovating medicine, whatever may be their complaint. It can be taken with safety in all periodical and other disorganizations. Its effect is all but miraculous, either to young persons entering into womanhood, or to those at the turn of life.

BILIOUS COMPLAINTS.

Those who suffer from bile and liver complaints should try the effect of this valuable remedy, a few doses of which will make the sufferer feel elastic and vigorous, remove all impediments, cleanse the blood from all impurities, give a healthy action to the liver, and strengthen the stomach. If bilious attacks be allowed to continue without using such a preventive, fever will arise, and the sufferer be confined to a bed of sickness. These Pills are an extraordinary remedy in removing acidity from the stomach and correcting indigestion, especially in hot and swampy localities.

A CERTAIN CURE FOR COUGHS AND COLDS. The cause of half the diseases to which humanity is liable is the mode of treating the human system when attacked with these disorders, which often lead ultimately to a fatal result. By persevering in the use of Holloway's Pills, the most obstinate cold or cough is soon checked and cured; for this medicine, by purifying the blood, regulating the secretions, checking the depraved humors, and encouraging a free perspiration, rapidly puts the system into a sound and vigorous condition, thereby enabling it to throw off the disorder. The cure is complete and permanent, particularly if Holloway's Ointment be well rubbed into the chest and throat night and morning.

COMPLAINTS INCIDENT TO CHILDREN.

In no country in the world are more children carried to an early grave than in this. Cough, measles, scarlatina, fevers and similar diseases attack the little sufferers, and death too often follows at a rapid pace; yet, if at the first stage of the complaint parents were to have recourse to Holloway's Pills, all danger would be avoided; for the stomach and bowels being gently but effectually cleansed by this mild aperient, the depraved humors corrected, and the secretions duly regulated, a perfect cure is soon effected, and the little patient is restored to sound health.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Table with 4 columns: Disease, Liver complaints, Female Irregularities, and other ailments. Includes Asthma, Dysentery, Erysipelas, Lumbago, Bilious Complaints, Female Irregularities, Piles, Tic-Doloureux, Blotches on Skin, Rickets, Retention of Urine, Ulcers, Bow's complaints, Fevers of all kinds, King's Evil, Dropsy, Consumption, Head-ache, Sore Throats, Debility, Indigestion, Stone and Gravel, Inflammation, Secondary Symp., Dropsy, Jaundice.

Sold at the Establishments of Professor Holloway, 244 Strand (near Temple Bar) London, and 30, Maiden Lane, New York; also at all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s. 3d., 3s. 3d., and 5s. box. There is a considerable saving by taking the larger sized box. N. B.—Directions for the guidance of patients in every disorder are affixed to each Box. June 6, 1859.

GREAT P. E. ISLAND REMEDIES!

WILLIAM R. WATSON would direct public attention to the annexed original Preparations, which he guarantees to be all that he claims for them, viz., the best Medicines of the kind ever offered to the public. Innumerable certificates, of the highest authority, might readily be adduced as to the efficacy of each, but the universal celebrity they have attained throughout this Island where they are manufactured, and consequently best known, renders it unnecessary.

Balsamic Syrup.

AN INVALUABLE REMEDY FOR COUGHS, COLDS, HOARSENESS, ASTHMA, CHRONIC COUGHS, INFLUENZA, DIFFICULTY OF BREATHING, AND ALL DISEASES OF THE LUNGS, AND PULMONARY COMPLAINTS. This Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness in the Throat, &c. It operates by dissolving the congealed phlegm, thereby causing a free expectoration.

Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle will, in most cases, effect a cure.

Where a gentle aperient is required, take an occasional dose or two of "WATSON'S DYSPEPSIA BITTERS." They operate without producing those unpleasant and often distressing effects which frequently continue for a day or two after taking powerful medicine.

Dyspepsia Bitters.

AN INVALUABLE REMEDY FOR DYSPEPSIA, OR INDIGESTION, JAUNDICE, BILIOUS COMPLAINTS, BAD BREATH, SICK HEADACHE, HEARTBURN, ACID STOMACH AND DIARRHŒA, AND ALL DISEASES HAVING THEIR ORIGIN IN COSTIVENESS AND BAD DIGESTION.

This Bitters will be found beneficial in the first stage of Diarrhœa or Dysentery, by taking half a teaspoonful at bed time, but when it fails, "WATSON'S DIARRHŒA MIXTURE" will be found a perfect remedy.

Dysentery & Diarrhœa Mixture.

IS A SAFE, SPEEDY AND EFFECTUAL REMEDY FOR DIARRHŒA, DYSENTERY, CHOLIC, AND DISORDERS OF THE BOWELS GENERALLY—in ADULTS AND CHILDREN; AND IF PROMPTLY APPLIED IN CASES OF CHOLERA, WOULD BE PRODUCTIVE OF THE HAPPIEST RESULTS,—AS IT QUICKLY RELIEVES ACUTE PAIN, DISPEPSIA FLATULENCE, SUBDUES PURGING, AND COMFORTS AND INVIGORATES THE WHOLE SYSTEM.

The public will please observe, there is a Seal—"Watson, Druggist, P. E. Island,"—upon the Cork of each Bottle, and that on the back (in panel) of each Bottle there are these words:—"W. R. Watson, Charlottetown, P. E. Island," without which none are genuine. Charlottetown, Jan. 11, 1858. 1y
