

Rangers & Canadiens Win 1st Game Of Semi-Finals

NEW YORK (AP) — Veteran Dave Creighton scored twice and assisted on one of three first-period goals that carried the New York Rangers to a 5-3 victory over the Boston Bruins Tuesday night in the exciting opener of their semi-final series for the National Hockey League Stanley Cup.

Creighton's markers, one in each of the second and third periods were the game winners. But his assist on Camille Henry's first-period goal helped climax a Ranger comeback that brought them from behind on two occasions.

Henry, the lightest player in the league, picked up passes from Creighton and Andy Heberton to give New York a 3-2 lead—and they remained in front until the finish when a capacity crowd of 15,925 in Madison Square Garden gave them a rousing ovation for their efforts.

The teams will meet in the second game of the best-of-seven competition here Thursday night. Because a circus will occupy the New York arena, the remainder of the set will be played in Boston.

The Ranger triumph, however, was tempered by a triple fracture of the jaw suffered by their captain, Red Sullivan. Sullivan collided with Boston's Vic Stasiuk midway in the first period and fell heavily on his face. He was taken to a hospital and will be lost for the remainder of the playoffs.

Larry Popein and Heberton picked up the Rangers' other goals while Fleming Mackell, Jerry Toppazzini and Bronco Horvath scored for Boston.

MONTREAL (CP)—Little Phil Goyette scored hat trick Tuesday night after Maurice (Rocket) Richard had started a blistering assault on the Detroit Red Wings and Montreal Canadiens romped to an 8-1 win in the first game of their Stanley Cup semi-final.

The 36-year-old Rocket scored two goals to take Canadiens on a five-goal spree in the first period and so flatten the Wings that they never recovered.

Goyette, rookie centre with the National Hockey League champions, scored a goal in each period. He had had only nine goals during the regular season.

Bernie (Boom Boom) Geoffrion, who returned to action Tuesday night since a serious operation January 28, scored singles along with Jean Beliveau and Dickie Moore.

Detroit's lone goal came in the second period when Johnny Wilson, anchoring the Detroit power play, drilled a 40-footer that was screened all the way.

A crowd of 13,908 whooped in glee as Canadiens won almost as they pleased in this first game of the best-of-seven series. The second game will be played here Thursday night.

Rocket Richard counted two assists as well as bagging a pair of goals, his four points ran his all-time total to 1,003 in 16 seasons, including playoffs. He now has scored 73 goals in 12 post-season playoffs. In regular-season play he has scored 508 goals. He was out during the regular season from Nov. 13 to Feb. 20 because of a serious injury.

Ch'town Royals Meet Combines

Charlottetown Royals have built themselves an enviable reputation over the past few months, both during Maritime Senior Hockey League play and in subsequent exhibition tilts.

Tonight the Royals will have a chance to live up to these expectations when they tangle with the Northside Combines in the first game of a best of seven semi-final series for the Maritime Senior hockey crown.

The scene for many will be reminiscent of the Big Four and Major Hockey League eras when the Islanders battled it out for Maritime supremacy with other clubs from the mainland.

Fans attending this encounter will not be disappointed with the brand of hockey displayed this evening. Both teams are quite capable of producing hockey that will have the spectators glued to their seats, and local hockey enthusiasts can be quite certain that this brand of hockey will be produced in tonight's contest.

If some of the players of the Cape Breton squad are as colorful as some of their names this should prove very interesting. Such names as "Gumboots" Morrison, defenceman for the Combines, and "Miggets" Madinski, colorful netminder for the Cape Breton aggregation, are very prominent.

Clears Up Quads Story

WINNIPEG (CP)—Roy Brown rose in the Manitoba legislature Monday night to clear up a little matter about quadruplets.

The Liberal Progressive member for Rupert's Land joyously informed the house last Thursday that quadruplets were reported born to Mrs. Calico Jones at the isolated community of Norway House.

Federal and provincial health authorities here were puzzled They hadn't heard about Calico. It turns out, Mr. Brown said Monday night, that Calico is a cat.

He said a "letter bout the litter" from Norway House, 280 miles north of Winnipeg, was sent to a radio station by a Mrs. Jones. It said Calico had given birth to four babies.

Mr. Brown emphasized the letter did not call the mother "mrs."

SMALL FARMS

Ninety per cent of the entire agricultural area of Holland is in holdings of fewer than 50 acres.

GOOD CURVE

Bill has pretty good stuff," Alton says. He has an excellent change of pace and a good curve.

He also has good velocity, but his fast ball tends to tail off. With his stuff he has to keep the ball low, and that's what we've been working on. He has trouble doing it."

Harris spent most of last year with Montreal, where he had a 16-10 record and a 3.44 earned run average. He pitched in one game for the Dodgers late in the season, starting and going seven innings before being relieved. He was the loser, but his earned run average for that lone start was a passable 3.86.

REFUSE PERON VISA

ROME (Reuters) — Ex-president Juan Peron of Argentina has been refused an entry visa for Italy, a foreign office spokesman said Saturday. Peron Feb. 12 was asked to leave the Dominican Republic without delay because, it was alleged, he had violated the asylum granted him.

FEWER FATALITIES

Flying accidents in Norway killed four Norwegian Air Force pilots in 1957, compared with 14 in 1956.

Turning to basketball, Souris High has decided to drop out of the Island High School League. Lack of available practice time is the main reason. Other reasons include: lack of public interest, and some of the top players find themselves unable to play.

Instead of a league comprising the different winners, it would seem that for this year at least, a one-day rolloff would be the best method of determining a champion. We would suggest that after all teams decide a winner, that the captains get together and decide a time and place for the rolloff.
