

Uncle Esck's Wisdom.

The man who knows most of himself is the best judge of his neighbor. What mankind wants is mercy. Justice would ruin most of them. Habits, reputations and opinions are very changing, but character is always the same. There are heroes in every department of life, a faithful servant is one of them. He who is a fool and knows it can very easily pass himself off for a wise man. The man who has a little more to do than he can attend to has no time to be miserable. It may be possible for three persons to keep a secret, provided two of them are dead. Metaphysics seems to be the science of knowing more than we can tell, and at the same time telling more than we know. Whatever we get in this world we not only have got to ask for, but to insist upon; giving away things is not a human weakness. The city is the place to study character. After you have measured the postmaster, the blacksmith and the justice of the peace in the country village, you have got the size of the whole town.

The treatment of many thousands of cases of those chronic weaknesses and distressing ailments peculiar to females, the Female Debility and Surgical Institute, Buffalo, N. Y., has afforded a vast experience in nicely adapted and thoroughly testing remedies for the cure of women's ailments. Dr. Pierce's Favorite Prescription is the outgrowth, or result, of this great and valuable experience. The following testimonials, received from patients and from physicians who have tested it in the more aggravated and obstinate cases where the female's health proved to be the most wonderful remedy ever devised for the relief and cure of suffering women. It is not recommended as a "cure-all," but as a most perfect specific for woman's peculiar ailments. As a powerful, invigorating tonic, it imparts strength to the whole system, and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest benefactor. It is a most powerful and appetizing cordial and restorative tonic. As a soothing and strengthening medicine, it is equally effective in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the womb. It induces refreshing sleep and "relieves mental anxiety and despondency." Dr. Pierce's Favorite Prescription is a legitimate medicine, carefully compounded from an experience and skillful physician, and adapted to woman's delicate organization. It is purely vegetable in its composition and perfectly harmless in its effects in any condition of the system. For morning sickness, or nausea, from whatever cause arising, weak stomach, indigestion, dyspepsia and kindred symptoms, its use, in small doses, will prove very beneficial. "Favorite Prescription" is a positive cure for the most complicated and obstinate cases of leucorrhoea, excessive flowing, painful menstruation, unnatural suppressions, prolepsis, or falling of the womb, weak back, "female weakness," anteversion, retroversion, bearing-down sensations, chronic congestion, inflammation and ulceration of the womb, inflammation, pain and tenderness in ovaries, accompanied with "internal heat." As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can be used with the most perfect results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life." "Favorite Prescription," when taken in connection with the use of Dr. Pierce's Golden Medical Discovery, and small laxative doses of Dr. Pierce's Purgative Pellets (Little Liver Pills), cures Liver, Kidney and Bladder diseases, and is equally effective in removing blood taints, and abolishes cancerous and scrofulous humors from the system. "Favorite Prescription" is the only medicine for women, sold by druggists, under a positive guarantee, from the manufacturer, that it will give satisfaction in every case, or money will be refunded. This guarantee has been printed on the bottle-wrapper, and faithfully carried out for many years. Large bottles, (100 doses) \$1.00, or six bottles for \$5.00. For large, illustrated Treatise on Diseases of Women (100 pages, paper-covered), send ten cents in stamps. Address, World's Dispensary Medical Association, 663 Main St., BUFFALO, N. Y.
