I. who measures six feet seven inches in height in his stocking feet, became imbued with the spirit of war last night in the classic shades of Hancock Street, and in a short time made himself monarch of all he surveyed. When threatened with the police by his opponents he defiantly answered that no two policemen in Bangor could take him to the station. At the appearance of Officers Tracey and O'Leary, however, he quickly changed his assumption of bravado and ambled to the station like a lamb. One of the officers ascended a step ladder and obtained his name, which was entered in the books.

A TRULY GREAT PIANO CAREER.—Messrs. Willis & Co., Montreal, of whose fame for enterprise and honorable dealings the Montreal, Toronto and New York press, as well as English press is constantly speaking, have opened out here in Charlottetown, Lower Queen Street, by their brothers of Stellarton, N. S. They propose to sell here only high class pianos and organs, and have come to stay. Several leading citizens have secured a fine high-class pianos from these gentlemen. Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Lyons (of Ferrandina, Fla.) recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and after faithfully continuing the use of this medicine for some months, the pain disappeared, and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.
