Save Income Tax Today. Get a Higher Pension Tomorrow!

you can do both by taking advantage of a REGISTERED RETIREMENT SAVINGS PLAN

It is certain you will always want additional income. The new Canada Pension Plan or a similar Provincial Pension Plan does not change the income tax deductions that you may claim on a pension plan now in operation or a Registered Retirement Savings Plan.

The medium which we recommend has a built-in hedge against inflation.

To receive the tax benefits for 1965 your plan must be registered before the end of February, 1966.
