Kensington Town Council Monthly Meeting

The regular monthly meeting of the Kensington Town Council was held in the Town Hall on Monday evening. All councillors were present and in the absence of Mayor Champion, who is ill, Councillor W. H. Darrach, on motion presided. Bills totalling \$302.74 were passed.

The following resolution was moved by Councillor Kennedy: "Resolved that under section 9 of the Town of Kensington Act that Councillor W. H. Darrach be appointed deputy mayor during any vacancy in the office of Mayor." The motion carried and was adopted.

Councillor Fred Davison reported that he had received complaints regarding some drains on the Malpeque Road and also regarding heavy trucks which had been driving around the Town of Kensington on the previous Sunday with considerable harm to the streets. It was felt that since the highways were closed to heavy vehicles at this time of the year that something should be done to protect the streets of Kensington the same way.

Councillor Mann, chairman of the police committee, reported that there had been a certain amount of rowdiness in the town on Saturday night and it was felt that the Town Magistrate should prosecute these offenders to the full extent of the law. The Council recommended that the owners of restaurants and other business houses be asked to co-operate with the Council in trying to overcome this rowdy condition and have all places of business closed at eleven o'clock on Saturday night.—S.

Two rinks from the Alberton Curling Club have left for Glasgow, N. S., where they will participate in the annual Bluenose bonspiel. UNUSUAL LOVE STORY TOLD IN "PAID IN FULL"
One of the most gripping emotional dramas of the year, Paramount's "Paid in Full", held an audience spellbound at the Capitol Theatre. An intense, absorbing story of three people involved in a deadly triangle, the Hal Wallis production stars Robert Cummings, Elizabeth Scott and Diana Lynn.

They make the most of the dramatic opportunities offered by a well-written script based on a controversial Reader's Digest article by Dr. Frederic Loomis. Their portrayals brilliantly heighten the film's natural dramatic flavor.

Cast as sisters, the Misses Scott and Lynn fall hopelessly in love with Cummings, who marries the latter. However, their marriage is a stormy one, and only their child holds it together. They are divorced when the youngster is run over by an automobile driven by Miss Scott.

It would be unfair to reveal any more of the plot which deals with Miss Scott's efforts to atone for the tragic accident. Suffice it to say the picture moves to a climax that packs a stunning emotional wallop.

A rare motion picture treat, "Paid in Full" features Eve Arden, Ray Collins, Frank McHugh and Stanley Ridges. William Dietrich directed in his usual brilliant fashion.

Solve Mystery Of Break Into S'side Store

The break into Crockett's Jewelry Store last December 4th when \$800 worth of jewellery was stolen, which has baffled Summerside Police ever since, has been solved, it was learned last evening. Working on the matter all day Monday Sgt. Benjamin Schurman and Sgt. Joseph Lindletter obtained confessions to the break, as well as to the week-end breaks reported yesterday, and to numerous other thefts from cars and dwellings.

Four juveniles are involved in the various escapades but only two participated in the Crockett theft. Only the entry to Gourlies D-g Store which occurred shortly after the Crockett break remains unsolved, according to police. Two watches, a ring and a cigarette lighter have been recovered from the Crockett loot and there are hopes that more of it will come to hand.

All the boys are under 16 years of age and will be brought to trial in the juvenile court. The two boys involved in the jewellery store break told police that on that night they stole two bottles of moonshine and were under the influence of the liquor when they made the break. They also told where they had sold or otherwise disposed of most of the stuff and two watches were thrown over the

wharf, they said. The four youths also told of stealing blankets from cars and throwing them away. When asked why they stole them if they were no use for the articles they replied "just for fun." They were released from custody pending a hearing of their case.—S.

He said that the total cost for the season was \$57.00 and of this amount \$74.00 had been raised from public skates. The balance came from club funds. He reported that the rink had been open for skating and hockey 38 days during the winter at an average cost of approximately \$13.00 per day.

Herb Stright reported that tentative dates for the spring carnival are May 30 to June 2 and permission has been granted by the Curling Club to hold it in the
