Lawrence route, if the remarks which we have quoted above, and heard elsewhere, be correct. At all events, there are abundant reasons, why due preparations should be made for the reception and forwarding of those who do come. Regard for the health and safety of the whole population of the Province, as well as the common feelings and duty of Christian charity, demand, that all possible means should be taken to prevent a repetition of the scenes of misery, disease and death which were occasionally witnessed on the wharfs of Quebec and Montreal during last season for want of shelter and accommodation.

A STORY FOR THE CREDULOUS.

The following is from a late number of the Cincinnati 'Times.' It is curious and improbable, but we give it for what it is worth:

A SINGULAR DREAM—MOST REMARKABLE REALIZATION,—A young married lady, the wife of a Main street merchant, residing on Race street, in the vicinity of Third, had a most singular dream on the night of Wednesday, Dec. 6, which has since been realized in a remarkable manner. The name of the lady we withhold at her own request. On the night spoken of, she retired to bed in a pleasant frame, not however particularly elated. The first of the night she was visited by a deep sleep, which, as the dawn appeared gave way to slumber of a broken character. Suddenly she dreamed—and dreaming saw her brother, the same that two years ago left his orphan home to brave the hardships of California life, that he might secure to himself and sister a competence. She saw him rise from a bed in a small hut-like tenement, and running his hand under the pillow, draw from thence a revolver and a huge bowie-knife, both of which he placed in a belt that he wore around his body. It seemed that it was not far from midnight, for the embers were yet smoking on the rude hearth, and as they cast their lurid glare over his countenance, she thought, that perhaps it was a dream, but then she concluded, that no dream could be real, and became convinced that all was actual.

While she gazed upon his countenance, the expression suddenly changed—it betrayed an intense watchfulness; every pulse seemed suspended, and every heart-throb muffled, while the eye stood fixed on a particular spot near the head of the bed, where, through a small aperture not noticed before, was a *human hand* grasping a short keen instrument, looking terribly like a dagger. It apparently sought the head of the bed, for as it touched the pillow, it passed itself slowly down to about the supposed region of the heart, and poised itself for a second, as if to make sure its aim. That second was sufficient for the brother to rise noiselessly from his seat, and draw his bowie-knife from his belt, and advanced a single step toward the bed. Just as the dagger descended into the blankets, the knife of the brother came down like a meat-axe, close to the aperture, completely severing the hand of the would-be-assassin above the wrist, and causing the dagger and the limb to fall on the bed, trophies of his victory. A deep, prolonged yell sounded from without, and on rushing to the aperture and convincing himself that there was but one, the brother unbolted the door and stepped out. The moon was shining, and by its light was discovered a manj writhing, as if in the last agonies.

The miner drew the body near the door, and turning his face to the fire, beheld the visage of a Mexican, who, for some fancied injury, had sworn to never rest content, until he had taken his (the brother's) life. On examining the man closely, he was discovered to have a wound in the vicinity of the heart, which a long, sharp, two-edged blade in his hand, abundantly acounted for. Failing in the attempt to assassinate his victim, he had, with his own hand, driven another knife to his own heart. The lady awoke, and, vividly impressed with the dream, related its substance as here recorded, to her husband. Judge then of her and his surprise, when they yesterday received a letter from California, per North Star, from the brother, relating an adventure on the night of Dec. 6th, precisely identical with that seen by the lady in her dream. Verily there are strange things in heaven and earth. Was the dream merely an accidental coincidence, or was the spirit of the dreamer actually present in the lodge of the brother? These and other inquiries involuntarily rise to the lips, and seek a solution not yet granted to mortals to solve.

A new idea with regard to the cholera was started a short time since by an American physician. He maintains that sores of any kind will act as a preventive to the cholera. He accordingly recommends that on the appearance of the cholera all people shall be inoculated by caustic issue. The idea has been lately tested in St. Petersburg with very satisfactory results.

Two agents of the English Government, who have been endeavouring to enlist recruits in New Orleans, for the army in the Crimea, were arrested in that city on the 27th ult.

ANOTHER RESIDENT OF NEW YORK CITY TESTIFIES TO THE GOOD EFFECTS OF DR M'LANE'S CELEBRATED LIVER PILLS

HEAR HIM!

New York, August 30, 1852.

This is to certify that I have had the *Liver Complaint* for five years, during which time I have tried almost all known remedies, but to no purpose. Hearing of Dr. M'Lane's Celebrated Liver Pills, I concluded to try a box. I did so, and am now almost cured. I think one box more will effect a permanent cure. I can cheerfully recommend these Pills to all who may suffer from liver complaint. I have also known them used with the most happy results in cases of sick headache, or dyspepsia.

Mr. SWIFT, No. 116 Attorney street.

P. S. The above valuable remedy, also Dr. M'Lane's Celebrated Vermifuge, can now be had at all respectable Drug Stores in this city.

☞ Purchasers will please be careful to ask for, and take none but *Dr. M'Lane's Liver Pills.* There are other Pills, purporting to be Liver Pills, now before the public.

W.R. WATOSN, Agent for P. E. Island.

Holloway's Pills, a cure for Sick Headache and Bile.—William Kaners, of Montreal, was, perhaps, one of the gretest sufferers from sick headache and bile, scarcely a day passed without his feeling the dreadful effects of these formidable evils, he put himself in the hands of the doctors, but they did him no good, in fact, he became worse, until his sufferings were more than human nature could bear, and he almost sunk under them; fortunately for him he commenced using Holloway's Pills, which acted upon the system, cleansed the bowels; cleared the head, and by persevering with them for eight weeks, thoroughly restored him to health. He has ever since been entirely free from these dreadful attacks.

Great English Remedy!

The most valuable Spring and Summer Medicine in the World:

Dr. Halsey's
FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extradinary Medicine in the World.

Medicine containing molasses or liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The Forest Wine is altogether a different article. It contains no syrup to give it consistency, but acquires its excellent flavor and powerful medicinal properties from the vegetable plants of which it is composed. The Forest Wine combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, AND SARSAPARILLA,

with other valuable plants whose properties are all most effective.

Its high concentration renders it one of the most efficient medicines now in use. Sometimes less than a single bottle restores the lingering patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shews its good effects on the constitution, and improves the state of the health. The Forest Wine is recommended, in the strongest terms, for all complaints of the Stomach, Liver, Kidneys, Nervous Disorders, Bilious Affections, Dropsy, Dyspepsia, Loss of Appetite, Jaundice, Female Complaints, Scrofula, and all Disorders arising from BAD BLOOD and impure habit of the system.

SAVED FROM DEATH.

Testimony of Mr. Nathan Mathews, a highly respectable and wealthy citizen of Newark, N. J.

Dr. G. W. Halsey:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them I laid at the point of death with dropsy, piles and asthma. My Physician had given me up as past cure, and my family had lost all hopes of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, through which my life was placed in such great danger, was also nearly gone. I have continued the use of your medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

Yours, respectfully,
N. MATHEWS.

Newark, N. J., Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS' STANDING.

New York, January 9th, 1848.

Dr. Halsey—Dear Sir,—Having taken your Forest Wine and Pills to remove a disease of the Liver from which I have suffered severely for upwards of ten years; and having adhered closely to the directions which accompany the medicines, I have recovered my health, nothwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke desparagingly of my case, and tried to persuade me from making use of any advertised remedies; and I doubt not, that there are hundreds who are dissuaded from taking your excellent medicines in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men in flaming advertisements. But, what a pity it is, that the deception used by others should be the means of dissuading many labouring under disease from making trial and being cured by your excellent remedies. Humanely speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and in six weeks from the time I purchased the medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills, and two bottles of the wine. Would to God that every poor sufferer would avail himself of the same remedies,

Yours, &c.,
JAMES WILTON.

NERVOUS DISORDERS

Are diseases of the mind as well as of the body, usually brought on by troubles and affliction, and are most common to persons of delicate constitutions and sensitive minds. Low spirits, melancholy, frightful dreams, and fearful anticipations of evil from the slightest causes, generally accompany nervous disorder. The Forest Wine and Pills are an energetic remedy in these complaints.

Extract of a letter from Mr. Joseph C. Paulding, dated

PHILADELPHIA, September 7th. 1848.

Mr. G. W. Hasley—Dear Sir:—Your Forest Wine and Pills have cured my wife of a dreadful nervous disorder with which she has been affected for many years. Her body was almost wasted away. She was frequently disturbed in her sleep by frightful dreams, awakening quite exhausted and covered with perspiration, and at times laboring under the delusion that something dreadful was about to happen to her. By the use of four bottles of the Wine, and a box of the Pills, she is now in perfect health. She has regained her flesh and color, and enjoys society as well as ever.

J. C. PAULDING.

Dr. David Marein, a celebrated practitioner of New York, declared publicly that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., one of the largest and most respectable druggists in Syracuse, in a letter, say: "From what they have heard and seen of Halsey's Forest Wine it is an excellent and good medicine, and will undoubtedly become the leading medicine of the day."

The Forest Wine is put up in large square bottles, with Dr. Halsey's name blown in the glass, $1 per bottle, or six bottles for $5. Gum-coated Pills, 25 cents per box. Agents are authorized to retail, as well as wholesale, on as favorable conditions as the proprietor, No. 161 Duane St corner of Hudson, N. York.

NATURE OUTWITTED!!!

Dr. Antrobus's
Persian Hair Restorative,
AND HAIR DYE.

Under the immediate Patronage of the Princes of Persia and India.

These articles are without doubt the most extraordinary in their powers ever submitted to the Public, and require but to be tried, to be appreciated, admired, and continued.

The RESTORATIVE strengthens the hair and prevents it falling off after every other means have been resorted to unsuccessfully; it cures baldness and creates a natural curl, and by its use, myriads of persons of both sexes are indebted to having a good head of hair at the present moment. Its efficacy is therefore undoubted, and the whole world is challenged to produce an article to equal it, either for beautifying the human hair or preserving it to the latest period of life. For the production of Whiskers or Moustache, it is infallible.

The qualities of the HAIR DYE are decidedly superior to any thing of the kind ever attempted and the whole surface of the head can be changed into a most natural black or brown, within five minutes after using it, so as to defy detection from the greatest connoiseur. Advice by post gratis on receipt of Postage Stamps.

Certificate from one of the greatest Medical Men of the day.—Read it!!!

Copy of a Letter from Dr. Magrath, M. R. C. S., dated Duke Street, Adelphi, London, the 17th January, 1854.

To DR. ANTROBUS,

Sir,—I feel great pleasure in attesting the virtues of your Persian Hair Restorative. Several parties who have been patients of mine having derived the most inconceivable benefit from using it; and in fact it is owing to this article alone, that many of them are not at the present moment completely bald; one party I may mention in particular, who had been laid up with typhus fever: (a most beautiful young lady,) the attack however left her although as beautiful as ever in the face, still with scarcely any hair on her head. She tried every thing unsuccessfully, until I recommended her to use your *Persian Hair Restorative*, and in three months, she again possessed the same dark curling locks, as before herillness, although if possible, still more jet like, and attractive. I must admit, although I have recommended it to hundreds of persons of both sexes, I have never found it fail, and consider, that where the hair is not past human aid, your wonderful preparation will restore it to its pristine state.

Your Hair Dye is the best I have ever seen or heard of, and has been used among my private acquaintances, with the most unbounded satisfaction.

I am, Sir, yours most truly,
(Signed) DENNIS MAGRATH.

Letter from Henry Vinson, Court Hair Dresser and Wig Maker, of 124, Leadenhall Street, London.

To Dr. ANTROBUS,

Sir,—Your Hair Restorative is one of the greatest blessings ever invented. Several of my customers are quite enraptured with it, and consider it beyond all praise. I cannot deny, but that it has appeared to me quite wonderful, the alteration it causes after using it for a few weeks, it excels any thing of the kind I ever used, causing a complete metamorphosis; giving the hair a natural curl, and even entirely hiding grey locks, setting nature at defiance.

You may depend upon it, that it surpasses any thing of the kind ever brought before the public, and as to your Hair Dye, I can sell all you can send me, it is so unquestionably good.

I am, Sir, yours faithfully,
(Signed) HENRY VINSON.

The Restorative is sold at 1s. 6d., 2s. 6d., and 4s. per Bottle, Sterling. The Hair Dye 3s. 6d. and 7s. per case. The larger sizes are a great saving. Directions for use accompany each Bottle and Case.

☞ *Be particular to ask for Dr. Antrobus's, or you may be imposed upon.*

Sold by all respectable Chemists and Perfumers throughout the world, and at Dr. Antrobus's Establishment, 2, Brydges Street, Strand. If any difficulty arise in obtaining it, send postage stamps to Dr. Antrobus's address, and it will be forwarded by return of post.
