## HOW TO VOTE.

THE voter will go into one of the compartments, and, with a pencil there provided, place a cross opposite the name or names of the Candidate or Candidates for whom he votes—thus X.

The voter will then fold the ballot, so as to show a portion of the back only; he will then place it in the envelope, which he will close in the usual way, and deliver to the Presiding Officer or Sheriff, who will place it in the ballot box.

The voter will then forthwith quit the Polling Station.

If a voter inadvertently spoils a ballot paper or envelope, he can return it to the proper officer, who, on being satisfied of the fact, will give him another.

If the voter votes for more Candidates than he is entitled to vote for, or places any mark on the ballot paper or envelope by which he can afterwards be identified, his vote will be void, and will not be counted.

If the voter takes a ballot paper or envelope out of the Polling Station, or fraudulently puts any other paper into the ballot box than the ballot paper given him by the Sheriff or Presiding Officer, he will be subject to be punished by fine or by imprisonment for a term not exceeding six months, with or without hard labor.

## A Terrible Prairie Fire.

DREADFUL MARCH OF DESTRUCTION.

The Sioux City (Iowa) Journal of a late date has startling reports of the ravages of prairie fires up the Big Sioux Valley and throughout southern Dakota. The fires on Saturday were of unusual force and destructive beyond precedent. The poles on the telegraph line on the Sioux City and Pembina Railroad were burned, so the line has been down, and reports from that quarter are not full. A merchant of Eden tells a harrowing tale of loss in that quarter. On Saturday, from his store door, he counted thirteen farm houses in flames, and he says more than forty families in that vicinity lost everything. The flames travelled with such rapidity that people were unable to save anything. The stricken people are dazed by the terrible blow that has fallen on them. A large Norwegian church five miles from Eden has been burned. Several people were dangerously burned and some fatally in the vicinity of Portlandville. It is said that twenty families lost their hay, grain, etc., west of Elk Point. E. Richardson lost a large amount of grain. A school-house, with all its contents, was also burned. At White Swan the telegraph office was burned. At the same place the Government stables were burned. Altogether, immense damage has been done, and the hardship to settlers is particularly severe. The grass grew very rank last year, and a protracted dry spell made it powerful food for fire. On the 1st inst. the fires had reached the suburbs of the town, and were only checked by great exertions. The wife of John Forbion was burned to death in attempting to save a barn.

GIVE THE NEW GOVERNMENT A FAIR TRAIL.—VOTE FOR DEBLOIS AND McLEOD.

## Death of the Notorious Wm. Broadhead.

The London papers announce the death of Wm. Broadhead, the Trade Union assassin, whom Charles Reade has painted as Grotait in "Put yourself in his place." William Broadhead had reduced murder to a system, and was cunning enough to save his neck by turning approver and making a full confession of the homicide deeds in which he had been actively concerned. In October, 1866, matters came to a crisis, and a Commission was appointed to investigate the whole system of murders and other trade outrages at Sheffield, and absolute indemnity was promised to all witnesses who would tell the whole truth, however deeply they might have been compromised in the crimes committed. Hallam and Crooks, two of Broadhead's bravos, made such appealingly damaging revelations concerning him, that he fully confessed his guilt. At the close of the sittings of the Commission, Broadhead received a certificate of indemnity. Thus Broadhead, by his own admission, a murderer and a suborner of murderers, got off scot free. A subscription having been raised for this exposed and infamous assassin, he emigrated to America. His black reputation had, however, preceded him to the United States. The Americans would have nothing to do with him, so he returned to England and to Sheffield, where he died at last, paralyzed and imbecile, at the age of sixty.

THOSE WHO CONNIVE AT COOKED ACCOUNTS, WILL VOTE FOR DAVIES AND MORRIS.

On the 14th of last month the liquidators of the City of Glasgow Bank asked the Court of Sessions to issue an order authorizing them to enforce payment of the first call levied upon shares to meet the liabilities of the bank. They stated in their application that the total number of shareholders was 1,273, of whom 716 have made default in payments due from them. The court issued the order, but it has been found that very little could be obtained from these shareholders. The 562 still solvent shareholders are now to be required to make payment of a second call on their shares, which is at the rate of \$11,250 per share of \$500. It is thought that a considerable number of those shareholders will be unable to pay and will be completely ruined.

THOSE WHO APPROVE OF A RE-ORGANIZATION OF THE CIVIL SERVICE, VOTE FOR THE GOVERNMENT CANDIDATES.

ISAAC FLETCHER, member of Parliament for Cockermouth, Eng., committed suicide by shooting himself on the 14th inst.

## Why Will You

Allow a cold to advance in your system and thus encourage more serious maladies such as Pneumonia, Hemorrhages and Lung troubles, when an immediate relief can be so readily attained. Boschee's German Syrup has gained the largest sale in the world for the cure of Coughs, Colds and the severest Lung Diseases. It is Dr. Boschee's famous German prescription, and is prepared with the greatest care, and no fear need be entertained in administering it to the youngest child, as per directions. The sale of this medicine is unprecedented. Since first introduced there has been a constant increasing demand and without a single report of a failure to do its work in any case. Ask your druggist as to the truth of these remarks. Large size 75 cents. Try it and be convinced.
