Dear Editor:

On behalf of the U.P.E.I. basketball team I would like to thank our student body for this tremendous support and enthusiasm at our home games. We do our best to win every game we play. Unfortunately we aren't always successful but we put forth 100% effort. Win or lose we always strive to give the entire U.P.E.I. community something to be proud of.

Our league record now stands at 2 - 6. We are working hard to improve our winning percentage and gain a berth in the A.I.A.A. Championship Tournament. We have some key league games coming up in the next few weeks (Acadia, Feb. 3rd and U.N.B., Feb. 16th & 17th).

With your backing we will do our utmost to defeat these teams. I sincerely wish we could accommodate more of you in a more comfortable manner at our basketball games. This will come in the future (we all hope). In the meantime, y'all keep packing the space we have. Let's work together on Acadia and U.N.B. SEE YA AT THE GAMES!
