Footwear

Please be informed now, that footwear will be very closely monitored!

Great damage and additional maintenance is caused by dirty or streetwear sneakers being worn in the building. As a result they will not be allowed. Sand, salt, and water will ruin our new floors, so please do your part by wearing only sneakers you wear indoors. Black soled jogging type sneakers will not be allowed on any hardwood floors, but may be used on the jogging track, as long as they are not used as an outdoor shoe also. Proper footwear is a must! If your footwear is not deemed satisfactory, you will be instructed to remove it.

Court Bookings

In order that we may serve as many users as possible in the Racquet court areas, a court booking/reservation system will be used. The following procedures will be followed:

- all reservations will be for 45 minutes.
- When booking you must name your partner(s)
- No back-to-back booking will be accepted until the first booking is completed, and then only when there is no other reservation pending.
- Back-to-back bookings by partners are not permitted.
- all cancellations should be made as early as possible, to allow the courts to be re-booked.
- twenty-four hour advanced bookings will be accepted.
- 10 minutes grace will be permitted late arrivals before court is rebooked.
- bookings are accepted with the understanding that proper gear will be worn.
- anyone not having proper gear will be asked to vacate the court until such time as they acquire said gear.
- court bookings may be cancelled if:
 - (a) Misuse of the courts is determined
 - (b) court maintenance or repairs are required
 - (c) a priority event is booked in the interm
 - (d) it is determined the person booking the court is an ineligible user
 - (e) as facility management determines necessary
- in the case of cancellation those booked will be notified as early as possible, and where applicable will be rescheduled to an alternate time.
