**ROOT OF TROUBLE**

Any plumber will tell you that the pipe which connects your home with the street sewer or septic tank often presents a special problem. If the joints of this pipe aren't tight, tree roots may get into the pipe and clog it.

To minimize this hazard, Johns-Manville makes white sewer pipe called Transite House Connection Pipe. It has special "Taper-Tite" joints designed to keep roots out. Made of asbestos and cement, Transite is strong, yet light and easy-to-handle. Long 10-foot lengths make it easy to lay.

For complete facts on Transite House Connection Pipe, write Johns-Manville, Sun Life Bldg., Montreal, or see your nearest J-M dealer.

**Fine Contributions**  
**To Red Cross Drive**

The Red Cross caravans in Stella Maris Parish, North Rustico, organized under the direction of Rev. Eric Robin, P.P., met with outstanding success when \$80.56 was subscribed. On looking over the lists submitted to Provincial Headquarters with the returns, it would seem that everyone residing in North Rustico made a contribution towards the 1950 campaign, and Father Robin and his parishioners are to be heartily congratulated on the fine showing made.

Other contributions to the Red Cross annual appeal received at Campaign Headquarters during the week almost all show increasing increases over the amounts subscribed last year which testify to the high regard in which the Red Cross is held throughout the province. Following are some of the amounts received: Clyde River Fox Club in memory of Fred Burke, \$11.00; Millview, \$49.15; Blooming Point, \$16.50; French River, \$54.30; Pownall, \$45.00; Johnston's River, \$12.50; Point de Roche, \$5.46; Glenroy, \$16.75; Orwell Cove, \$54.50.

**The Easter Parade**

She's a dainty looking morsel  
 As she saunters down the street,  
 From her latest hat creation,  
 To the bottom of her feet.

She's as fresh as springtime breezes,  
 With the roses in her cheek,  
 Just a lovely breath of Heaven!  
 Easter glamour at its peak.

She's a winner that is certain,  
 With her jaunty little air,  
 Doesn't seem to have a worry—  
 Or a single earthly care.

She's as dapper as a flapper,  
 And that sparkle in her eye,  
 Makes me wonder if some stardust  
 Nestled there, from Heaven high?

She's as lovely as a bouquet  
 With a fragrance mighty sweet  
 As she swings along so gaily  
 In her outfit—O so neat.

She's a dainty looking morsel  
 Right from Springtime's sunny glade,  
 Surely now, you know it's Easter,  
 All the girls are on parade!

**ONE ACCIDENT REPORTED**—City Police reported only one accident yesterday. It occurred at about 8 o'clock last night, when a car proceeding south on Queen St. struck a taxi proceeding west on Grafton, at the intersection of Queen and Grafton streets. Slight damage was done to both cars.

**TRAIN LATE**—The Borden train was two hours and five minutes late last night. The delay was said to be caused by connections on the Mainland and delay in loading the train on the boat. Ice delayed the boat 15 minutes crossing after arriving in Borden. The train was again delayed 15 minutes in unloading. The delay in loading and unloading were said to be due to the large number of railway cars making the crossing.

**HEAVY POTATO SHIPMENTS**—The reifer car situation is much improved and the quantity of potatoes leaving the Province is surprisingly large which indicates a very excellent demand states the weekly market report of the Provincial Department of Agriculture prepared by Mr. W. R. Shaw. From 50 to 80 cars are being ferried across daily and at this rate the stock pile should rapidly be whittled down. He notes that potato supplies are being cleaned out of storage and that no trucks are able to move on the roads. He sees the possibility however, that if the roads were opened up at once there might be a pressure on the market which would soften it still further.

**SPLEAS FOR BLIND**—Mr. G. E. Wood, Field Secretary in the Prince Edward Island district of the Canadian Institute for the Blind was guest speaker at the bi-monthly meeting of the Kinmen Club held at the Charlottetown Thursday evening. Mr. Robert Bradley was chairman. Mr. Wood in his interesting address outlined the work of the Canadian National Institute for the Blind and the social legislation which exists for the blind. An asset in his social work for the blind, says Mr. Wood, is the fact that at the age of six he lost one eye in a "bow-and-arrow" accident and later in his early teens he lost the other eye when he was struck by a stone thrown by a small boy. Admitted to the Kinmen Club was a new member, Mr. Hal Cunningham.

**Blood Bank is Greatly Overdrawn**  
 Members of the Prince Edward Island Red Cross Executive were shocked to hear at yesterday's regular monthly meeting that the Province's deposit in the Maritime Blood Bank is now overdrawn by 334 bottles, according to the report of the Provincial Chairman, Lt. Col. L. F. Macdonald. This can be rectified if citizens of Charlottetown and Summerside and the surrounding districts, and the R. C.A.F. personnel at Summerside will be generous in their response to the appeal for donors when the Mob-

**An Easter Canticle**

Night in the Garden, and the Tomb is sealed  
 Where rests the Body of the Crucified;  
 Low sighs the wind among the olive trees,  
 Earth's plaint, for Him who died.

Dawn in the Garden, and the robin's note  
 Tremulous, awaking, floats on the air  
 Bearing the fragrance of the dewy morn,  
 Breathing a beauty rare.

Morn in the Garden, and the feathered choir  
 Heralds the beautiful coming of the Day  
 Destined to bring to Earth a ray of light  
 To guide its darkened way.

Light in the Garden, now the sun comes up  
 Flashing its golden banners in the sky,  
 Lighting a pathway to a rock-bound Tomb,  
 Where only grave-clothes lie.

Fear in the Garden, where the watch falls prone,  
 Awed by the radiance of the risen King,  
 Stunned by the lightning of the Saviour's glance,  
 Blindly to earth they cling.

Joy in the Garden, for the Saviour comes  
 Forth from the Tomb, 'tis Resurrection Morn,  
 Sing, oh my soul, a canticle of love,  
 Of life — and hope — and reborn!

**Musical Festival Ass'n Executive Holds Meeting**

The Musical Festival Association held an executive meeting in Room D of the Y.M.C.A. on Thursday evening, April 6th. The president, Lt.-Col. Lowther presided. The secretary reported over a thousand entries received for the forthcoming festival. St. Paul's Church has been engaged as the extra hall for festival week. There will be sessions in St. Paul's Hall each morning and Wednesday evening and three sessions each day at Prince of Wales College. The concerts on Friday and Saturday evenings of prize winners will be in Prince of Wales College. Miss Louise Cox and Mrs. Allison MacRae are to be the official accompanists.

The Allotment Committee reported that \$750 is to be sent to 29 rural districts to assist those districts with their choral music which is being prepared for the coming festival. The Association is to hold a meeting for all members prior to the festival.

**Guide Leaders District Meeting**

The North District Local Association of Charlottetown, held their annual meeting at the home of Mrs. J. S. Macdonald, on March 27th. Mrs. E. M. Bagnall, as chairman opened the meeting, the minutes of the last meeting were read and approved.

Money has been raised during the winter and a satisfactory balance was reported by the treasurer Mrs. Rossiter. Parkdale Brownie Pack had received a loan for uniform equipment and had repaid very promptly in two instalments. This was much appreciated by members who feel great credit was due to Mrs. Vessey. It is with sincere regret that Mrs. Rossiter's resignation as treasurer was accepted.

The chairman of each Church group gave a short report on the activities of their Guide and Brownie Packs.

Mrs. Jenkins, our Field Secretary, reported on the North Charlottetown Companies, and good progress had been made during the year. The Brownies are at present working on the Shield Contest that is to be judged this month.

Mrs. E. M. Bagnall announced that she was resigning as Guide Commissioner and introduced Mrs. Ralph Dumont who would be Commissioner for the North Charlottetown Companies and Packs. Members regretted the resignation of Mrs. Bagnall, who had been such a successful chairman for the past four years.

Lunch was served by Mrs. Macdonald and Mrs. Bagnall, and the meeting came to a satisfactory conclusion.

**Seed Prices High This Spring**

Indications that seed prices for the farmer may be high this spring are given in the weekly market report of the Provincial Department of Agriculture. "One or two of our seed men tell me," states Mr. W. R. Shaw "that No. 1 timothy will cost from 97 cents to 40 cents per pound. Clovers will be from 46 to 50 cents. On this basis it will cost \$6.00 or better per acre for small seeds to seed out." He notes that if a farmer has 25 acres to seed out he will have an outlay of \$150.00 or more on small seeds and if he takes his oats in addition, his cost per acre on all seeds would be between \$11.00 and \$12.00. One bright point, he indicates, is that a lot of timothy seed and even some clover have been saved, and there are some good supplies of barley and oats available. The price of No. 1 commercial oats retailed through dealers ranges anywhere from \$4.50 to \$5.00 per cwt., with barley at approximately the same level.
