"ARE YOU READY?"—Read Beer Bros. ad. To-night is the concert and social in the basement of the Brick Methodist Church.

Those who attend the concert and social tonight in the basement of the Brick Methodist Church will spend a pleasant evening. Admission 10 cents. See programme in another column.

LIVE STOCK FOR GREAT BRITAIN.—Something like 1200 sheep and 100 head of cattle en route to Great Britain from the Upper Provinces were fed in the I. C. R. yard here yesterday.—Moncton Times.

TELL BE A BIG AFFAIR.—It is stated that nearly three hundred tickets have already been sold for the annual dinner of the Commercial Travellers Association, to be held at the Windsor Hotel, Montreal, on Dec. 22.

GOING SOUTH FOR THE WINTER.—Mr. M. J. Keating, the well known advertising agent of the Canadian Atlantic and Plant line, has gone "down South" in the interest of the Plant system, and will during the next three months make his headquarters at the Tampa Bay Hotel, Tampa, Fla., the largest and finest public house on the continent, and will vary the monotony by occasional trips across to Key West and Havana, to Mobile, Ala., the Manatee river, and numerous other points to which the Plant line steamer ply. In addition to this he will travel extensively over the Plant system of railways, always with his eyes and ears open for what may be new, startling or strange, which he is to impart to northern, western and eastern readers of a syndicate of papers that have arranged for a series of letters. Mr. Keating is also to furnish the leading hotel papers of the country with "personal and social" items from the Tampa Bay, the Seminole at Winter Park, and the Inn, at Port Tampa. Evidently he will have no idle time on his hands. The southern business this year is said to be bigger than for ten years past, and the immense facilities of the Plant system of railways and steamships are being taxed to the limit. The visitors to the resorts are coming earlier and will stay longer than in previous seasons.

CITY COUNCIL MEETING.

An emergency meeting of the City Council was held last evening to consider the recent police appointment, and to make such arrangements relative thereto as the Council might consider necessary or expedient. Mayor Dawson presided, and the Recorder and every member of the Board was present.

After the object of the meeting had been explained by the Mayor, a letter was read from Walter Kinsman in which he stated that he had carefully considered the position which he now occupied with respect to the Council and the Magistrate, and feeling that it would not be a pleasant position to occupy as the matter stands he had made up his mind that if he was allowed his pay up to the last of the present month he would resign and so save further trouble. Councillor Tanton referred to the discussion that had taken place regarding this matter in the press and elsewhere, and moved that Kinsman be paid up to the end of the present month in accordance with his letter.

Councillor Taylor, on seconding the motion, also referred to the discussion that had taken place in the press regarding this matter, and claimed that he had been misrepresented by one of these correspondents, "Justice." He (Taylor) said it was true that he said to the Mayor, "He does not say upon your head be it," He denied, however, that he used this language in connection with the Kinsman matter, and said he spoke thus when there was a discussion taking place regarding the qualification of two of the Councilmen and the consequent trouble which might arise in collecting the taxes.

Councillor Hazard said it had been intimated that he was the author of some of these letters. He stated, however, that he was not the writer of any of them, neither was he in any way connected with their publication. The Mayor here ruled this discussion out of order. Councillor Douse said he had taken the course he had because he believed he was right. It had been understood ever since the time of incorporation that the police force should be half Protestants and half Catholics.

Some further discussion took place and Councillor Hughes submitted an amendment to the effect that Kinsman's resignation be not accepted.

The Mayor ruled that this was not an amendment and could not be entertained. Councillor Tanton's motion was then put and carried.

Councillor Tanton then moved that the Council confirm the appointment of Mr. Henry Hooper as policeman, made on the 19th inst., said appointment to take effect from this date. Carried.

A Warning.

If a man were to give another man an orange, he would merely say, "I give you this orange"; but when the transaction is intrusted to the hands of a lawyer to put it in writing, he adopts this form: "I hereby give, grant and convey to you all and singular, my estate and interest, right, title, and claim and advantage of and in the said orange, together with all kind, skin, juice, pulp and pips, and all right and advantage therein, with full power to bite, cut, suck, eat otherwise eat the same, or give the same away, as fully and effectually as I, the said A. B., am entitled to bite, cut, suck, or otherwise eat the same orange, or give the same away, with its rind, skin, juice, pulp and pips, anything heretofore given, granted, or in any other deed or deeds, instrument or instruments, of what nature or kind soever to the contrary notwithstanding." Quite a few "bill-proof" people have to settle their accounts with our lawyer—they found it expensive—Numerous others will share the same fate, forthwith, take warning and PAY UP.

Regarding the matter of the dismissal of Kinsman, it is but fair to add that His Worship also stated during the course of his remarks at the meeting that he intended saying something further on that subject, but would refrain from doing so now, as this was not the proper time. He had written what he intended saying, and would take care that it should be published. Had what he said before been published, instead of being passed over, considerable ill-feeling might have been prevented. Meeting adjourned.

PERSONAL.

Rev. D. B. McLeod is in the city, and will lecture in St. James' Hall to-night. Subject, "The Man in the Moon."

Rev. Father Burke, of Alberton, Prince Edward Island, a well-known clergyman in that province, was in the city yesterday en route to the west. He was a guest of the Archbishop. Asked how the Island received the news of Sir John Thompson's death, he replied: "It was a terrible shock to everybody. I know of no death which has so affected our people. From the highest dignitaries in the land (many of them close personal friends of the dead premier) down to the humblest, all spoke of the great calamity which has overtaken our common country with tears in their eyes all shared in the only consolation the sad taking off affords—the consolation that his worth has been so promptly and generously recognized by the mother country and exceptional honors accorded to his memory and remains. Without doubt Sir John Thompson was the greatest, purest and best statesman Canada has ever honored, and his life will be a salutary object lesson to the empire and the world."—Halifax Herald, 17th.

A SUGGESTION.

Sir,—If a vacancy occurs in one of the vendorships, it should be filled by a person who will open his shop up town. Queen Square should not have a monopoly of the vendor, for it is too far for us uptown people to travel for our liquors, and we should be allowed one at least. The Act received its strongest support our way, and we should have some of its benefits. Up Towns.

Having bought out the branch Bazaar Store on Grafton Street, we will sell at half price during the holidays fancy toys, gasware, etc. We cannot be leater. Call and see us before purchasing your Christmas presents. 50 picture frames at one-half price at the greatest Bargain store in Charlottetown, at Goodstein's, Queen St., opp. to J. D. McLeod's. The sale commences to-morrow.

MASONRY.—A special communication of St. John's Lodge, No. 1, A. F. & A. M., will be held at lodge rooms, Masonic Temple, this (Tuesday) evening, 18th inst., at 8 p. m. Work on 1st degree and other important business. Visitors welcome.

LOCAL MARKET PRICES.—There was a good attendance both of buyers and sellers at the market today, and a little change in the prices was noted. Produce moved slowly, with the demand about equal to the supply. The hay pressmen offered 28c, while for local feeding 32c was given. We quote as follows: Butter, fresh, 20 to 22; eggs 18 to 20; chickens 45 to 50c; ducks 55 to 75c; geese 60 to 80c; turkeys 80 to \$1.20; potatoes, 23 to 25; turnips 10 to 12c; oats 33 to 35c; pork, 81c.

THE MARKET.—In consequence of Christmas and New Year's Day falling on Tuesday, the market will be held on the two previous Mondays. The annual sale of stall stalls will be held on Monday next.

The Mayor here ruled this discussion out of order. Councillor Douse said he had taken the course he had because he believed he was right. It had been understood ever since the time of incorporation that the police force should be half Protestants and half Catholics.
