Mr. Jacob Wilcox of St. Thomas, Ontario, is one of the best known men in that vicinity. He is now, he says, an old man, but Hood's Sarsaparilla has made him feel young again.

"About a year ago I had a very severe attack of the grip, which resulted in my not having a well day for several months afterwards. I was completely run down and my system was in a

Terrible Condition. I lost flesh and became depressed in spirits. Finally a friend who had been benefited by Hood's Sarsaparilla advised me to try it and I did so. I continued taking it until I used twelve bottles and today I can honestly say Hood's Sarsaparilla has restored me to my former health." JACOB WILCOX, St. Thomas, Ontario.

IN THE BARREN LANDS.

Experiences of Canadian Explorers in the Far Northwest.

Mr. R. Munroe Ferguson, A.D.C., of the staff of Lord Aberdeen, Governor-General of Canada, and member of the Macfarlane-Ferguson who recently married a daughter of Lord Dufferin, is busy in company with Mr. Tyrrell of the Dominion Geological Survey, preparing a report of their remarkable exploratory survey of 1894-5, through the middle of one of the last remaining pieces of northern territory represented as a great blank space upon the map of North America. This territory is known as the Barren Lands, and is west of Hudson Bay, north of Reindeer Lake and the Churchill River and east of Great Slave Lake and Lake Athabasca. Through the Barren Lands a question of lesser extent than the interior of the great Labrador peninsula, traversed last year by the Lovelock expedition, they were just as such a terra incognita, and extend even further north than Fort Chimo, on Ungava Bay, the most northerly point of land in the world.

"About a year ago I had a very severe attack of the grip, which resulted in my not having a well day for several months afterwards. I was completely run down and my system was in a
