Trinity Church Friendship Club Holds Meeting

Trinity Friendship Club held their regular weekly meeting in the Social Hall of the Church last evening with twenty-five members present. The highlight of the evening's program was a talk on "The Beliefs of the United Church" by Rev. A. Frank MacLean. Rev. Mr. MacLean spoke on the teachings of the Church regarding God, Jesus Christ and the Holy Spirit. This discussion on "The Statement of Faith" will be continued at the next regular meeting of the group on Tuesday evening, January 20th, at which time they will discuss among other topics "The Forgiveness of Sin," "The Resurrection" and "Consummation."

The Worship service was led by Audrey MacPhail and Rosemary Clark. Service was based on Scripture passage "Greater love hath no man than this, that a man lay down his life for his friends." The life story of Albert Schweitzer gave a living testimonial of a man whose soul had been so deeply touched by his great love for God, that all personal desires were consumed by it. What better way is there for us to show our love for God than through our love for our fellow man? The business meeting followed conducted by the newly elected president, Rosemary Clark. Minutes of the previous meeting were read and ap-

Police Chiefs Will Present Proposal To Legislation

SAINT JOHN, N. B.—(CP)—R. G. Pickersgill of Moncton, CNR investigation chief and secretary of the Maritime Police Chiefs' Association said today the association plans to present a proposal for a new Police Act to the governments of all three Maritime Provinces.

The proposal would be presented to New Brunswick, Nova Scotia and Prince Edward Island separately, but if inaugurated, the Act would embrace all three provinces.

Mr. Pickersgill, who has been invited to come to Saint John to explain the act to council members, was reached in Moncton by telephone.

He said departments throughout the region now follow different administrative procedures, have different rates of pay and working agreements. The new Act would be an attempt to bring about uniformity.

Common council here is studying anticipated local results of the Act, expected to go before the next session of the New Brunswick Legislature.

One result here would be establishment of a police commission responsible to council. The police chief would report to the commission.

KNOWN IN P.E.I.—Charlottetown's Police Chief, C. W. MacArthur said that he was aware that such a proposal was contemplated.

He explained that in most localities policing was governed

"Bleaching" Is Theme Of Talk To Camera Club

The regular meeting of the Charlottetown Camera Club was held on Monday evening in the YMCA, with the president, Donald Gill, in the chair.

The first matter dealt with was the Question Box. Questions left at the last meeting were answered by experts, and new questions assigned.

Rev. Littlejohns gave an enlightening talk on bleaching prints by the ferricyanide method, and showed examples of how faulty backgrounds had been corrected, and highlights brought out, by using this solution.

Color slides made by members who had joined the Color Photography Association of Canada were shown by Rollie Taylor, and the points each had made in competition with other clubs were noted. Highest rating was made by Rollie Taylor.

The winners of the club color slide competition on "Landscape" were as follows: 1. Margaret Mallett; Scene at Tracadie; 2. Gordon White, Mexican Farm; 3. Mrs. Dean Robinson, Gardens in Victoria, B. C.

A highlight of the evening was a travelogue on the Gaspé Peninsula, by Rev. Burton Crowe. The commentary, which was recorded against a background of symphonic music, gave a comprehensive description of the scenery, history, architecture and bird life of the countryside.

The color slides were remarkable for their technical quality and sensitive selection of subject matter. The president expressed the appreciation felt by all.

proved. Audrey MacPhail was appointed program convener to replace Jim Ripley who has been transferred from the Province.

The meeting closed by repeating The Lord's Prayer.

Potato Industry Reports On Current Market Trends

At a meeting of representatives of the potato industry held yesterday the market for the current season was reviewed. Present at the meeting were members of the Dealer's Association, the Seed-Certification Branch, the Fruit and Vegetable Branch and the Prince Edward Island Potato Marketing Board. After the meeting the following report was issued from the office of the Marketing Board:

"Reports show that the movement from Prince Edward Island to December 31st, 1958 was 5,403 cars against last year's movement of 6,402. The noticeable difference is entirely in the export trade which is down 1,300 cars from a year ago while the domestic trade is up 300 cars.

"The best estimates available for the crop year 1958 show a total production of 12,000,000 bushels against last year's estimate of 15,000,000 bushels. Taking about 3,000,000 bushels for home consumption and seed it would appear that Prince Edward Island has 9,000,000 bushels of potatoes available for sale

for the crop year 1958 which would equal 12,000 cars. "The marketing of the balance of the crop of approximately 6,000 cars, spread over the balance of the season, should not depress our markets when it is considered that last year in the same period we moved 9,600 cars.

"The surplus in the United States is a determining factor as to the future price. If they are successful in diverting their surplus we may expect a rise in price in the United States. If they are not successful the price may go down. As our market is geared to the United States market a corresponding raise or lowering would take place in our prices.

P.E.I. Art Society Holds Annual Meeting At P.W.C.

The annual meeting of the P. E. I. Art Society was held last night at Prince Wales College with Mrs. E.B. Ellis presiding.

The annual reports were given by the president Mrs. Ellis, and the Treasurer, Miss Gladys Taylor. Mrs. P. A. Creelman was called on to act as chairman during the election of officers, and Mrs. B. B. Jones brought in the new slate of officers. This was with one exception, adopted as read. Mrs. Ellis declined the presidency, and nominated Mrs. Jones.

The slate of officers reads as follows: president, Mrs. B. B. Jones; vice-president, Barry Bugden; secretary, Miss Anne Matheson; treasurer, Miss Gladys Taylor; press and publicity, Mrs. P.W.
