MACKENZIE IS FIRST OF CLASS

The Mackenzie name ship of the navy's newest class of destroyer escorts, arrived in Halifax Monday on her maiden voyage from Montreal.

More of the new sub-fliers are under construction. The 2,000-ton Mackenzie is commanded by Cmdr. A.B. Gallivan of Ottawa and Halifax. She is 366 feet long and 42 feet in beam. (CP Photo)

Labor Council Makes Plea For \$4 As Minimum Wage

By STAN BOWLES

Guardian-Patriot Staff Writer In the brief submitted to the Labor Relations Board, the Charlottetown and District Labor Council is a first right urged that a rate of \$4 per hour should be set as an absolute minimum for male labor throughout the province in certain fields.

Under these circumstances the council firmly believed it would be unable to expand employment through periods of inclement weather. Further aspects which should be taken into consideration regarding farm labor and fishermen catching of fish, should not be governed by the act.

mens assistants not coming under the act in addition to stony weather a number of other factors must be considered. In many instances, board, or both room and board are provided, and also the price being received for the primary product is altogether out of the control of the producer, regardless of loss of production.

Russia Tests New Rockets

MOSCOW (Reuters)—The Soviet Union fired new-type rockets more than 7,500 miles across the Pacific Tuesday and Wednesday, opening a test series with "cosmic" objectives, it was announced Wednesday.

The Soviet news agency Tass said "a u c e s s f u l" launchings were carried out of a new type of multi-stage carrier rocket for cosmic purposes. It said because of the "good results" from Tuesday's test the Soviet government decided that from today the launchings west of the Marshall Islands could be temporarily resumed for air and sea traffic. The government had warned traffic away.

Tass in announcing the test series two days ago said the launchings would be carried out between Oct. 16 and Nov. 20. He said the flight of the rockets and the operation of all the stages was according to plan.

China Threatens Indian Aircraft

PEKING (Reuters)—China warned India Wednesday it is the first of being compelled to sign a treaty for the withdrawal of its aircraft.

The only risk to the Soviet Union in this information is that if they really have it is the risk of being compelled to sign a treaty for the withdrawal of its aircraft. They have this information and are withholding it from us then that, I submit, is a crime against humanity.

China threatened to send a new note to India on the Sino-Indian border dispute. China said this would "show the Indian government that we are prepared to discuss the matter on any basis."

Ben Bella Visits Cuba

CP from AP-Reuters HAVANA—Juanity wearing Fidel Castro's olive-green beret, Premier Ahmed Ben Bella of Algeria left Havana Wednesday in a special Cuban airliner bound for New York for a 28-hour visit with the Cuban leader.

Ben Bella is an ex-rouge hero of the Algerian revolution. He is the first Algerian leader to visit Cuba. He is expected to arrive in New York on Friday.

Elia Becomes Hurricane

MIAMI, Fla. (AP)—Tropical storm Elia became a hurricane Wednesday, about 200 miles north-west of its course toward the U.S. Weather Bureau said.

Elia's eye of circulation was described as extremely large, 80 to 120 miles in diameter. Gale-force winds extended 250 miles north of the storm's center and 175 miles southward. Small craft from Cape Hatteras, N.C., to Cape Canaveral, Fla., were warned to remain in port.

Elia's eye of circulation was described as extremely large, 80 to 120 miles in diameter. Gale-force winds extended 250 miles north of the storm's center and 175 miles southward.
