

# CLEARANCE!

It's here — the long awaited MOORE & McLEOD LTD. January Clearance Sale — But — **HERE WE APOLOGIZE**

Although our selections are big — the quantities are small in a good many cases. Almost every day we receive letters cancelling orders for goods or letters advising increase in prices. Woolen goods, such as Sweaters and Underwear have risen as much as 60% in the last six months — and more increases are predicted to come. — Next winter men's and ladies' coats are expected to be up as much as \$15 per garment. For these reasons we are unable to offer the exceptional values we offered in previous sales. — However there are very good values to be had at this sale — if you come early. We are advertising this sale early, to give everyone a chance to be here on the opening day — Thursday.

THURSDAY — FRIDAY — SATURDAY
