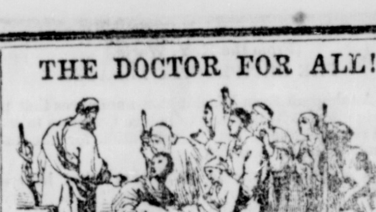
THE DOCTOR FOR ALL!



HOLLOWAY'S PILLS.

Chest Complaints.

No diseases are more frequent, few more dangerous, than affections of the respiratory organs. The first symptoms of catarrh, bronchitis, and influenza, may always be radically removed by Holloway's renowned Pills. They quickly remedy any temporary stagnation of blood, relieve any overgorged veins, moderate the hurried breathing and enable the lungs to do their office with ease and regularity. These Pills, by their purifying powers, cleanse the blood from all impurities, and fortify the system against consumption, asthma and similar complaints.

Stomach, Liver, Kidneys, and Bowels.

From various causes these organs are frequently getting out of order and require some suitable medicine to regulate them. Holloway's Pills effect this object with wonderful celerity and certainty. They do not distress the system or weaken the frame; they thoroughly invigorate the digestive organs. They gently excite the stomach and liver, stimulate the kidneys to perform their functions efficiently, and act upon the bowels without griping or any other annoyance; again, taken an hour before dinner, they cannot be equalled as a "Dinner Pill" as they entirely prevent acidity, flatulency, nausea and biliousness.

Windy or Watery Dropsy.

Whoever is afflicted with these complaints should at once have recourse to Holloway's Pills. They act most energetically on the glandular and absorbent system, purify the blood, and impart a vigour which age or other causes may have temporarily taken away. They excite the kidneys to increased activity, and thereby stimulate the absorbents to remove the fluid already collected.

Disorders Peculiar to Women.

There is no medicine equal to Holloway's Pills for correcting the aliments incidental to females. They may be taken with safety for any irregularity of the system. As they remove all cause of maladies, and so restore, by their grand purifying properties, females of all ages to robust health.

Influenza, Diptheria and Sore Throat.

How all important it is to check the first departure from health! all may do so by taking Holloway's Pills, without risk or restriction. In all diseases affecting the blood, nerves, and muscles, or in cases of fever, sore throat, colds, cough, asthma and shortness of breath the earlier they are taken the better.

Children's Complaints.

Diseases incidental to children, such as feverish attacks, scarlet fever, measles and all diseases of the skin, may be immediately checked, and soon cured by these purifying Pills, which may be reduced to a powder, and given in doses of one two or three nightly, according to the age of the sufferer. Holloway's Ointment is soothing, cooling and healing, and is better adapted than any other remedy for all external aliments.

Indigestion, Bile and Sick Headaches.

No organ in the human body is so liable to disorder as the liver, and none is more apt, when neglected, to become seriously diseased. When nausea, flatulency or acidity on the stomach, warns us that digestion is not proceeding properly, Holloway's Pills regulate every function, give strength to every organ, remove speedily all causes of indigestion, bile and sick headaches, and effect a permanent cure.

Lumbago, Rheumatism and Gout.

In these diseases, the blood is always in a highly inflammatory state; the stomach is also disordered, and the liver and kidneys unnaturally torpid. A few doses of these Pills, taken in time, will rectify all these symptoms by their cooling and purifying properties.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Fevers, all kinds	Sore Throats
Asthma	Fits	Stone and Gravel
Bili's Complaints	Gout	Secondary Symptoms
Blotches on skin	Head-ache	Tic-Doloureux
Bow'l compl'nts	Indigestion	Tumours
Colics	Inflammation	Ulcers
Constipation of the Bowels	Jaundice	Venereal Affections
Consumption	Liver complaints	Worms, all kinds
Debility	Lumbago	Weakness, from whatever cause &c., &c.
Dropsy	Piles	
Dysentery	Rheumatism	
Erysipelas	Retention of Urine	
Female Irregularities	Scrofula, or King's Evil

MOFFAT'S LIFE PILLS
AND
PHŒNIX BITTERS.

THESE Medicines have now been before the public for a period of THIRTY YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself isbut a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved that it has appeared secarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying *the springs and channels of* life, and induing them with renewed toneand vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither *Mercury*, nor *Antimony*, nor *Arsenic* nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind as to produce habitual Costiveness with all its train of evils, or sudden Diarrhœa with its imminen dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence theprejudices of these well informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; *Flatulency, Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Langour*, and *Melancholy*, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length of the intestines with a solvent process, and without violence: all violent purges leave the bowels costive within two days.

DIARRHŒA and CHOLERA, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucuous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure *Rheumatism* permanently in three weeks, and *Gout* in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully *on these important organs*, and hence they have ever been found a certain remedy for the worst cases of *Gravel*.

Also *Worms*, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and *Consumption*, by relieving the air vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces those dreadful diseases.

Scurvy, Ulcers and *Inveterate Sores*, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.

Scorbutic Eruptions and *Bad Complexions*, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of *Salt Rheum*, and a striking improvement in the clearness of the skin. *Common Colds* and *Influenza* will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS, and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He, however, at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.

General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description:—KING'S EVIL AND SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of *Sarsaparilla*. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

A FREE GIFT
TO THE AMERICAN PEOPLE.

WHAT THE FEDERAL TROOPS ARE FIGHTING TO SUSTAIN —HOW OUR SOLDIERS SHOULD BE PREPARED TO FIGHT.

It is a singular fact that a large majority of the people of the United States are unacquainted with the great importance of the cause for which the soldiers of the Union are fighting. Let every man and woman throughout the United States carefully read and study the Constitution of the United States, they will become convinced of the holiness of our cause and of the wickedness of those who are striving to overthrow this grand palladium of freedom.

We truly believe that had the reading of the Constitution been adopted as a daily lesson in every school throughout the United States, the doctrines of secession and States rights would never have attained the position of a political question; nor would the country have been called upon to mourn for the unfortunate wrangling and misconstructions that have arisen, and which so many of our statesmen have lost their time in attempting its interpretation.

Millions of our citizens have never thoroughly studied the constitution, and even at the present time, when it is the duty of every citizen of this country to inform himself of the rights and privileges secured to him, under its protecting arm, it is not in one household in five hundred. In view, therefore, of correcting this great oversight and to furnish every man, woman and child throughout the United States with the means of studying this great palladium of liberty, and to protect us against future false doctrines and political disasters,

DRS. RADWAY & CO.

present to the American public, free of charge, the Constitution of the United States of America, neatly bound, together with an improved Almanac for the year 1862, called "Dr. Radway's Constitutional Almanac." As soon as practicable. Dr. Radway's agents, in every village and town throughout the Union, will be furnished with a supply for free circulation. A copy of the same will be sent to all who will inclose a stamp for the payment of postages.

Druggists, Booksellers, Newsdealers throughout the country, desirous of aiding us in distributing to the people the Constitutional Almanac, are invited to send in their orders. No charge will be made for the same.

We also invite the people of the Canadas, British Provinces, and, in fact, all who can read the English language throughout the world, to accept as gifts from us our Constitutional Almanac.

We will send to any one who is willing to pay the postage on it, a copy; or if the citizens of any town or village will accept from 100 to 500 copies, we will furnish them free of charge, being convinced that if our foreign friends will carefully read the Constitution, they will become satisfied that our people, in supporting our government in wiping out this foul blot of secession from our escutcheon, are not only right, but are establishing on a sound basis the freedom of the people throughout the world.

HOW OUR SOLDIERS SHOULD BE PREPARED TO FIGHT.

HEALTH AND DISCIPLINE.

Health and disciplino are the most important elements in an army to insure success. Discipline without health will prove as ineffectual as shot without powder. Health is the propelling force of the army, and is the symbol of victory. It is, therefore, of the greatest importance, that the system of medication best adapted for the protection of soldiers against sickness, as well as that known to be the most speedy and effectual in restoring the sick to health, without regard to professional prejudice, be adopted.

This is no time for medical martinets to quibble about professional dignity. All the dignity the profession can bring to bear will neither prevent sickness among the troops nor cure those afflicted. Our armies to be successful must be kept in a healthy condition; and the most sure means of securing this desideratum is through the remedial powers of

RADWAY'S READY RELIEF,

which has already proved itself in over fifty regiments now at the seat of war near Washington, to be a positive preventive against sickness in the form of CHILLS and FEVER, BILIOUS FEVER, DIARRHŒA, SMALL POX, FEVER AND AGUE, TYPHOID FEVER, DYSENTERY, MEASLES, and other malarious and infectious diseases.

Bear in mind, we say, that RADWAY'S READY RELIEF will protect the troops exposed to these disease against attacks. Now, it is conceded by all the medical men in our army, that they have noreliable means to prevent attacks of these diseases, neither have they any positive assurance of curing the sick; but, on the contrary, the majority of the sick, seized with fever and ague, typhoid, bilious and other fevers, either die or linger along until they are reduced to mere wrecks and walking skeletons. Experience has established the fact that the treatment of calomel, quinine and mercury, in cases of fever and ague, typhoid fever, and other fevers of this class, is more injurious in camps than in private practice, when we take into consideration that canvas walls and exposure to heavy dews and the malaria from pools of water and damp grounds, prove but a poor shelter for the sick, we may readily conjecture that the penalties of mercurial and quinine treatment will, in the majority of cases, be exhibited in the form of rheumatism, neuralgia, pains and stiffness in the joints, enlargement of the liver, jaundice, yellow jaundice, dyspepsia, pleurisy, coughs, colds, &c., which will cling to the unfortunate patient for years.

In DR. RADWAY'S REMEDIES the soldier has a positive preventative against attacks of these diseases. Let every soldier carry a bottle of

RADWAY'S READY RELIEF

in his knapsack, and when exposed to wet, damp and chilly weather, or encamped in malarious districts, take a teaspoonful, in half a cup of water, as a drink, early in the morning before eating, and three or four times during the day; and if on picket or guard duty occasionally during the night, he will escape all sickness, and continue to enjoy good health.

WHEN SICK,

let Radway's Ready Relief and Radway's Regulating Pills be used according to directions, and the patient will soon recover. Dr Radway's Remedies make a perfect cure in cases of

RHEUMATISM, LUMBAGO, HOARSENESS, INFLUENZA, TOOTHACHE, NEURALGIA, SORE THROAT, FROSTED FEET, SCIATICA, COUGHS, DIPTHERIA, HEADACHE, CHILBLAINS, DIFFICULT BREATHING, SWELINGS OF THE JOINTS, PAINS IN THE LEGS, &c, CROUP, MEASLES, BURNS, SCALDS, WEAKNESS IN THE SPINE, STRAINS, SPRAIN, SWOUNDS, and in all cases where there is pain, Radway's Ready Relief will afford immediate ease and quickly cure the patient.

DUTY OF CIVILIANS.

Civilians having friends or relatives in the army should send them a few bottles of Radway's Ready Relief and a box of Radway's Pills. The Government makes no provision for these valuable remedies in the medical stores. The soldier depends upon his friends for a supply of these invaluable medicines. A bottle or two of the Ready Relief may save the life of your soldier friend.

ARMY INDORSEMENT.

We have received a large number of letters from army surgeons officers and privates who have derived benefits from the use of RADWAY'S READY RELIEF. Among the great number we have on file we refer to the following:

W H Tingley, M D, Surgeon and Medical Director of the Excelsior Brigade.
George B Simpson, M D, Surgeon Anderson Zouave Regiment.
Col Rush C Hawkins, Ninth Regiment, N Y V.
Col Lyons, Eighth Regiment, N Y S M.
Col George Hall, Second Regiment Excelsior Brigade.
Col Walker, Thirty-third Regiment N Y V.
Col Tinnelli, McClellan Rifles.
Col William Gates, United States Army.
Major O V Dayton, Anderson Zouaves.
Major James M Turner, First Regiment N Y V.
Col William Wilson, and his officers, through T W Meagher, Esqr., Wilson's Zouaves, Fort Pickens.

NOT ONE IN THE HOSPITAL.

We have the assurances of officers of over fifty regiments of the volunteer forces, that there has not been a single man in their regiments who has used Radway's Ready Relief that has been sent to the hospital, nor has there, out of the great number of sick who have used this invaluable medicine, a death occurred.

IMPORTANT TO FAMILIES.

Every family should keep a bottle of Radway's Ready Relief in the house. It is a positive preventive against sickness; it will in a few minutes relieve the patient from pain, and will speedily cure the afflicted of the diseases and complaints it is prescribed for.

DR. RADWAY'S PILLS—RADWAY'S REGULATING PILLS

are the best pills in use. They are the only perfect vegetable purgative substitute for calomel known. One to three of Radway's Pills will operate quicker than five to ten of the common drastic pills. No sickness at stomach, no griping pains follow their use; they leave the bowels regular and healthy. Let those who have been in the habit of using other pills make a trial of a few doses of Radway's Regulating Pills (coated with gum.)

ACTUAL CONSUMPTION.

Its great feature is a freedom from every component which produces debility, and its unerring certainty in all of the above Complaints rests with the fact that it may be used every hour without restraint. Therefore from childhood and its terror, *Whooping Cough*, to old age and its infirmities, allow it to be the companion from the cradle, and the grave will be spared many of its early victims. Make it your *pocket companion* by day, and your bedside friend by night, using it whenever you please.

Hunnewell's Tolu Anodyne Cures all Complaints of Nervous and Spasmodic Character, such as Neuralgia, Gout, Rheumatism, St. Vitus Dance, Tooth and Ear-Ache, Bowel Complaints, Nervous and Spasmodic Sick Head Ache, to the terror of all nervous dispositions, and probably the chief cause of Insanity, "LOSS OF SLEEP"

Hunnewell's Eclectic Pills. Designed as special assistant to the above-named preparations, when aggravated by Tooth, Biliousness or Indigestion, and the great substitute for all Mercurial preparations.
