

MR. HUGH MARTIN

The death of Mr. Hugh Martin of Kinross on April 8th, 1954, was heard with deep and wide-spread sorrow by his many friends and neighbors. Only a few days before his passing he was stricken with a paralytic stroke, and although his condition was considered serious, yet hopes were held for his recovery, and though everything possible was done to help save the life of a loving husband and father, it was all to no avail, and on Thursday at noon as calmly and quietly as he had lived, his immortal spirit passed from here to the great beyond.

Most of the fifty-five years of his life was spent in the farm home of his birth at Kinross where on September 1st, 1898 he was born to his parents, the late Mr. and Mrs. John S. Martin.

In 1929 he married Bessie MacPhee of Bellevue and to them was born a family of four girls and two boys, Joyce, Mrs. Perley Drake, Vernon, Bridge, Mildred, Mrs. John Robbins, Toronto; Douglas, the son of the Post Office staff, Toronto; Mollie and Robert at home. An infant daughter Edith Diane pre-deceased him in 1943. There also survives him four grandchildren, Lloyd and David Robbins, Allison and Melvin Drake, all left to cherish the memory of an affectionate husband and father, Mildred and Douglas came by plane from Toronto, but were unfortunately a couple of hours too late to see their father before he passed away.

A number of years ago Mr. Martin suffered from two regrettable accidents when each time his legs were broken. This laid him up for a long time, but being blessed with a strong body and a patient and enduring will he was able to overcome his handicap and for the last few years seemed to be in perfect health, and took an active part in all church and community activities. Every Sunday his beautiful bass voice was heard to mingle with other members of the choir in praise to his Lord and Master.

The door of his house was ever open and a visit to the Martin home was an inspiration and joy to friends and stranger alike.

Besides his wife and family he leaves to mourn the loss of a dear brother, two sisters Mrs. Annie Jenkins and Mrs. Emily MacLeod, both of Charlottetown, also a brother Samuel of Vernon, Bridge.

The death of his brother James B. last fall was a severe blow to Mr. Martin and all the family. A brother John W. and a sister Sadie predeceased him some years ago.

The funeral was held in the Orwell Head Church on Sunday, where a large concourse of people gathered to pay their last tribute of respect to one they loved so well. Rev. A. C. Fraser of Valleyfield conducted the service, very feelingly speaking words of comfort to those in sorrow. Rev. John F. MacKay of Vernon read the Scriptures and led all to the throne of grace in prayer. The hymns sung were "The Lord's My Shepherd" and "Abide With Me". A duet "The Beautiful Land" was sweetly rendered by Malcolm MacLean and Lloyd Martin (cousins of the deceased).

Floral bearers were Messrs Bruce Nicholson, Glen MacDonald, Ivan Wood, Weston MacLeod and Arthur MacLean. Pall bearers were Messrs. D. J. Gillis, Ernest Martin, Harold Wood, Edison MacLeod, Roy Gillis and Wendall MacLeod. The remains were tenderly laid to rest in the church cemetery.

Beautiful floral tributes were received from the following:

Pillow — Wife, Douglas, Mollie, Robert.

Broken Circle — Mildred and Jackie, Joyce and Perley.

Wreath — Orwell Head Church.

Sister Annie, Brother Sam and Mary, Everett and Mae MacDougall, Hilfy and Leda, Holly and Emily, Katie and Marilyn, Florence, Everett, Opal and Doug.

Robert, Annie Mae and Shirley, Stewart MacPherson and family and Aunt Effie.

Chris and Bill MacMillan, Jim and Ida MacBeth, Jessie and Wendall MacLeod, Annie and Ray Gillis, Prudence and Francis Drake, Lorin, Estelle and Don Drake, Gault and Isabel Murray, Pupils of Lyndale School.

Mr. Melvin MacDougall son of Mr. and Mrs. Stephen MacDougall, Blooming Point, has accepted a position with Canada Packers at Charlottetown. Mr. MacDougall for the past years has been a valued member of the staff of the Co-operative Store at Morell. A host of friends join in wishing Mr. MacDougall every success in his new assignment.

Mr. Urban MacDonald of the R. C.A.F. who has been visiting his father, Mr. Donald D. MacDonald at St. Andrew's left during the week on return to his base at Calgary, Alta. Urban a very popular and friendly chap, just sparkles with vitality and is the life of any party. But although he has been in the airforce for several years, Urban has done very little flying as he is not attached to that particular arm of the service. When coming home on leave he had a chance to make the trip by air and quickly accepted it, however as the giant mechanical bird sought freedom in the etherial blue, engine trouble developed and Urban, a novice at flying, was with the others ordered to prepare to bail out. "Nothing to it" said the skipper, "just jump say 1000, 2000, 3000, then pull the cord." To those used to parachuting it was just another event but to Urban, as he said himself, it brought forth the most uncanny thoughts. Urban is a mighty good living boy, there are few better, but in this critical and desperate interval it was surprising the number of moileths that loomed as mountains. There were the numerous times he raided Kitty Jones' orchard and pinched there from those delicious blood-streaked Wealthies that were her pride and joy. The ferocious ram he once helped look in the school porch and then laughed with fiendish glee as the ram butted the sweet little school teacher as she nonchalantly went to open the school on April 10th, 2000. The night of the party when he dumped the sugar bowl and filled it with salt and all present were too sedate to say anything and drank the brine just to be polite. He thought of the bump poor old Peter Kine got when he stepped on the banana

skin so carefully placed on the third step from the bottom on the back stairs. These and a dozen more flashed before him on the screen of memory. A terrific bump, a thundering crash and Urban thought the end had come, but all proved to be well, the plane had made a forced landing. No one was hurt and all felt better for their house clearing of the cupboard of memories.

Steps are being taken to curtail the speedsters as they pass to and fro by the local school. There is a terrific amount of traffic on this the Harbour Road, from the opening of the lobster season and throughout the summer and early fall. The school is very close to the highway and a slight curve in the road shuts out the school until you are almost on top of it. There are no signs up warning motorists of the school so that all in all it is a very dangerous set-up. However signs will be placed in the near future and it is hoped that all passing motorists will co-operate. When the signs are up, there will be no further excuse for saying "we didn't know the school was there." This speeding must be stopped. It will be too late to take action after some young life has been unnecessarily forfeit.

Mr. Leonard Doyle of Savage Harbour left during the week for Niagara Falls, Ontario, where he will seek employment for the summer months. Leonard, one of the Harbour's most popular young men carries with him the best wishes of a host of friends in whatever field of endeavour his efforts are directed.

Mr. Gordon M. Rice of Charlottetown who is school supervisor for this area, completed his semi-annual visit to the Savage Harbour on Thursday. Mr. Rice has the happy knack of making the pupils feel at home while he is in the class room and thus is able to get a true picture of their standing. Years ago the coming of the inspector was an event shrouded in fear and accepted in trembling but such feelings have disappeared until to-day the coming of the Inspector is hailed as one of the pleasing highlights of the school year.

Excellent weather was the pleasing main course served to the lobster fishermen on Friday, for the running of the lines. No serious accidents occurred to mar the opening of what all hope, fishermen and non-fishermen, will be a banner season not only from the standpoint of large catches but of good prices as well. Some of the boats beat the opening gun and had their cooling blankets on before the big boss said "Go." They no doubt will be given the opportunity of admitting their eagerness by a slight cash contribution to the treasury. Little things like that will be forgotten and soon forgiven. The wish of all now is for a big catch and a big price.

ed Mr. Milburn Buell of Murray River, was a business visitor to Georgetown, on Wednesday, May 5th.

Mr. and Mrs. Walter Connon and Mr. Francis Shephard of Cardigan, were guests at the home of Mr. and Mrs. William Fitzgerald on Tuesday, May 4th.

Mr. Jerome Condon, who has been employed as a radio announcer in New Glasgow, N. S., arrived at his home in Georgetown early in the week.

Mr. Frank MacCormack was a recent business visitor to Moncton, N. B.

Mr. J. B. Edwin Reid, of Rollo Bay, Sheriff of King's County, was a business visitor to Georgetown, on May 5th.

Friends of Mr. Malcolm Allen are sorry to hear that he sustained a painful burn to his face, when working at his fishing boat engine, and all wish Malcolm a speedy recovery from the effects of the accident.

Mr. Soloman reported on a meeting held recently between the Mayor, Town Council and representatives of the Community Welfare League on financial matters relating to the operation of the Rink during the past season.

Some considerable discussion took place on tentative plans for summer activities in the Rink. Discussed also at considerable length was the proposed trout fishing dam on the White Bridge stream.

This location for a dam, proposed by the League, has been investigated by an official of the Department concerned and a favorable report tabled. Mr. Soloman was appointed to enquire further into the project at an early date. Also discussed was a banquet for the Georgetown Eagles Hockey Team and the new President, Mr. J. F.
