Y. P. S. MEETING - The Y. P. S. of the Summerside Church of the Nazarene held its regular meeting on Friday evening in the church with Miss Ruth Morrison in charge of the devotions. The opening hymn "Saved by the Blood" was followed by prayer by Mr. Heber MacMillan after which Mrs. A. M. Parlee read a beautiful poem, entitled "The Cross." Special music consisted of a duet "The Cross is not greater than His Grace" sung by Miss Edna Lewis and Mrs. Kenneth MacMillan. Mr. Gordon Lewis conducted a Bible Quiz, after which Miss Morrison gave the story of how the hymn "My faith looks up to Thee" came to be written. The singing of this hymn and the chorus "Wonderful Jesus" followed. The chief feature of the evening was the story of Pilgrim's Progress presented by Rev. A. M. Parlee. The closing hymn "Living for Jesus" was followed by prayer by Mr. Keir Dunbar.

TO MOVE BUILDING - The old telephone office which is now located just to the rear of the new one will be moved some time this week by M. F. Schurman Co. Ltd. from its present site to the upper part of town to be converted into living quarters. The old Summerside telephone office was used until the recent conversion to the dial system. The Schurman Company built the new building and the moving of the old office was a part of the original contract.

J. T. Dignan Passes

The community of Woodstock and surrounding districts were shocked to hear of the death on Sunday evening, Feb. 26, of Mr. John Thomas Dignan in his 76th year. Mr. Dignan had been enjoying very good health until about two months ago when he was taken ill which, later necessitated his removal to the Alberton Hospital and about two weeks ago he was taken to Charlottetown where he remained until his death. Mr. Dignan will be greatly missed by his many friends especially in the community where he lived all his life.

Scholarly Attainments

His outstanding qualities of mind have been reflected in scholarly attainments. His abilities as an orator placed him in the front rank of public speakers in Western Canada, and his writings show a rare command of language and clarity of expression. But he was noted for more than these gifts. Kindness and selfless devotion shone through his ordinary, everyday acts. He was always sympathetic in general community affairs and gave freely to the Community Chest and the Tribune Empty Stocking Fund. When the Fund was still alive he often made trips to several churches in one day appealing for funds for the cause.

Golden Jubilee Observed By Archbishop Sinnott

The following tribute to a distinguished Prince Edward Island prelate, Archbishop Sinnott, is from the Winnipeg Tribune of February 18: His Grace, The Most Rev. Alfred Arthur Sinnott, D.D., Archbishop of Winnipeg, today observed the 50th anniversary of his ordination to the priesthood. He marked the occasion quietly with friends at Camp Morton.

The first Roman Catholic bishop of Winnipeg, His Grace was installed in Winnipeg Dec. 23, 1916, three months after his consecration. He retired from active ministry in 1948. The young Archbishop had fire and zeal and a courage which never wavered during the years giving him a place in the hearts of his people and a position of honor among the distinguished prelates of the Dominion. His charge stretched over many hundreds of miles, the plains, the rocks, and the muskegs. In fact, so extensive were his travels over many thousands of miles of roads and trails that they won for him the affectionate title of Peregrinus pro Christo - Wanderer for Christ.

ROYAL EDWARD

(Continued from Page 5) expanding future for Canada. There is good reason to believe the Canada of tomorrow will have a much larger population to develop and use the unbounded natural resources of this still young land; our agricultural and industrial capacity will continue to grow; there will be greater mechanization of our farms and factories; our systems of transportation and communications will become more complete and more rapid; there will be new comforts in our homes.

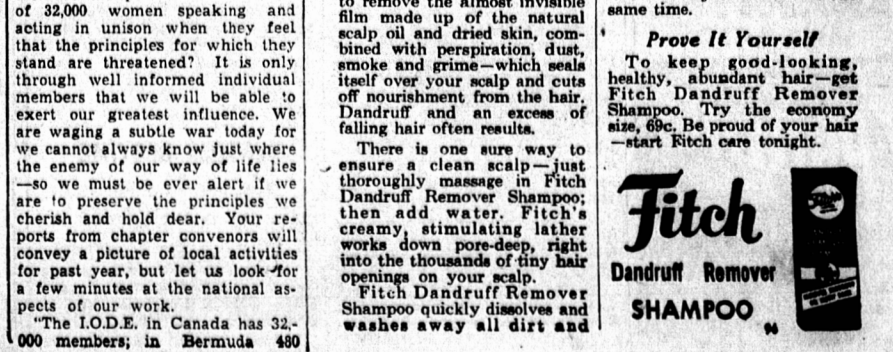

"This progress is inevitable. It might be retarded by unforeseen events, but at the worst, Canada's growth would be only postponed. Equally inevitable is the fact that we, as members of this new world, must grow with the times; if we, as members of the I.O.D.E. are to qualify as useful citizens, as heads of our households, as leaders in our communities, we must gain understanding of current issues and problems. "In these anxious times we must play an important part by accepting full responsibility as Canadian citizens; we must form well-balanced, intelligent opinions; we must take an active interest in politics - politics which means the science of government; we must use our votes and influence in support of those candidates in every grade of government, who are best fitted to serve the best interests of our people. "There is no such thing as standing still, we must go forward, or slip backward. We must be in the position that our strength will be adequate if we are called upon to assist in a national emergency. "In the isolated primary chapters we are likely to lose sight of the size and strength of the Empire as a national body and the influence we can use as a united body of women. Who can measure the power and influence of 32,000 women speaking and acting in unison when they feel that the principles for which they stand are threatened? It is only through well informed individual members that we will be able to exert our greatest influence. We are waging a subtle war today for we cannot always know just where the enemy of our way of life lies -so we must be ever alert if we are to preserve the principles we cherish and hold dear. Your reports from chapter convenors will convey a picture of local activities for past year, but let us look for a few minutes at the national aspects of our work. "The I.O.D.E. in Canada has 32,000 members; in Bermuda 480

Do You Worry About Losing Your Hair?

Neglect, Not Heredity, Most Frequent Cause-Experts Say
To keep your hair abundant and good-looking, you must have a clean, healthy scalp. Too many people wash hair carelessly and neglect giving the scalp the thorough, pore-deep cleansing it needs. They fail to remove the almost invisible film made up of the natural scalp oil and dried skin, combined with perspiration, dust, smoke and grime-which seals itself over your scalp and cuts off nourishment from the hair. Dandruff and an excess of falling hair often result. There is one sure way to ensure a clean scalp-just thoroughly massage in Fitch Dandruff Remover Shampoo; then add water. Fitch's creamy, stimulating lather works down pore-deep, right into the thousands of tiny hair openings on your scalp. Fitch's Dandruff Remover Shampoo quickly dissolves and washes away all dirt and
