Yanks Given Prison Terms For Robbery

PEMBROKE, Ont. (CP) — Two Americans were given long penitentiary terms Thursday for holding up a bank at nearby Cobden and taking one of the bank employees as a hostage.

Richard Bigelow, 26, of Windsor Lock, Conn., was sentenced to 18 years and Douglas Olden, 21, of East Grandby, Conn., was given a 12-year term.

They pleaded guilty in magistrate's court here to charges of armed robbery and kidnapping.

The men, both armed with guns, entered a branch of the Bank of Nova Scotia in Cobden July 23, wounded accountant Anne McWade in the leg and escaped with about $6,000 in cash. They took Mrs. Jean Millar, another bank employee, along with them as a hostage. Mrs. Millar was not harmed.

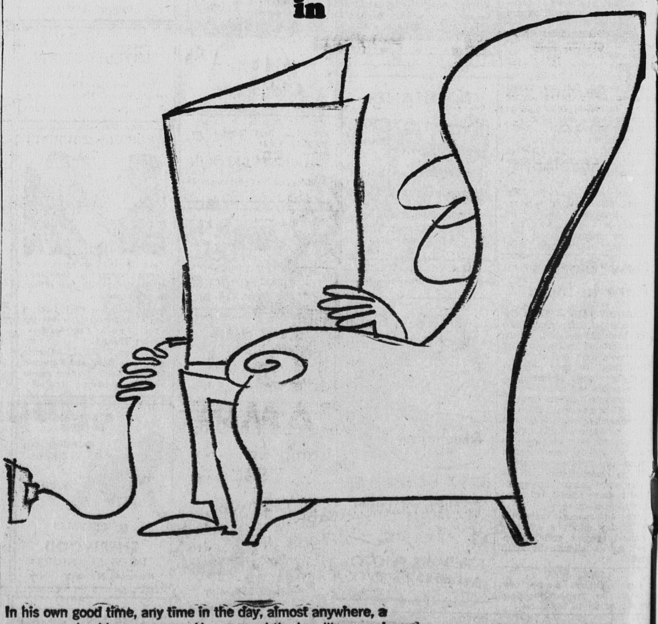
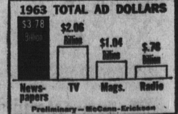
Picture of a man perfectly tuned in



In his own good time, any time in the day, almost anywhere, a man can enjoy his newspaper. He can read the headlines, make up his mind when to read further and when to skip on to the next item. He can read his favorite columnists, catch up on sports or whatever interests him, read the ads, agree with the editorials or not, and laugh at the comics or not. He can even find out when he wants to turn on TV. He can lay the paper aside... pick it up later and still get the whole story. Nothing waits on his personal convenience like a newspaper in his pocket. No wonder newspapers are the primary advertising medium. No wonder advertisers invest more of their dollars in newspapers than in all other major media combined.



MORE MONEY IS INVESTED IN NEWSPAPERS THAN IN ALL OTHER MAJOR MEDIA COMBINED!
