### Island Hockey Scene

An attempt was made Wednesday night to organize a 'home-brew' hockey league on Prince Edward Island. We attended the meeting which was held at the Charlottetown branch of the Canadian Legion and representatives from Charlottetown, Miramichi and Montserrat were in attendance. Summer side representatives had said earlier that in all probability they would be represented at the meeting, but they failed to show.

Yes! Backy Trainer, manager of the Charlottetown Forum, chaired the meeting. Mr. Trainer asked the representatives if they had the different centres for their views on what steps should be taken in order to revive hockey here on the Island. For the past couple of years Island hockey fans have been rather starved for hockey action. Last year there was no registered league on the Island.

ST. DUNSTON'S UNIVERSITY playing in the Maritime Intercollegiate league a lot of followers, but the University team plays approximately five games at home which is hardly enough action to satisfy Island hockey enthusiasts.

The Trainer listened to the different ideas as expressed by those present at the meeting but said "I don't feel we can accomplish anything until we elect an executive and I feel we should give the other centres a chance to send delegates before we decide upon an executive committee."

THE ISLAND is definitely in need of hockey which will give local hockey fans something to look forward to in the winter months and which will give many of our younger citizens somewhere to play when their junior days have expired.

We feel that the first step towards this goal is to elect an executive which would consist of the four parties connected with the operation of the league. Thus if the executive sees that one team is strong, they should have the power to change players from one team to another in order to insure the fans of a well balanced brand of hockey.

The teams responsible persons at the helm, as well, to see that when their team makes a road trip that they are full line-up. It is also important that league officials be kept abreast of their proper time when it is at all possible.

WE THINK that a Summer side, Charlottetown, King's County and possibly a team from the R.C.A.F. base in Summerside to form an Island league that they would draw well and have a successful year.

We also feel that it is the only solution to the Island hockey problem. The idea that was being tossed around at the close of last season of a team in the Maritime Senior 'A' circuit is out as far as we are concerned. This would mean bringing in imports, which would demand salaries that an Island team would not be able to cope with.

The Maritime Senior 'A' has been on the brink of elimination, due to financial difficulties, for the past few years. We think the Island would only be jumping from the frying pan into the fire. There isn't enough local talent to compete in a league of this calibre with the highly paid imports.

Those present at Wednesday night's meeting decided to call another meeting for Tuesday night and at that time attempt to elect an executive. This would give the representatives from the various centres a chance to discuss the matter with the people in their respective areas.

The meeting will be held at the Charlottetown Legion home and will be open to all those interested in contributing to this venture. The meeting is scheduled to get underway at 8:30 p.m.

### Tid Bits From Here And There

We learned last night that Charlottetown's Fernie Kennedy will be performing in the National Hockey League this year. Bruins' general manager, Lynn Patrick said, "He's with us now and we feel quite certain that he'll stay with the team this season." He's to dress for tonight's exhibition game between the Bruins and the Victoria B.C. Maple Leafs of the Western Hockey League.

Dick Tiger, former world middleweight champion, and Joey Archer were matched Tuesday for an October 16 bout at Madison Square Garden. The Garden also announced a 10 round match for October 23 between veteran Carl 'Bobby' Anderson and Joe Torres.

Ociele Elison, professional from Tacoma, Washington, scored a hole-in-one Thursday on the par-three, 27-yard seventh hole at Broadmoor Golf club and won a \$10,000 prize. The bonus was voted in the Seattle Open tournament now in its second round.

Chuck McKinley, the top ranked U.S. tennis player will meet Fred Stolle, No. 2 man on the Australian team, in the opening Cup challenge round today.

We made a mistake in yesterday's column when we said that the Summerside High School football team would journey to Moncton this weekend. The game is set for Queen Elizabeth Park at 1:45 p.m. on Saturday. The Moncton team defeated the Summerside crew 19-13 in a game played here last year.
