

THE DAILY EXAMINER.

SEPTEMBER 26, 1890.

In a Bad Fog.

THE Patriot is not only at sea on the sugar duty question, but it is in a dense fog as well. In a vain attempt to get over the bristling facts that in 1878 we imported only 108,000,000 pounds of sugar...

W. M. S. Convention.

The second day of the convention of the W. M. S. opened yesterday at 9.30 with the usual devotional exercises, led by Mrs. Large of York, after which came the roll call and minutes of previous meeting.

Methodist Social.

One of the most interesting and enjoyable socials held here for some time took place in the lecture room of the First Methodist Church last evening.

Chairman's opening remarks. Rev W W Brewer Piano Duet. Miss Stanley and Miss Moore Vocal Duet. Misses Harvie and Johnson Address. Rev Mr Hamlyn Song. Mr J R Davison Recitation. Miss Hunigar Piano Duet. Misses Wilson and Read Quartette. Misses Moore and Johnson and Messrs F H and G F Beer.

Personal.

Col. Irving returned from camp Aldershot last evening. Senator Prowse was registered at the Hotel Davies last evening. Mr. John McKinnon, second engineer of the ill-fated Princess Beatrice, arrived home from Halifax last evening.

Prince County Exhibition.

SECOND DAY.

A Large Attendance.

But a Small Representation of the Stock of the County.

(By Telephone to The Examiner).

As already stated by THE EXAMINER there was a large and welcome addition to the visitors in attendance at the Exhibition last evening. To-day, too, there was a greatly increased number of persons in town, though the attendance is not yet up to the mark of former years.

The show of horses and cattle does not come up to expectation. Prince County is not fully or fairly represented by the stock on exhibition. Though there are some fine animals in most of the classes, the competition is not active or strong in any.

There was an exhibition of a comparatively large number of bulls, some good and some pretty bad, chief among which was a fine Holstein from the Hertz Farm, owned by D. H. McDonald, of Bedouque, and a fine Shorthorn, owned by W. McN. Simpson, of Hamilton.

Of sheep and pigs the exhibition was good in quality, as well as larger in number, than in the other classes. The impression is prevalent that, though the arrangements are superior to those of former years, the exhibition cannot be called a success.

NOTES.

His Honor the Lieut. Governor visited the cattle show grounds this afternoon. Mr. C. I. Morrison is here showing the ideal machine for which he is agent. Mr. Jas. Waddell, superintendent of the Electric Light Co. arrived this morning to assist in removing the plant for the incandescent light which is to be used in the Exhibition Building, Charlottetown.

Provincial Exhibition Notes.

We learn that a great amount of misconception exists with regard to the entrance fee for the Exhibition. In order to correct it, as far as possible, we publish the charges:

Ladies will be admitted each day on payment of 25 cents each time of entering. On Tuesday, the opening day, and Friday, the closing day, gentlemen will be admitted on payment of 25 cents each time of entering. On Tuesday and Friday, children under 12 years of age will be admitted on payment of 15 cents each time of entering; on Wednesday and Thursday, children will be charged 25 cents each time of entering. On Wednesday and Thursday (race days) gentlemen will be charged 50 cents each time of entering. Season tickets, admitting visitors once daily for the four days, can be obtained for \$1. Exhibitors will be admitted for 25 cents each time of entering, on presentation of exhibitor's certificate; or an exhibitor's season ticket, admitting exhibitor twice a day, may be procured for 75 cents. Attendants will be admitted twice a day on attendant's ticket, at exhibitor's gate only.

Last night the Exhibition Building was lighted up on trial with the electric light. The effect was very fine. There will however be added to this light 100 incandescent lights from a Thomson-Houston Dynamo. These lights are both from the same manufactory and will blend perfectly. Our visitors may expect to see a blaze of electric light never before seen in the Province.

Messrs. A. & C. Quirk will supply the refreshments, and it is, of course, unnecessary for THE EXAMINER to here say that they will do their part of the work well. They are now hard at work making arrangements for the multitudes that will attend. Their prices will be reasonable, and their tables will be well spread. The lodging house committees are busily engaged interviewing the people of the different Wards, and are meeting with much success.

POLICE COURT.—This morning a man was fined \$1.62 and costs for violating the Lord's Day Act by selling hop beer; and another man who confessed to a first violation of the Scott Act was disposed of in the usual way. Two other Scott Act cases and a nuisance case were adjourned.

Trade sale to-morrow—apples, flour, sugar and general merchandise.—E. H. Norton & Co. K. D. C. Cures Dyspepsia.
