

Intramural Scoring

by CIMN Travelling News

In the "second" championship game to decide the second semester winner in Women's Broomball, it was Daze students up against Powerful Bernie 1.

Equipped with brooms and sneakers, Bernie 1 made their way over to the rink chanting "Daze Students suck the grand poobah". Once inside the rink, the chanting ceased, and all thoughts were concentrated on the upcoming game.

Vince's prediction of 5-1 odds for Bernie 1 came through as they cleaned Daze Students 3-0.

Esther Dejangs, outspoken member of the Daze Students Squad, ignorantly complained that Vince was spending too much free time charming the twins and not enough time coaching Daze Students. Well, Esther! just think if you were a twin, you could be charmed by Vince and

play jokes on your dates as well.

Bernie 1 triumphantly paraded around campus immediately following the win. Much to the dismay of the second floor, they offered only slight congratulation to the champions.

Just a quick look over Broomball action this past year: it has definitely been noted that drastic improvements have been sustained by all teams in areas such as swearing, puking on the ice, showing off for varsity hockey players, and becoming an intramural jock. If you have not been accounted for in any of these categories, you had better pick up one of the latest mags on intramural sports: "How to be a Jock & Study" "Ways to Dodge Horny Intramural Directors" "How to get Rid of Intramural Jock Itch" "The Real Life of a Monozygotic Twin" "How to Watch a Ref, Shoot, and

Score at the Same Time".

If these magazines are not available at the UPEI Bookstore, contact Vince (the horny intramural director). But remember, order before midnight today!

To compensate for the basketball and broomball games, ball hockey and indoor soccer have been started.

Only one score was relayed to the CIMN Travelling News.

This was the game between Bernie 1 and Bernie 2. The final score was 3-2 for Bernie 2. More on soccer & hockey next week.

Remember! there's a definite difference - just like Dominion (LeBlanc) Read the UPEI SUN!!!!
