HERE'S THE CAR YOU'VE HEARD SO MUCH ABOUT

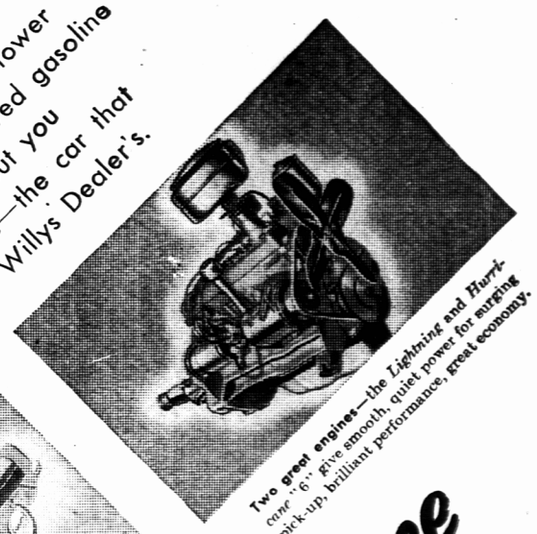

Aero Willys

GOOD DRIVERS DRIVE SAFE CARS MAY IS SAFETY MONTH

Aero-Ace 4-Door Sedan

You've read about it! You've heard about it! But you have to see and drive the new Aero-Willys to know why this great car is causing such a sensation. So we invite you to visit your local Willys dealer for a trial demonstration. Once behind the wheel you'll know why Aero-Willys gives more all round dollar value than any other automobile in its price class. For here's a car that seats six adults comfortably, has control tower visibility. Aero-frame construction and proved gasoline economy (up to 35 miles per gallon). But you be the judge! Drive an Aero-Willys—the car that speaks for itself—at your friendly Willys Dealer's.

Two great engines—the *Lightning* and *Hurricane* 6; give smooth, quiet power for surging pick-up, brilliant performance, great economy.

Aero-Frame Construction—body and frame welded as one unit into a stronger, safer car structure with the stamina and long life you would expect from the jeep.

Six-adult capacity—61-inch wide seating, both front and rear, provides luxurious spaciousness for six full grown passengers even on long trips.

Visibility unlimited—driver sees all four fenders, the road ten feet ahead, with a panoramic view all round for safety.
